### **ABOUT ISENTRIC LIMITED (ASX: ICU)**

iSentric provides software based mobility platforms and services that enable its customers to extend their information technology applications to any mobile device and integrate mobile technology throughout their existing business. iSentric also works with telecommunication network providers to provide mobile OTT (over-the-top) services that leverage their subscriber base to build active communities.

iSentric operates in the mobile services industry through three main divisions:

- Digital Payments - a mobile payment platform that enable consumers to make small financial transactions;
- Enterprise Mobility - a platform that delivers mobile connectivity, messaging and mobile banking to corporate clients; and
- Digital Content and Services which consists of an online mobile content aggregation platform and a proprietary game publishing network offering online games, mobile games, news and events
