THIRD SUPPLEMENTARY TARGET'S STATEMENT

In response to the off-market takeover offer made by a consortium led by Brookfield Infrastructure Partners Limited, as general partner of Brookfield Infrastructure Partners L.P. ("**Brookfield Offer**").

The Asciano Directors unanimously recommend that you **REJECT** the Brookfield Offer.

This document is the third supplementary target's statement ("**Third Supplementary Target's Statement**") to the target's statement dated 11 December 2015 ("**Target's Statement**") issued by Asciano Limited (ABN 26 123 652 862) and lodged with the Australian Securities and Investments Commission ("**ASIC**") on 11 December 2015, in relation to the offer by the Brookfield Bidder to acquire all of the shares in Asciano.

This Third Supplementary Target's Statement supplements, and is to be read together with, the Target's Statement.

Unless the context requires otherwise, defined terms in the Target's Statement have the same meaning in this Third Supplementary Target's Statement. This Third Supplementary Target's Statement prevails to the extent of any inconsistency with the Target's Statement.

A copy of this Third Supplementary Target's Statement was lodged with ASIC on 16 February 2016. Neither ASIC nor any of its officers take any responsibility for the contents of this Third Supplementary Target's Statement.

1 **Qube Consortium Proposal**

On 28 January 2016, Asciano received a proposal from Qube Holdings Limited (**Qube**), Global Infrastructure Partners (**GIP**), Canada Pension Plan Investment Board (**CPPIB**) and CIC Capital Corporation (**CIC Capital**) (together, the **Qube Consortium**) to acquire 100% of the issued capital of Asciano (**Qube Consortium Proposal**).

Following detailed consideration, the Asciano Board determined that the Qube Consortium Proposal is a superior proposal for the purposes of the Brookfield Bid Implementation Deed as amended on 9 November 2015 (**Brookfield BID**) and issued a notice to Brookfield Infrastructure Partners Limited (**Brookfield Infrastructure**) required by the matching right regime under the Brookfield BID. The matching right period concluded at the end of Monday, 15 February 2016 and no matching or superior proposal was received from Brookfield Infrastructure.

As no matching or superior proposal has been received from Brookfield Infrastructure, the Asciano Board has changed its recommendation and now unanimously recommends that you **REJECT** the Brookfield Offer.

Details of the Qube Consortium Proposal and Asciano Board's change of recommendation are contained in Asciano's ASX announcement dated 16 February 2016, which is attached as Annexure 1.

ANNEXURE 1

ASX/MEDIA RELEASE

Date: 16 February 2016

ASCIANO RECOMMENDS QUBE CONSORTIUM PROPOSAL

Asciano Limited (**Asciano**) (ASX:AIO, OTCUS:AIOYY) announced on 8 February 2016 that it had received a revised proposal from Qube Holdings Limited (**Qube**), Global Infrastructure Partners (**GIP**), Canada Pension Plan Investment Board (**CPPIB**) and CIC Capital Corporation (**CIC Capital**) (together, the **Qube Consortium**) to acquire up to 100% of the issued capital of Asciano (**Qube Consortium Proposal**).

Expiration of matching right period

As required under the amended Bid Implementation Deed between Asciano and Brookfield Infrastructure Partners Limited (**Brookfield Infrastructure**) dated 9 November 2015 (**Brookfield BID**), Asciano issued a notice to Brookfield Infrastructure on 8 February 2016 providing Brookfield Infrastructure with a right to submit, within five business days, a matching or superior proposal to the Qube Consortium Proposal.

The matching right period concluded at the end of Monday, 15 February 2016. Brookfield Infrastructure did not submit a matching or superior proposal within this period.

Change in Asciano Board recommendation

As previously announced, the Asciano Board has determined that the Qube Consortium Proposal is superior to the proposal from Brookfield Infrastructure announced on 9 November 2015 (**Brookfield Offer**). The Asciano Board has considered the Qube Consortium Proposal and the Brookfield Offer and unanimously recommends the Qube Consortium Proposal to Asciano shareholders.

The Asciano Board recommends that Asciano shareholders accept the takeover offer to be made under the Qube Consortium Proposal in respect of all of their Asciano shares, subject to:

- Asciano not receiving a superior proposal; and
- an independent expert opining that the takeover offer and the sale of each of the Ports and BAPS businesses is fair and reasonable to Asciano shareholders.

Asciano has now signed binding transaction documentation with the Qube Consortium including an implementation deed in relation to the takeover offer (**Qube Consortium Implementation Deed**), together with sale agreements in relation to Patrick's container terminal business and a 50% interest in Australian Amalgamated Terminals (**Ports**) and the Bulk & Automotive Port Services businesses and a 50% interest in ACFS Port Logistics (**BAPS**).

The Brookfield BID will now be terminated and the Brookfield takeover bid is expected to lapse at 7.00pm on 18 February 2016. Asciano will also apply to the court for orders to cancel the Scheme Meeting in respect of the Brookfield Offer.

As a result of the change in recommendation in favour of the Qube Consortium Proposal, a break fee of A\$88 million will be paid to Brookfield Infrastructure. Asciano will treat the break fee as a material item of A\$88 million pre tax (A\$61.6 million after tax) in its FY16 full year financial results.

Overview of the Qube Consortium Proposal

As announced on 8 February 2016, the Qube Consortium Proposal involves GIP, CPPIB and CIC Capital, through a jointly owned bid vehicle (**BidCo**) is making an off-market takeover bid to acquire all of the shares in Asciano for consideration of A\$7.04 cash (including the amount of permitted dividends) and 1 Qube share per Asciano share.

If ATO approval is obtained in respect of the special dividend, Asciano is permitted to pay fully-franked dividends of up to A\$0.97 per share (**Permitted Dividends**), in aggregate, comprising an interim¹ and special dividend, to enable franking benefits of up to A\$0.416 per share to be distributed to eligible Asciano shareholders.² To the extent that Permitted Dividends are paid, the A\$7.04 cash component of the consideration will be reduced by the amount of the Permitted Dividends.³

The Qube Consortium Proposal currently has an implied value of:

- A\$9.025 per Asciano share based on Qube's closing price of A\$1.985 on 15 February 2016;
- A\$9.17 per Asciano share based on the volume weighted average of Qube's shares for the 30 trading days leading up to and including 15 February 2016.

The implied offer value (including the amount of the permitted dividends) represents a 35.7% premium to the undisturbed Asciano share price on 30 June 2015 (the day prior to the announcement of receipt of the initial Brookfield proposal) and an EV/EBITDA multiple of 10.4x for the year ended 30 June 2015.⁴

Under the Qube Consortium Proposal, Qube will acquire 100% of Ports for an enterprise value of A\$2,650 million and BAPS will be sold to an entity to be established and owned initially by GIP, CPPIB and CIC Capital (**BAPS HoldCo**) for an enterprise value of A\$850 million. BAPS HoldCo will seek to sell the BAPS businesses to a third party or parties. Qube may also seek to acquire certain of the BAPS assets, subject to regulatory approvals. The sale of Ports and BAPS is subject to approval of the shareholders of Asciano, ACCC approval and the takeover offer by BidCo becoming unconditional. The proceeds from the sales of Ports to Qube and BAPS to BAPS HoldCo (net of any funding obtained by Asciano to fund the Permitted Dividends) will be returned to Asciano shareholders who do not accept the takeover offer by way of a pro rata capital return⁵ after the takeover completes.

¹ The interim dividend is not subject to an ATO ruling.

² Whether a shareholder is able to capture the full benefit of the franking credits will depend on their personal tax circumstances, including whether they satisfy relevant holding period rules.

³ The quantum of any dividends paid will be determined by the Asciano Board, but will not exceed a level that may be fully franked based on available franking credits, which may be less than A\$0.97 per Asciano share.

⁴ Based on offer consideration of A\$9.025 per share based on the Qube closing price of A\$1.985 on 15 February 2016 and Asciano net debt of A\$3.1bn as at 30 June 2015.

⁵ An ATO ruling will be sought in relation to the proposed capital return, which will determine its composition including the dividend component, if any.

The Qube Consortium Proposal is subject to a number of key terms including (among others):

- Conditions precedent including:
 - Minimum acceptance condition of 50.1% of Asciano shares on issue;⁶
 - Regulatory approvals (FIRB, ACCC, NZ OIO, European Commission, and any required ASIC or ASX approvals);
 - no Asciano prescribed occurrences or material adverse change occurring;
- Approval by ordinary resolution of Asciano shareholders of the sale of Ports and BAPS and the payment of net proceeds to Asciano shareholders who do not accept the takeover offer by way of a pro rata capital return;
- Exclusivity provisions (including no shop and no talk, fiduciary exception, notification of approaches, matching right); and
- Break fee equal to A\$88 million payable upon a change of control of Asciano or a material breach by Asciano of the terms of the Qube Consortium Implementation Deed.

Further details are contained in the Qube Consortium Implementation Deed which is set out in full in Annexure A.

1.3 Several Obligations

- (a) Where this Deed imposes any obligation or liability on the BidCo Shareholders (including an obligation on the BidCo Shareholders to procure that BidCo undertakes a specified action) that obligation or liability is imposed on the BidCo Shareholders severally in their BidCo Respective Proportions, and no BidCo Shareholder will have any liability in respect of such obligation or liability beyond its BidCo Respective Proportion.
- (b) Where this Deed confers a right on the BidCo Shareholders, that right must be exercised by the BidCo Shareholders jointly.

1.4 BidCo to have the benefit of Deed

The Target acknowledges that its undertakings, acknowledgements, representations and warranties under this Deed are given for the benefit of, and may be relied upon, by BidCo (in addition to the BidCo Shareholders and Qube), notwithstanding that BidCo is not (or may not be) a party to this Deed.

1.5 Consents and approvals

If the doing of any act, matter or thing under this Deed is dependent on the consent or approval of a party or is within the discretion of a party, such consent or approval may be given or such discretion may be exercised conditionally or unconditionally or withheld by the party in its absolute discretion (unless this Deed expressly specifies otherwise).

2 The Bid

2.1 Offer by BidCo

- (a) The BidCo Shareholders must procure that:
 - (i) subject to clause 3.8, BidCo makes the Offer on terms and conditions that are not less favourable to Target Shareholders than the Agreed Bid Terms; and
 - (ii) without limiting this clause 2.1(a), publicly announce a proposal to make the Offer, in accordance with clause 8(a), promptly on the Announcement Date.
- (b) The Target represents and warrants that:
 - (i) the Target Board has met and considered the possibility of BidCo making the Bid; and
 - (ii) all of the Target Directors have informed the Target that, if the BidCo Shareholders comply with clause 2.1(a), they will:
 - (A) unanimously recommend that Target Shareholders accept the Offer to be made to them under the Bid; and
 - (B) accept, or procure the acceptance of, the Offer in respect of any Target Shares that they hold or have control over disposal of,

in each case in the absence of a Superior Proposal and subject to the Independent Expert opining that the Bid is fair and reasonable to Target Shareholders and the sale of the Ports Businesses and the BAPS Businesses is fair and reasonable to the holders of Target Shares whose votes are not to be disregarded.

2.2 Offer Consideration

- (a) If the Offer becomes unconditional, the Offer Consideration must be provided to holders of Acceptance Target Shares (or, in the case of a post-Offer compulsory acquisition, to the Target as trustee for holders of the Target Shares which are to be compulsorily acquired) as follows:
 - (i) the BidCo Shareholders must procure that BidCo pays the cash component (other than the Qube Cash Amount);
 - (ii) Qube must pay the Qube Cash Amount; and
 - (iii) Qube must issue the relevant Qube Shares,

subject to and in accordance with all applicable provisions of the Corporations Act and the terms of the Offer (including terms consistent with sections 619(3), 619(4) and 619(5) of the Corporations Act as notionally modified (in the case of section 619(3) and notionally inserted (in the case of sections 619(4) and 619(5)) by ASIC Class Order 13/521 which provide that, in the case of certain foreign or small parcel holders of Acceptance Target Shares, Qube Shares will be issued to a sale nominee rather than to those registered holders).
- (b) Qube must comply with the Qube Deed Poll. The Qube Deed Poll cannot be terminated or amended without the consent of all parties to this Deed, except for automatic termination of the Qube Deed Poll as provided in the Qube Deed Poll.

2.3 Reasonable endeavours regarding Conditions

Without prejudice to any other obligations of the parties under this Deed:

- (a) The Target must use its reasonable endeavours to satisfy, or procure the satisfaction of, the Conditions in paragraphs (h), (i), (j) and (n) of Schedule 1 as soon as practicable after the date of this Deed, to the extent that it is within its control.
- (b) Each party must, to the extent it is within their power to do so, use its reasonable endeavours to procure that the Conditions in paragraphs (a), (b), (c), (d), (e), (f), (g) and (m) of Schedule 1 are satisfied as soon as practicable after the date of this Deed (including, in the case of Qube and each BidCo Shareholder, by acting reasonably in considering the provision of undertakings or other concessions requested or required by the ACCC to facilitate ACCC clearance) and continue to be satisfied at all times until the last time that the relevant Condition provides that it is to be satisfied and there is no occurrence within its control or the control of any of its Related Corporations that would prevent any of the Conditions, which that party (alone or together with the other applicable party) must use reasonable endeavours to satisfy, being or remaining satisfied.
- (c) Without limiting anything else in this clause 2.3, the BidCo Shareholders, Qube and the Target must:
 - (i) promptly apply for all relevant Regulatory Approvals (as applicable);
 - (ii) take all steps it is responsible for as part of the Regulatory Approval process, including responding to any Governmental Agency in relation to the applications for the Regulatory Approvals at the earliest practicable time;

- (iii) promptly provide the others with all information reasonably requested by any Governmental Agency in connection with the applications for the Regulatory Approvals, including copies of all communications with any Governmental Agency in respect of obtaining the Regulatory Approvals;
- (iv) consult with the other parties in advance in relation to the progress of obtaining the Regulatory Approvals and provide the others with a draft copy of any submission or correspondence; and
- (v) provide the other parties or the relevant Governmental Agency with all assistance and information that it reasonably requests in connection with an application for a Regulatory Approval to be lodged by that other party,

provided that:

- (vi) no party is required to disclose materially Commercially Sensitive or Competitive Information to another party or information which would be damaging to the commercial or legal interests of the discloser or any of its Related Corporations, or information disclosure of which is not permitted by law; and
- (vii) the party applying for a Regulatory Approval is not prevented from taking any step (including communicating with a Government Agency) in respect of a Regulatory Approval if the other has not promptly responded under clause 2.3(c)(iv).

2.4 Variation of Offer

- (a) The Target acknowledges that BidCo may, subject to the Corporations Act, vary the terms and conditions of the Offer, provided that the varied terms and conditions are not less favourable to Target Shareholders than the Agreed Bid Terms.
- (b) The Target acknowledges that BidCo may, subject to the Corporations Act and clause 2.5, declare the Offer unconditional or extend the Offer Period at any time.

2.5 Waiver of Conditions

- (a) The Conditions in paragraphs (h), (k) and (m) of Schedule 1 are for the benefit of the BidCo Shareholders, Qube and the Target and may only be waived in accordance with applicable law and with the agreement in writing of the BidCo Shareholders, Qube and the Target. The Target must not unreasonably delay or withhold its agreement to waive the Condition in paragraph (k) of Schedule 1. The Target will consult with the BidCo Shareholders and Qube in good faith in connection with any proposal to waive the Condition in paragraph (k) of Schedule 1 and take into account all relevant matters including the existence of an acceptance facility, the number of Target Shares tendered into such facility and the likelihood that the conversion of acceptance instructions in that facility will result in BidCo and its Associates having a Relevant Interest in excess of 50.1% of all of the Target Shares on issue.
- (b) The Conditions in paragraphs (d), (e) and (f), of Schedule 1 are for the benefit of the BidCo Shareholders, Qube and the Target and may only be waived:
 - (i) with the agreement in writing of the BidCo Shareholders, Qube and the Target; or
 - (ii) in circumstances where:
 - (A) the Condition is not satisfied solely because any approval given by the ACCC is conditional (rather than unconditional); and

- (B) the BidCo Shareholders and Qube (as appropriate) have undertaken to the ACCC that they will comply with all such conditions,
with the agreement in writing of the BidCo Shareholders and Qube.
- (c) All of the Conditions in Schedule 1 other than those referred to in clauses 2.5(a) and 2.5(b) are for the sole benefit of the BidCo Shareholders and Qube and may be only be waived by the BidCo Shareholders and Qube (in their absolute discretion) in writing.
- (d) If a party waives the breach or non-fulfilment of any of the Conditions, that waiver does not prevent it from suing another party for any breach of this Deed that resulted in the breach or non-fulfilment of the Condition.
- (e) Waiver of a breach or non-fulfilment in respect of one Condition does not constitute:
 - (i) a waiver of breach or non-satisfaction of any other Condition resulting from that same event; or
 - (ii) a waiver of breach or non-satisfaction of that Condition resulting from any other event.

2.6 Termination on Failure of Conditions

- (a) If any event occurs which would, or in fact does, prevent any of the Conditions (other than the Condition in paragraph (l) of Schedule 1) from being satisfied by the End Date, the BidCo Shareholders, Qube and the Target must:
 - (i) consult in good faith to consider and if agreed determine whether the transaction contemplated by the Transaction Documents may proceed by way of alternative means or methods; and
 - (ii) consider in good faith and, if agreed, extend the End Date.
- (b) If the BidCo Shareholders, Qube and the Target are unable to reach agreement under clause 2.6(a) within five Business Days or the End Date, whichever is the earlier, after becoming aware of the relevant occurrence, then unless that Condition is waived by the BidCo Shareholders and Qube, or the Target, as provided in clause 2.5, then the BidCo Shareholders and Qube (acting jointly), or the Target, may terminate this Deed without any liability to the other parties because of that termination, unless the relevant occurrence or the failure of the Condition to be satisfied, arises out of a breach by the terminating party of clause 2.3 or 2.7 (for the avoidance of doubt, in such circumstances, the party which is not the terminating party of this Deed may still terminate this Deed). For the avoidance of doubt, nothing in this clause 2.6(b) affects the obligation of the Target to pay the BidCo Shareholders and Qube the Break Fee, if it is required to do so under clause 13.
- (c) Subject to any rights or obligations arising under or pursuant to clauses that are expressed to survive termination (including by virtue of clause 14.3), on termination of this Deed, no party shall have any rights against or obligations to any other party under this Deed except for those rights and obligations which accrued prior to termination.

2.7 Certain Notices

- (a) If the BidCo Shareholders, Qube or the Target become aware that any Condition has been satisfied, it must promptly notify each other party in writing of that fact.
- (b) If the BidCo Shareholders, Qube or the Target become aware of a breach or non-fulfilment of a Condition, or that an event has occurred that will or would be reasonably

likely to prevent a Condition from being satisfied, it must immediately notify each other party in writing of that fact.

- (c) The BidCo Shareholders, Qube and the Target (as the case may be) must promptly advise each other orally and in writing of any change or event causing, or which, so far as can reasonably be foreseen, would cause:
 - (i) a representation or warranty provided in this Deed by the relevant party to be false;
 - (ii) a breach or non-fulfilment of any of the Condition; or
 - (iii) a material breach of this Deed by the relevant party.

 - (iii) review or undertake factual accuracy review (as the case may be) of any subsequent material amendments to any of those drafts,

- (c) The Notice of Meeting must contain:
 - (i) the Shareholder Resolutions which, if passed by the requisite majorities of Target Shareholders, will mean that the Condition in paragraph (g) of Schedule 1 is satisfied;
 - (ii) subject to the BidCo Shareholders and Qube having provided to the Target the relevant information, a description of the Qube Promissory Notes referred to in Resolution 3 of the Shareholder Resolutions and the procedure by which a Target Shareholder can apply for such Qube Promissory Notes; and
 - (iii) a statement that the Target Board unanimously recommends that Target Shareholders vote in favour of the Shareholder Resolutions.

and will consult in good faith with the BidCo Shareholders and Qube with respect to any comments from the BidCo Shareholders, Qube and their respective Advisers on those drafts or those amendments.
- (e) As soon as practicable after the date of this Deed, Qube must:
 - (i) prepare and lodge with ASIC a prospectus and application form in relation to the Qube Promissory Notes which complies with the Corporations Act so that those documents are available to be given to any Target Shareholder who requests them after despatch of the Notice of Meeting; and

except to the extent that Qube has obtained ASIC relief or modifications.

The Target must consult with the BidCo Shareholders, and keep them informed on a timely basis, in relation to each application for an ATO Ruling and any dealings with the ATO in relation to each application for an ATO Ruling. The BidCo Shareholders shall have the right to modify or otherwise amend each application for an ATO Ruling to correct any factual errors contained in each such application.

3.6 Despatch of documentation

- (a) The Target agrees, and represents and warrants that all of the Target Directors have agreed, for the purpose of item 6 of section 633(1) of the Corporations Act, that the Offer and accompanying documents to be sent by BidCo to Target Shareholders in respect of the Bid (including the Bidder's Statement and acceptance form or forms) may be sent on a date nominated by the BidCo Shareholders or BidCo that is earlier than the date prescribed by item 6 of section 633(1) of the Corporations Act.
- (b) At the request of the BidCo Shareholders or BidCo, the Target must use all reasonable endeavours to ensure that the Bidder's Statement and the Target's Statement are dispatched in the same mail-out to Target Shareholders.

3.8 Failure to satisfy minimum bid price condition

- (a) If it becomes impossible for the Bid Condition in paragraph (I) of Schedule 1 to be satisfied in respect of a proposed Offer, the BidCo Shareholders must procure BidCo to make an Offer on Agreed Bid Terms on the earlier of:

- (ii) the date that is 4 clear months after the most recent date on which BidCo Shareholder or Qube or any of their respective Associates made a purchase of Target Shares for cash (the **Four Month Date**),
(the **Repeat Offer**).
- (b) This Deed will apply to the Repeat Offer as if it was the Offer and, to avoid doubt, if it becomes impossible for the Bid Condition in paragraph (I) of Schedule 1 to be satisfied in respect of the Repeat Offer, clause 3.8(a) will apply to the Repeat Offer.
- (c) Any Offer or Repeat Offer made on or after the Four Month Date will not include the Bid Condition in paragraph (I) of Schedule 1.

3.9 Offer extension

If the Offer becomes free from all of the Bid Conditions, the BidCo Shareholders will procure BidCo to extend the end date of the Offer to a date that is at least two weeks from the date that a notice is given to the ASX of that circumstance.

3.10 Alternative scheme of arrangement

If circumstances change such that the BidCo Shareholders and Qube reasonably form the view that BidCo's proposed acquisition of Target Shares at the Offer Consideration and on terms not less favourable to Target Shareholders than the Offer Terms can occur under a scheme of arrangement under Part 5.1 of the Corporations Act, the Target must upon the BidCo Shareholders' and Qube's joint request consider in good faith whether to amend this Deed to facilitate such a scheme and do such other things that are necessary in order for that scheme to be proposed and implemented.

Each party (**Representor**) acknowledges that:

- (a) in entering into this Deed the other party or parties relied on the representations and warranties provided to them by the Representor under this clause 10; and

- (b) it has not entered into this Deed in reliance on any warranty or representation made by or on behalf of any other party except those warranties and representations set out in this Deed. This acknowledgment does not prejudice the rights any party may have in relation to any information filed by any other party with ASX or ASIC.

10.8 Notifications

Each party will promptly advise the other parties in writing if it becomes aware of any fact, matter or circumstance that constitutes or may constitute a breach of any of the representations or warranties given by it under this clause 10.

10.9 Status of representations and warranties

Each representation and warranty in this clause 10:

- (a) is severable;
- (b) will survive the termination of this Deed; and
- (c) is given with the intent that liability under it will not be confined to breaches that are discovered prior to the date of termination of this Deed.

10.10 Survival of indemnities

Each indemnity in this Deed (including those in clauses 10.2, 10.4 and 10.6):

- (a) is severable;
- (b) is a continuing obligation;
- (c) constitutes a separate and independent obligation of the party giving the indemnity from any other obligations of that party under this Deed; and
- (d) survives the termination of this Deed.

10.11 Timing of representations and warranties

Each representation and warranty made or given under this clause 10 is given at the date of this Deed and repeated continuously thereafter until the close of the Offer Period, unless that representation or warranty is expressed to be given at a particular time, in which case it is given at that time.

11 Releases

11.1 Target directors and officers

- (a) The BidCo Shareholders and Qube release their respective rights, and agree with the Target that they will not make a claim, against any Target Indemnified Party (other than the Target and its Subsidiaries) as at the date of this Deed and from time to time in connection with:
 - (i) any breach of any representations and warranties of the Target or any Target Group Member in any Transaction Document; or
 - (ii) any disclosures containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where such Target Indemnified Party has not acted in good faith or has engaged in fraud or wilful misconduct. For the avoidance of doubt, nothing in this clause 11.1(a) limits the BidCo Shareholders' and Qube's rights to terminate this Deed under clause 14.2(a).

- (b) This clause 11.1 is subject to any restriction or limitation in the Corporations Act and will be read down accordingly.
- (c) The Target receives and holds the benefit of this clause 11.1 to the extent it relates to each Target Indemnified Party as trustee for each of them.

11.2 BidCo Shareholders' directors and officers

- (a) The Target releases its rights, and agrees with the BidCo Shareholders that it will not make a claim, against any Bidder Indemnified Party (other than the BidCo Shareholders and their respective Related Corporations) as at the date of this Deed and from time to time in connection with:
 - (i) any breach of any representations and warranties of a BidCo Shareholder in any Transaction Document; or
 - (ii) any disclosure containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where such Bidder Indemnified Party has not acted in good faith or has engaged in fraud or wilful misconduct. For the avoidance of doubt, nothing in this clause 11.2(a) limits the Target's rights to terminate this Deed under clause 14.2(b).
- (b) This clause 11.2 is subject to any restriction or limitation in the Corporations Act and will be read down accordingly.
- (c) The BidCo Shareholders receive and hold the benefit of this clause 11.2 to the extent it relates to each Bidder Indemnified Party as trustee for each of them.

11.3 Qube directors and officers

- (a) The Target releases its rights, and agrees with Qube that it will not make a claim, against any Qube Indemnified Party (other than Qube and its respective related bodies corporate) as at the date of this Deed in connection with:
 - (i) any breach of any representations and warranties of Qube in this Deed; or
 - (ii) any disclosure containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where such Qube Indemnified Party has not acted in good faith or has engaged in fraud or wilful misconduct. For the avoidance of doubt, nothing in this clause 11.3(a) limits the Target's rights to terminate this Deed under clause 14.2(b).
- (b) This clause 11.3 is subject to any restriction or limitation in the Corporations Act and will be read down accordingly.
- (c) Qube receives and holds the benefit of this clause 11.2 to the extent it relates to each Qube Indemnified Party as trustee for each of them.

12 Exclusivity

12.1 No shop and no talk

During the Exclusivity Period, the Target must not, and must ensure that each of its Representatives does not, directly or indirectly, without the prior written consent of the BidCo Shareholders and Qube:

- (a) **(no shop)** solicit, invite, encourage or initiate (including by the provision of non- public information to any Third Party) any inquiry, expression of interest, offer, proposal or discussion by any person in relation to, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal or communicate to any person an intention to do anything referred to in this clause 12.1(a); or
- (b) **(no talk)** subject to clause 12.2:
 - (i) participate in or continue any negotiations or discussions with respect to any inquiry, expression of interest, offer, proposal or discussion by any person to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal or participate in or continue any negotiations or discussions with respect to any actual, proposed or potential Competing Proposal;
 - (ii) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding an actual, proposed or potential Competing Proposal;
 - (iii) disclose or otherwise provide any non-public information about the business or affairs of the Target Group to a Third Party (other than a Governmental Agency that has a right to obtain that information and has sought it) with a view to obtaining, or which would reasonably be expected to encourage or lead to receipt of, an actual, proposed or potential Competing Proposal (including, without limitation, providing such information for the purposes of the conduct of due diligence investigations in respect of the Target Group); or
 - (iv) communicate to any person an intention to do anything referred to in the preceding paragraphs of this clause 12.1(b),

but nothing in this clause 12.1 prevents the Target from making normal presentations to brokers, portfolio investors and analysts in the ordinary course of business or promoting the merits of the Bid.

12.2 Fiduciary exception

Clause 12.1(b) does not prohibit any action or inaction by the Target or any of its Representatives in relation to an actual, proposed or potential Competing Proposal if compliance with that clause would, in the opinion of the Target Board, formed in good faith after receiving written advice from its external legal advisers, constitute, or would be likely to constitute, a breach of any of the fiduciary or statutory duties of the Target Directors, provided that any actual, proposed or potential Competing Proposal in question was not directly or indirectly brought about by, or facilitated by, a breach of clause 12.1(a).

12.3 Notification of approaches

- (a) During the Exclusivity Period, the Target must as soon as possible notify the BidCo Shareholders and Qube in writing if it, or any of its Representatives, becomes aware of any:
 - (i) negotiations or discussions, approach or attempt to initiate any negotiations or discussions, or intention to make such an approach or attempt to initiate any negotiations or discussions in respect of any inquiry, expression of interest, offer, proposal or discussion in relation to an actual, proposed or potential Competing Proposal;

- (ii) proposal made to the Target or any of its Representatives, in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Competing Proposal; or
- (iii) provision by the Target or any of its Representatives of any non-public information concerning the business or operations of the Target or the Target Group to any Third Party in connection with an actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise. For the avoidance of doubt, any of the acts described in clauses 12.3(a)(i) to 12.3(a)(iii) may only be taken by the Target if not proscribed by clause 12.1 or if permitted by clause 12.2.

- (b) A notification given under clause 12.3(a) must include the identity of the relevant person making or proposing the relevant actual, proposed or potential Competing Proposal, together with all material terms and conditions of the actual, proposed or potential Competing Proposal.

12.4 Matching right

- (a) Without limiting clause 12.1, during the Exclusivity Period, the Target:
 - (i) must not enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which a Third Party, the Target or both proposes or propose to undertake or give effect to an actual, proposed or potential Competing Proposal; and
 - (ii) must use its best endeavours to procure that none of the Target Directors change their recommendation in favour of the Bid to publicly recommend an actual, proposed or potential Competing Proposal (or recommend against the Bid),

unless:

 - (iii) the Target Board acting in good faith and in order to satisfy what the Target Board members consider to be their statutory or fiduciary duties (having received written advice from its external legal advisers) determines that the Competing Proposal would be or would be likely to be an actual, proposed or potential Superior Proposal;
 - (iv) the Target has provided the BidCo Shareholders and Qube with the material terms and conditions of the actual, proposed or potential Competing Proposal, including price and the identity of the Third Party making the actual, proposed or potential Competing Proposal;
 - (v) the Target has given the BidCo Shareholders and Qube at least five Business Days after the date of the provision of the information referred to in clause 12.4(a)(iv) to provide a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal; and
 - (vi) the BidCo Shareholders and Qube have not announced a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal by the expiry of the five Business Day period in clause 12.4(a)(v).
- (b) If the BidCo Shareholders and Qube propose to the Target, or announces, amendments to the Bid or a new proposal that constitute a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Bidder Counterproposal**) by the expiry of the five Business Day period in clause 12.4(a)(v), the Target must procure that the Target Board considers the Bidder Counterproposal and if the Target Board,

acting reasonably and in good faith, determines that the Bidder Counterproposal would provide an equivalent or superior outcome for Target Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Bidder Counterproposal, then the Target and the BidCo Shareholders and Qube must use their best endeavours to agree the amendments to this Deed that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable, and the Target must use its best endeavours to procure that each Target Director continues to recommend the Bid (as modified by the Bidder Counterproposal) to Target Shareholders.

12.5 Cease discussions

- (a) The Target must cease any discussions or negotiations existing as at the date of this Deed relating to:
 - (i) any actual, proposed or potential Competing Proposal; or
 - (ii) any transaction that would, or would reasonably be expected to, reduce the likelihood of success of the Bid.
- (b) As soon as practicable, and in any event within five Business Days, following the date of this Deed, to the extent it has not already done so, the Target must:
 - (i) request in writing (and diligently enforce) the immediate return or destruction of all the Target's confidential information that has been provided to any Third Party since 30 June 2014 under a confidentiality agreement in relation to an actual, proposed or potential Competing Proposal (excluding any information provided under or in connection with the confidentiality agreement dated 15 June 2015 between the Target and Brookfield Infrastructure Group (Australia) Pty Limited, as amended) and terminate those persons' access to the Target's confidential information on an ongoing basis;
 - (ii) seek Court orders to cancel the scheme meeting proposed by the Brookfield Implementation Deed (and confirm to the BidCo Shareholders and Qube in writing once such orders have been received); and
 - (iii) confirm in writing that the Brookfield Implementation Deed has been terminated.
- (c) The Target will consult with the BidCo Shareholders and Qube in connection with the enforcement of any rights agreed by the Target with Third Parties in connection with the provision of confidential information including standstill obligations.

12.6 Provision of information

During the Exclusivity Period, the Target must as soon as possible provide the BidCo Shareholders and Qube with:

- (a) in the case of written materials, a copy of; and
- (b) in any other case, a written statement of,

any non-public information about the business or affairs of the Target or the Target Group disclosed or otherwise provided to any Third Party in connection with an actual, proposed or potential Competing Proposal that has not previously been provided to the BidCo Shareholders and Qube (provided that it will not be obliged to so comply in respect of any information provided to Brookfield in connection with a Brookfield Proposal prior to the date of this Deed). For the avoidance of doubt, any such provision of information to a Third Party may only be undertaken if permitted by clause 12.2. Nothing in this clause 12.6 requires the Target to provide any Commercially Sensitive or Competitive Information to Qube, but this is subject to 4.6.

12.7 Legal advice

The Target represents and warrants to the BidCo Shareholders and Qube that:

- (a) prior to entering into this Deed, it has received legal advice on this Deed and the operation of this clause 12; and
- (b) it and the Target Board consider this clause 12 to be fair and reasonable and that it is appropriate to agree to the terms in this clause 12 in order to secure the significant benefits to it, and Target Shareholders, resulting from the transactions contemplated hereby.

13 Break Fee**13.1 Background to Break Fee**

- (a) The BidCo Shareholders, Qube and the Target acknowledge that, if they enter into this Deed and subsequently the Bid is not implemented, the BidCo Shareholders and Qube will incur significant costs, including those set out in clause 13.4.
- (b) In these circumstances, the BidCo Shareholders and Qube have requested that provision be made for the payments outlined in clause 13.2, without which the BidCo Shareholders and Qube would not have entered into this Deed or without which the BidCo Shareholders would not procure that BidCo make the Bid.
- (c) The Target Board believes, having taken advice from the Target's Advisers, that the implementation of the Bid will provide benefits to the Target and that it is appropriate for the Target to agree to the payments referred to in clause 13.2 in order to secure the BidCo Shareholders' and Qube's participation in the Bid.

13.2 Break Fee triggers

The Target must pay the Break Fee to the BidCo Shareholders and Qube or their respective nominees, without set-off or withholding, if:

- (a) a Competing Proposal of any kind is announced during the Exclusivity Period (whether or not such proposal is stated to be subject to any pre-conditions) and, within 12 months of the date of such announcement:
 - (i) the Third Party or any Associate of that Third Party completes a Competing Proposal of a kind referred to in any of paragraphs (b), (c) or (d) of the definition of Competing Proposal, or a Competing Proposal of that kind involving the Third Party or any Associate of that Third Party becomes unconditional; or
 - (ii) without limiting clause 13.2(a)(i), the Third Party or any Associate of that Third Party acquires Control of the Target;
- (b) within 12 months after the date of this Deed, any Brookfield Proposal which was announced prior to the date of this Deed either:
 - (i) completes and any Brookfield Group Entity, or the acquiring entity under any such Brookfield Proposal, has a Relevant Interest in at least 50.1% of the Target Shares; or
 - (ii) becomes unconditional and any Brookfield Group Entity, or the bidder entity under any such Brookfield Proposal has a Relevant Interest in at least 50.1% of the Target Shares; or
- (c) the BidCo Shareholders and Qube terminate this Deed pursuant to clause 14.1(a)(i).

13.3 Timing of payment of Break Fee

- (a) A demand by the BidCo Shareholders and Qube for payment of the Break Fee under clause 13.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate one or more accounts into which the Break Fee must be paid.
- (b) The Target must pay the Break Fee into each account nominated by each BidCo Shareholder and Qube, without set-off or withholding, within two Business Days after receiving a demand for payment (and prior to any reconstitution of the Target Board following a Competing Proposal becoming unconditional) where the BidCo Shareholders and Qube are entitled under clause 13.2 to the Break Fee in their Consortium Respective Proportions.

13.4 Basis of Break Fee

The Break Fee has been calculated to reimburse the BidCo Shareholders and Qube for costs including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Bid (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Bid or in not engaging in other alternative transactions or strategic initiatives, including costs arising from the BidCo Shareholders and Qube being associated with a failed transaction and its resulting loss in market position;
- (c) costs of management and directors' time in planning and implementing the Bid; and
- (d) out of pocket expenses incurred by the BidCo Shareholders, Qube and their respective employees, advisers and agents in planning and implementing the Bid,

and the parties agree that:

- (e) the costs actually incurred by the BidCo Shareholders and Qube will be of such a nature that they cannot all be accurately ascertained; and
- (f) the Break Fee is a genuine and reasonable pre-estimate of those costs.

13.5 Compliance with law

- (a) This clause 13 does not impose an obligation on the Target to pay the Break Fee to the extent (and only to the extent) that the obligation to pay the Break Fee:
 - (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
 - (ii) is determined to be unenforceable or unlawful by a court,

provided that all proper avenues of appeal and review, judicial and otherwise, have been exhausted. For the avoidance of doubt, any part of that fee that would not constitute 'unacceptable circumstances' or that is not unenforceable or unlawful (as applicable) must be paid by the Target.
- (b) The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 13.5(a).

13.6 Break Fee payable only once

Where the Break Fee becomes payable to the BidCo Shareholders and Qube under clause 13.2 and is actually paid to the BidCo Shareholders and Qube, the BidCo Shareholders and Qube cannot make any claim against the Target for payment of any subsequent Break Fee.

13.7 Other Claims

Notwithstanding any other provision of this Deed but subject to clause 13.6:

- (a) the maximum liability of the Target to the BidCo Shareholders and Qube under or in connection with this Deed including in respect of any breach of the Agreement will be the amount of the Break Fee;
- (b) a payment by the Target in accordance with this clause 13 represents the sole and absolute liability of the Target under or in connection with this Deed and no further damages, fees, expenses or reimbursements of any kind will be payable by the Target to the BidCo Shareholders and Qube in connection with this Deed;
- (c) the amount paid to the BidCo Shareholders and Qube under this clause 13 shall be reduced by the amount of any loss or damage recovered in relation to a breach of clause 12 or any other clause of this Deed; and
- (d) where clause 13.7(c) applies and the amount payable by the Target under this clause 13 has already been paid, the BidCo Shareholders and Qube must, within two Business Days after the event contemplated by clause 13.7(c) which would have reduced the amount payable, refund an amount to the Target which is equivalent to that calculated under clause 13.7(c), with each BidCo Shareholder and Qube responsible for their Consortium Respective Proportion of the refund.

13.8 No Break Fee if Bid proceeds

Despite anything to the contrary in this Deed, no Break Fee will be payable if Completion occurs, notwithstanding the occurrence of any event in clause 13.2 and, if a Break Fee has already been paid it must be refunded by the BidCo Shareholders and Qube, with each BidCo Shareholder and Qube responsible for their Consortium Respective Proportion of the refund.

14 Termination**14.1 Termination for material breach**

- (a) The BidCo Shareholders and Qube (acting jointly) or the Target party may terminate this Deed by written notice to each other party:
 - (i) other than in respect of a breach of representation or warranty provided by the BidCo Shareholders, Qube or the Target (which are dealt with in clause 14.2), at any time before the close of the Offer Period, if a party has materially breached this Deed, the party or parties entitled to terminate has given written notice to the party in breach of this Deed setting out the relevant circumstances and stating an intention to terminate this Deed, and the party in breach has failed to remedy the breach within five Business Days after the date on which the notice is given;
 - (ii) at any time before the close of the Offer Period if a Governmental Agency has taken any action permanently restraining or otherwise prohibiting or preventing the Bid or completion of the Ports Sale Agreement or BAPS Sale Agreement, or has refused to do any thing necessary to permit the Bid or completion of the Ports Sale Agreement or BAPS Sale Agreement to proceed, and the action or refusal has become final and cannot be appealed or reviewed;

- (iii) in the circumstances set out in, and in accordance with, clause 2.6; or
 - (iv) if BidCo withdraws the Bid or the Bid lapses for any reason, including non-satisfaction of a Condition; or
 - (v) if the Conditions have not been satisfied or waived on or before the End Date.
- (b) The BidCo Shareholders and Qube (acting jointly) may terminate this Deed by written notice to the Target at any time before the close of the Offer Period if:
 - (i) a Target Material Adverse Change or a Target Prescribed Occurrence occurs; or
 - (ii) any Target Board member fails to recommend the Bid or any Target Board member withdraws, adversely revises or adversely modifies his or her recommendation that Target Shareholders accept the Offer made to them or any Target Board member makes a public statement indicating that he or she no longer recommends the Bid or recommending, supporting or endorsing another transaction (including any Competing Proposal).
- (c) The Target may terminate this Deed by written notice to the BidCo Shareholders and Qube at any time before the close of the Offer Period if:
 - (i) a Qube Material Adverse Change or a Qube Prescribed Occurrence occurs; or
 - (ii) the Target Board or a majority of the Target Board has changed or withdrawn its recommendation as permitted under clause 7.2(b) and the Target has complied with all of its obligations under clause 13.

14.2 Termination for breach of representations and warranties

- (a) The BidCo Shareholders and Qube (acting jointly) may, at any time before the close of the Offer Period, terminate this Deed for breach of a representation or warranty given by the Target only if:
 - (i) the BidCo Shareholders and Qube have given written notice to the Target setting out the relevant circumstances and stating an intention to withdraw the Bid or allow the Bid to lapse;
 - (ii) the relevant breach continues to exist five Business Days after the date on which the notice is given under clause 14.2(a)(i); and
 - (iii) the relevant breach is material in the context of the Bid taken as a whole.
- (b) The Target may, at any time before the close of the Offer Period, terminate this Deed for breach of a representation or warranty given by the BidCo Shareholders or Qube only if:
 - (i) the Target has given written notice to the BidCo Shareholders or Qube (as the case requires) setting out the relevant circumstances and stating an intention to terminate;
 - (ii) the relevant breach continues to exist five Business Days after the date on which the notice is given under clause 14.2(b)(i); and
 - (iii) the relevant breach is material in the context of the Bid taken as a whole.
- (c) This Deed is terminable if agreed to in writing by the BidCo Shareholders, Qube and the Target.

14.3 Effect of termination

If this Deed is terminated under clause 2.6, 14.1 or 14.2:

- (a) each party will be released from its obligations under this Deed, except that this clause 14.3, and clauses 1, 9, 10, 11, 13, 15, 16, 17, 18 (except clause 18.7), will survive termination and remain in force;
- (b) each party will retain the rights it has or may have against each other party in respect of any past breach of this Deed; and
- (c) in all other respects, all future obligations of the parties under this Deed will immediately terminate and be of no further force and effect including any further obligations in respect of the Bid.

14.4 Termination

Where a party has a right to terminate this Deed, that right for all purposes will be validly exercised if the party delivers a notice in writing to each other party stating that it terminates this Deed and the provision under which it is terminating this Deed.

14.5 No other termination

No party may terminate or rescind this Deed except as permitted under clause 2.6, 14.1 or 14.2.

15 GST

15.1 Recovery of GST

All consideration provided under this Deed is exclusive of GST unless it is specifically expressed to be GST inclusive. If GST is payable, or notionally payable, on a supply made under or in connection with this Deed, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**). Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time that the other consideration for the supply is provided. This clause does not apply to the extent that the consideration for the supply is expressly stated to be GST inclusive or the supply is subject to reverse charge.

15.2 Liability net of GST

Where any indemnity, reimbursement or similar payment under this Deed is based on any cost, expense or other liability, it must be reduced by any input tax credit entitlement, or notional input tax credit entitlement, in relation to the relevant cost, expense or other liability.

15.3 Adjustment events

If an adjustment event occurs in relation to a supply made under or in connection with this Deed, the GST Amount will be recalculated to reflect that adjustment and an appropriate payment will be made between the parties.

15.4 Cost exclusive of GST

Any reference in this Deed to a cost, expense or other similar amount (**Cost**) is a reference to that Cost exclusive of GST.

15.5 Survival

This clause 15 will not merge upon completion and will continue to apply after expiration or termination of this Deed.

15.6 Definitions

Unless the context requires otherwise, words and phrases used in this clause that have a specific meaning in the GST law (as defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) will have the same meaning in this clause.

16 Trustee Limitation of Liability

Notwithstanding any other provision in this Deed:

- (a) Global Infrastructure Management Australia Pty Ltd (ACN 132 664 745) (the **Trustee**) enters into this Deed only in its capacity as trustee of the GIP Bell Australia Unit Trust (the **Trust**) and in no other capacity. A liability arising under or in connection with this Deed is limited to and can be enforced against the Trustee only to the extent to which it can be satisfied out of property of the Trust out of which the Trustee is actually indemnified for the liability. This limitation of the Trustee's liability applies despite any other provision of this Deed and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this Deed.
- (b) The parties other than the Trustee may not sue the Trustee in any capacity other than as trustee of the Trust, including to seek the appointment of a receiver (except in relation to property of the Trust), a liquidator, an administrator or any similar person to the Trustee or prove in any liquidation, administration or arrangement of or affecting the Trustee (except in relation to property of the Trust).
- (c) The provisions of this clause 16 shall not apply to any obligation or liability of the Trustee to the extent that it is not satisfied because under the trust deed establishing the Trust or by operation of law there is a reduction in the extent of the Trustee's indemnification out of the assets of the Trust, as a result of the Trustee's fraud, negligence or wilful default.
- (d) No act or omission of the Trustee (including any related failure to satisfy its obligations or breach of representation or warranty under this Deed) will be considered fraud, negligence or wilful default of the Trustee for the purpose of clause 16(c) to the extent to which the act or omission was caused or contributed to by any failure by any other person to fulfil its obligations relating to the Trust or by any other act or omission of any other person.
- (e) No attorney, agent, receiver or receiver and manager appointed in accordance with this Deed has authority to act on behalf of the Trustee in a way which exposes the Trustee to any personal liability and no act or omission of any such person will be considered fraud, negligence or wilful default of the Trustee for the purposes of clause 16(c).
- (f) The Trustee is not obliged to do or refrain from doing anything under this Deed (including incur any liability) unless the Trustee's liability is limited in the same manner as set out in clauses 16(a) to 16(c).

18 Miscellaneous

18.1 No waiver

A failure to exercise or a delay in exercising any right, power or remedy under this Deed does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

18.2 Remedies cumulative

The rights, powers and remedies provided to each party in this Deed are in addition to, and do not exclude or limit, any right, power or remedy provided by law or equity or by any agreement.

18.3 Entire agreement

This Deed and the Confidentiality Agreement contain the entire agreement between the parties with respect to their subject matter. They set out the only conduct, representations, warranties, covenants, conditions, agreements or understandings (collectively **Conduct**) relied on by the parties and supersede all earlier Conduct by or between the parties in connection with their subject matter. No party has relied on or is relying on any other Conduct in entering into this Deed and completing the transactions contemplated by it. If there is any inconsistency between the provisions of this Deed and the provisions of a Confidentiality Agreement, the provisions of this

Deed will prevail to the extent of any inconsistency and the provisions of the Confidentiality Agreement will be construed accordingly.

18.4 Amendment

This Deed may be amended only by another agreement executed by the parties.

18.5 Assignment

No party can assign, charge, encumber or otherwise deal with any of its rights or obligations under this Deed, or attempt or purport to do so, without the prior written consent of each other party.

18.6 No merger

The rights and obligations of the parties will not merge on the completion of any transaction contemplated by this Deed. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing a transaction.

18.7 Further assurances

Each party must do anything necessary (including executing agreements and documents) to give full effect to this Deed and the transactions contemplated by it.

18.8 Costs and duty

- (a) Except as otherwise provided in this Deed, each party must pay its own costs and expenses in connection with the negotiation, preparation, execution and performance of this Deed and the proposed, attempted or actual implementation of this Deed and the Bid.
- (b) The BidCo Shareholders and Qube in their Consortium Respective Proportions:
 - (i) must pay all stamp duty and any fines, penalties and interest with respect to such stamp duty in respect of this Deed or any transaction evidenced by this Deed; and
 - (ii) indemnify the Target against any liability arising from their failure to comply with clause 18.8(b)(i),

except to the extent otherwise agreed by the parties or except to the extent that another Transaction Document provides that such stamp duty and any fines, penalties and interest with respect to such stamp duty is to be borne by a particular person or persons.

18.9 Severability of provisions

Any provision of this Deed that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this Deed nor affect the validity or enforceability of that provision in any other jurisdiction.

18.10 Service of process

Without preventing any other mode of service, any document in action (including any writ of summons or other originating process) or any third or other party notice) may be served on any party by being delivered to or left for that party at its address for service of notices under clause 17.

18.11 Governing law and jurisdiction

This Deed is governed by the laws of New South Wales, Australia. In relation to it and related non-contractual matters each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there.

18.12 Counterparts

This Deed may be executed in any number of counterparts. All counterparts together will be taken to constitute one instrument.
