## BWP INTERNALISATION, BUNNINGS LEASE RESET AND CAPITAL INVESTMENT

---

The Directors of BWP Management Limited ("**BWPM**"), the responsible entity for the BWP Trust (ASX:BWP) ("**BWP**") announce that today BWPM and Wesfarmers Limited ("**Wesfarmers**") signed an Implementation Deed to enable a proposal to be put to BWP Unitholders comprising three components:

1. the internalisation of the management functions of BWP ("**Internalisation**");
2. resetting the terms of Bunnings Group Limited ("**Bunnings**") Leases within the BWP property portfolio ("**Lease Reset and Extension**"); and
3. store expansion expenditure commitments and network upgrade expenditure commitments at certain Bunnings sites within the BWP property portfolio ("**Capital Expenditure Commitments**")<sup>1</sup>.

The Internalisation, the Lease Reset and Extension and the Capital Expenditure Commitments are collectively the "**Proposed Transaction**".

The Proposed Transaction is subject to a number of conditions, including the approval of BWP's unitholders at an Extraordinary General Meeting to be held on Monday, 28 July 2025. **The Non-Executive Directors unanimously recommend that you vote in favour of all Resolutions**<sup>2</sup>.

A copy of the Implementation Deed is attached to this announcement at Annexure A.

### BENEFITS OF THE PROPOSED TRANSACTION

Key benefits of the Proposed Transaction to BWP Unitholders include:

- *Tenant retention and tenant quality continuation* – the Proposed Transaction secures a strong and highly capable national retailer, Bunnings, for additional lease term ensuring continued covenant strength;
- *Income certainty* – the Proposed Transaction provides increased certainty of future rent, with Bunnings' medium-term vacancy, and any associated income risk, removed;
- *Longer weighted average lease expiries* – the term of 62 Bunnings Leases will be extended with the portfolio weighted average lease expiry ("**WALE**") increasing from 4.4 years<sup>3</sup> to 8.0 years<sup>4</sup> with the WALE of the 62 Bunnings leases more than doubling from 4.6 years<sup>5</sup> to 9.5 years<sup>6</sup>;

---

<sup>1</sup> Capital Expenditure Commitments are subject to development approvals, board approvals and completion of legal documentation.

<sup>2</sup> As described in the Meeting Booklet.

<sup>3</sup> As at 31 December 2024.

<sup>4</sup> As at 31 December 2024, allowing for the agreed lease extensions to commence at the next anniversary of each current Bunnings Lease, except for the Chadstone lease which will commence at Implementation.

<sup>5</sup> As at 31 December 2024.

<sup>6</sup> As at 31 December 2024, allowing for the agreed lease extensions to commence at the next anniversary of each current Bunnings Lease, except for the Chadstone lease which will commence at Implementation.

- *Expected valuation uplift from Lease Reset and Extension* – the increased WALE is expected to have an uplift to property valuations estimated at \$49.9 million<sup>7</sup> which reflects an 8 basis point compression in BWP's weighted average capitalisation rate to 5.35 per cent;
- *Lowering operating costs* – with the removal of the management fee payable to Wesfarmers (as the current ultimate holding company of the BWP Management Entities), and the internalisation of BWP's operating expenses, BWP's cost of doing business will be reduced, potentially lowering BWP's cost of capital and increasing BWP's competitiveness in bidding on new investments;
- *Distribution accretion* – the Proposed Transaction is forecast to be accretive to FY2026 distributions. Excluding the Proposed Transaction, BWP's FY2026 distribution is forecast to be 19.03 cents per BWP Trust Unit (including capital profits of \$5.6 million), reflecting 2.0 per cent growth on FY2025. Following implementation of the Proposed Transaction, BWP's distribution forecast for FY2026 is 19.41 cents per BWP Stapled Security (including capital profits of \$5.6 million). This reflects 2.0 per cent accretion to the FY2026 distribution pre-Implementation, and 2.3 per cent accretion on a pro forma full year basis. BWP's distribution forecast of 19.41 cents per BWP Stapled Security represents a 4.1 per cent increase on the FY2025 distribution of 18.65 cents per BWP Trust Unit;
- *Platform for potential future growth* – following Implementation, new acquisitions should not require a material increase in internal management costs. New acquisitions currently result in an increase in management fees payable to Wesfarmers (as the current ultimate holding company of the BWP Management Entities), potentially limiting the ability to undertake acquisitions or lowering the returns of those acquisitions to BWP;
- *Potential for diversified and incremental income streams* – while not a strategic driver of the Proposed Transaction, the Proposed Transaction enables the opportunity for BWP to diversify income streams through third party asset and fund management mandates;
- *Continuity of senior management* – senior management will continue with BWP following Implementation, including the Managing Director, Mark Scatena;
- *Market alignment* – BWP will align with the market standard for real estate investment trust ("**REIT**") management structures. As of the date of the Meeting Booklet, the top 10 Australian REITs by market capitalisation are internally managed and 90 per cent of the REITs by market capitalisation within the ASX 300 index are internally managed REITs. BWP is currently the 14th largest REIT by market capitalisation within the ASX 300 index;
- *Corporate governance benefits and investor alignment* – expected enhanced accountability, transparency and investor rights. Management will be employed and incentivised directly by BWP and investors will have the ability to vote on the appointment and re-election of directors; and
- *Improved market position* – potential increase in demand and liquidity of Stapled Securities from investors who prefer internally managed REITs.

---

<sup>7</sup> Estimated valuation uplift is based on BWP's assessment of comparable evidence of capitalisation rate movements. This assessment has been validated by an independent opinion contained in the Meeting Booklet. This estimated valuation uplift is separate to the 30 June 2025 valuation update disclosed by BWP to the ASX on 27 June 2025.

"Today's announcement marks an important moment in BWP's history", BWPM Chair Tony Howarth AO said. "The Proposed Transaction provides a compelling opportunity to secure continued exposure to Bunnings as BWP's largest tenant, and to create an aligned and cost efficient internally managed real estate investment group with significant lease tenure, with the ability to continue generating attractive and predictable distributions for investors."

Mark Scatena, Managing Director of BWPM, said "The Proposed Transaction delivers on strategy. BWP's quality portfolio, with rent underpinned by Bunnings, has ensured that BWP Unitholders have enjoyed since listing a secure, growing income stream and capital growth. The Proposed Transaction builds on this foundation through the extension of lease terms with Bunnings, the reduction of operating costs through the internalisation, a reduced cost of capital to potentially increase BWP's competitiveness in bidding on new investments, and distribution accretion for unitholders."

## INTERNALISATION

BWP has formed a new company, BWP Property Group Limited, to acquire BWPM from Wesfarmers, for \$142.6 million ("**Internalisation Purchase Price**") and, in doing so, internalise the management functions of BWP. The Internalisation Purchase Price comprises \$100.0 million in cash funded via the drawdown from BWP's existing debt facilities, and \$42.6 million of BWP scrip representing 10,867,347 Stapled Securities issued to Wesfarmers at BWP's net tangible asset per unit as at 31 December 2024 of \$3.92, a 9.2 per cent premium to BWP's closing unit price on 26 June 2025.

The Internalisation Purchase Price reflects a multiple of 10.6 times BWPM's forecast FY2026 earnings before interest and tax of \$13.4 million.

Wesfarmers will continue to be BWP's largest securityholder with its holding increasing to 23.5 per cent (up from 22.3 per cent) and will be entitled to appoint a director to the BWP board<sup>8</sup>. BWP and Wesfarmers have also entered into a Cooperation and Services Agreement to govern the transitional relationship for a maximum period of five years following implementation of the Proposed Transaction.

## LEASE RESET AND EXTENSION

As part of the Proposed Transaction, 62 Bunnings Leases<sup>9</sup> are to be reset and extended as follows:

- the term certain of each Bunnings Lease is extended to between five and 10 years, materially lengthening BWP's WALE;
- the option tenure of each Bunnings Lease is reset to have between four and eight option periods of six years each; and
- each Bunnings Lease is to have a market rent review at the exercise of the first option and every second option thereafter, with the application of a 10.0 per cent cap/collar at the respective market rent reviews.

---

<sup>8</sup> Pursuant to clause 8 of the Implementation Deed Wesfarmers' director nomination right will continue for so long as Wesfarmers and its Associates continue to hold at least 15 per cent of BWP Stapled Securities.

<sup>9</sup> This represents all leases between BWP and Bunnings except for Rocklea, Wagga Wagga and Geraldton which are excluded following Bunnings' notification of its intention to vacate. BWP and Bunnings have also agreed certain operational amendments to the Bunnings Leases. These variations are designed to assist in the efficient administration of the leases and include permitted use, outgoings, insurance, indemnities and remedies, arbitration, damage and destruction and rent review.

## CAPITAL EXPENDITURE COMMITMENTS<sup>10</sup>

To secure further growth opportunities, BWP and Bunnings have committed to enhancing the quality of the portfolio to enable store format improvement and offer expansion within the Bunnings store network through a combination of store expansion and network upgrade capital expenditure.

BWP and Bunnings have committed to:

- undertake expansions at five Bunnings sites with \$56.0 million of development expenditure being funded by BWP and rentalised at a funding rate equal to the five-year swap rate plus a margin of 200 basis points, with works to commence within three years of implementation of the Proposed Transaction; and
- each fund \$15.0 million (\$30.0 million in total) of network upgrade expenditure to deliver asset enhancements and upgrades across several of BWP's older assets. These works are to upgrade ageing Bunnings sites to extend their useful life, with such upgrades to be completed within five years of implementation of the Proposed Transaction.

## INDEPENDENT EXPERT

The Directors engaged Deloitte Corporate Finance as Independent Expert to prepare an Independent Expert's Report ("IER"). The Independent Expert has concluded that the Proposed Transaction and the Future Related Party Dealings<sup>11</sup> are **fair and reasonable and in the best interests** of investors not associated with Wesfarmers.

## FURTHER INFORMATION

Further information relating to the Proposed Transaction has been set out in the Meeting Booklet which contains a prospectus, and the explanatory memorandum to the notice of extraordinary general meeting, lodged with the ASX today. The Meeting Booklet will also be accompanied by the IER.

---

<sup>10</sup> Capital Expenditure Commitments are subject to development approvals, board approvals and completion of legal documentation.

<sup>11</sup> Future Related Party Dealings include the future arrangements between BWP and Bunnings (or subsidiary entities of Bunnings) which may be entered into in the future in the ordinary course of BWP's Business following Implementation and which may become related party arrangements for which approval under Listing Rule 10.1 is required. Further details are provided in the Meeting Booklet.
