ASX Release

Date: 16 July 2015

Listed Options Due to Expire

Tamaska Oil & Gas Limited (Tamaska) wishes to advise that 32,600,000 quoted options exercisable at \$0.50 will expire on 17 August 2015 (Options).

In accordance with the Listing Rules, Tamaska provides the following information:

- The quotation of the listed Options will end on 10 August 2015
- If an Option holder wishes to exercise their Options, payment is to be received by the Company no later than 13 August 2015
- Any Options not be exercised by the expiry date will lapse
- The latest available market price of the Options was \$0.001
- The latest price of the underlying TMK shares is \$0.005 per share
- The highest and lowest price within the last three months of the listed shares was \$0.008 and \$0.003
- The Options are not underwritten

The Company will not be sending out individual option expiry notices to option holders as the Company has received a waiver from the ASX under listing rule 6.24.

For and on behalf of the Board

Alexander Parks
Managing Director
Tamaska Oil & Gas Limited
