If the item asks for confirmation of a matter, you may simply enter "Confirmed" in the "Location/Confirmation" column. If an item is not applicable, please mark it as "N/A".

In this regard, it will greatly assist ASX and speed up its review of the application if the various documents referred to in this Checklist and any Annexures (other than the 2 copies of the applicant's Offer Document (as lodged with ASIC) referred to in item 4 and the 10 printed versions of the final Offer Document referred to in note 10) are provided in a folder separated by numbered tabs and if the entity's constitution and copies of all material contracts are provided both in hard copy and in electronic format.

Admission to the official list is in ASX's absolute discretion and ASX may refuse admission without giving any reasons (see Listing Rule 1.19).

A reference in this Checklist and in any Annexures to the "Offer Document" means the listing prospectus, product disclosure statement or information memorandum lodged by the applicant with ASX pursuant to Listing Rule 1.1 Condition 3.

If the applicant lodges a supplementary or replacement prospectus, product disclosure statement or information memorandum with ASX, ASX may require it to update this Checklist and any Annexures by reference to that document.
