

ASX Announcement**27 September 2016****VICTORIAN FIRST FOR SEYMOUR WHYTE**

The civil infrastructure division of Seymour Whyte Limited (ASX: SWL) has been awarded its first VicRoads contract, to construct the Young Street Improvement Project in Frankston.

Seymour Whyte Managing Director and Chief Executive Officer Mr John Kirkwood said the \$10 million contract was an important milestone for the company, which had opened an office in Melbourne last year to capitalise on Victoria's projected ramp-up in infrastructure investment.

"One of the pillars of our *2020 Strategic Plan* was to diversify into Victoria and we hope this project is the first of many," he said.

"Seymour Whyte has been shortlisted to tender on five projects in Victoria, and we look forward to announcing further successful outcomes soon."
