## **ASX Announcement**

23 July 2019

### **Trading Update**

MELBOURNE, Australia – SDI Limited (ASX: SDI) today announced that unaudited sales in Australian dollars increased by 6.8% to \$79.6 million for the twelve months ending 30 June 2019. When reported in local currencies sales increased by 2.5%. Sales growth was driven by the continued increase in Whitening and Aesthetic products, which was partially offset by the decline in Amalgam products.

The Company expects that this sales result will produce an after-tax profit in the range of \$7.0 million to \$7.5 million for the twelve months ending 30 June 2019, an increase of between 23% to 32%, compared to \$5.7 million for the same period last year.

It is expected that the full Year results (Appendix 4E) will be released on August 23, 2019.
