APN Asian REIT Fund (the Fund) is a registered managed investment scheme domiciled in Australia that invests into a portfolio of listed Asian Real Estate Investment Trusts (REITs). Dexus Asset Management Limited (previously known as APN Funds Management Limited) is the Responsible Entity and Manager of the Fund. The registered office of the Fund and its principal place of business is Level 30, 101 Collins Street, Melbourne, VIC, 3000.

HY22 Operating and Financial Review

Strategy

The principal activity of the Fund is to invest in property-based securities focused on Asian Real Estate Investment Trusts (“REITs”). The investment return objective is to provide investors with a consistent, relatively high level of income combined with some capital growth.

Review of operations - market update

The Asian REIT market enjoyed a recovery through 2021, continuing the positive momentum gained through the latter part of 2020 after the negative impact on markets experienced on account of the COVID-19 pandemic. Through calendar year 2021 Asian REITs returned 11.96% (in AUD terms), outperforming the Asian broader equities market that returned 3.21%. This occurred following a period of negative annual total return through calendar year 2020. Recent performance has highlighted the ability of select listed REITs to offer compelling returns in a pandemic affected world and rewarded those discerning investors who took advantage of attractive market opportunities as they presented. Yield seeking investors also continued to provide support.

Real estate sub-sector performance was dispersed across the various property types. In 2021, a continuation of pandemic assisted structural trends ensured industrial REITs were the greatest contributor to the sector's total return, which was a theme globally. REITs in the residential sector outperformed the overall sector given the greater resilience and stability in their earnings. Office REITs underperformed generally due to the persisting COVID-19 resurgences that impacted sentiment and further delayed the return of workers to the office. Retail REIT returns lagged but improved from the prior year due to better starting valuations, with some portfolios benefitting from the tenancy movements made during the initial months of the pandemic. Asset valuations were generally robust and supported by a significant amount of direct real estate transactions, demonstrating the large depth in capital markets and liquid demand for real estate globally.

Regional performance in absolute terms was positive across the key countries the APN Asian REIT Fund is invested. The Japan REIT market posted the best performance with a 13.91% return, followed by the Singapore REITs at 9.28% and the Hong Kong REITs following closely behind with a 7.79% return.

Financial result

The results of the operations of the Fund are disclosed in the Statement of Comprehensive Income. The Fund's total comprehensive loss was \$15,000 for the half year ended 31 December 2021 (31 December 2020: total comprehensive income \$1,309,000). The Fund continued to manage its assets in accordance with its governing documents and the Constitution.

Overview and outlook

We look forward to 2022 as a year of continuing solid performance for listed real estate in Asia. While interest rates remain low there is clear potential for increases in inflation at significantly higher levels than recent years, combined with the significant pressure on supply chains and employment these forces are underpinning price and wages growth across several developed economies and will likely see interest rates rise.

Despite bond yields and inflation expectations increasing significantly through 2021, the relatively strong performance of the listed REITs through this period in our view not only highlighted the resilience of many sectors despite the pandemic but reiterated the important structural characteristics of this liquid real asset class and its attractiveness to investors as a potentially strong inflation hedge. For select REITs, higher inflation may earn greater rental revenue as leases with inbuilt indexation clauses provide annual growth, working to offset increases in interest and other costs and supporting valuations. Couple with this a likely continuation in the pace of broader economic reopening and the outlook for the Asian REIT market appears attractive over the coming years.

Directors' Report

The Directors of Dexus Asset Management Limited (DXAM, previously known as APN Funds Management Limited) as the Responsible Entity of APN Asian REIT Fund present their Directors' Report together with the interim Financial Statements for the half year ended 31 December 2021.

Directors

The following persons were Directors of DXAM at all times during the half year and to the date of this Directors' Report, unless otherwise stated:

Directors	Appointed
Geoff Brunsdon AM, B.Com, CA, F Fin, FAICD ¹	19 October 2009
Howard Brenchley, BEc	16 March 1998
Jennifer Horrigan, BBus, GradDipMgt, GradDipAppFin, MAICD	30 April 2012
Michael Johnstone, BTRP, LS, AMP (Harvard)	25 November 2009
Deborah Coakley, BBus, GAICD ²	19 August 2021
Joseph De Rango, BCom, BBIS (IBL), MAICD - Alternate Director for Howard Brenchley	2 September 2019

1. On 2 February 2022, Mr Brunsdon announced his resignation from the DXAM Board effective 28 February 2022.
2. Ms Coakley was appointed an Executive Director on 19 August 2021.

Principal activities

The Fund is a registered managed investment scheme domiciled in Australia. The principal activity of the Fund is to invest in property-based securities focused on Asian Real Estate Investment Trusts ("REITs") and to provide investors with a consistent, relatively high level of income combined with some capital growth. There has been no significant change in the activities of the Fund during the half year period. The Fund did not have any employees during the period.

Review of results and operations

Information on the operations and financial position of the Fund and its business strategies and prospects is set out in the operating and financial review on page 2 of this Interim Report.

Significant changes in the state of affairs

During the six months to 31 December 2021, the Fund had the following significant changes in its state of affairs:

1. On 13 August 2021, Dexus PG Limited (DXPG, previously APN Property Group Limited or APN), the ultimate and immediate parent entity of DXAM was acquired by Dexus Nominee Pty Limited (an entity controlled by Dexus, listed on the ASX under code "DXS"). Accordingly, APN and its controlled entities are now wholly owned subsidiaries of Dexus.

Distributions

Distributions of \$1,641,000 were declared by the Fund during the half year ended 31 December 2021 (31 December 2020: \$1,474,000).

Details of distributions paid and/or payable during the half year are outlined in note 2 of the interim Financial Statements.

Auditor's Independence Declaration

A copy of the external Auditor's Independence Declaration, as required under section 307C of the *Corporations Act 2001* is set out on page 5.

Rounding of amounts and currency

As the Fund is an entity of the kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, the Directors have chosen to round amounts in this Directors' Report and the accompanying interim Financial Statements to the nearest thousand dollars, unless otherwise indicated. All figures in this Directors' Report and the interim Financial Statements, except where otherwise stated, are expressed in Australian dollars.

Directors' authorisation

The Directors' Report is made in accordance with a resolution of the Directors. The interim Financial Statements were authorised for issue by the Directors on 23 February 2022.

Notes to the Financial Statements

In this section

This section sets out the basis upon which the Fund's interim Financial Statements are prepared.

Basis of preparation

These general purpose interim Financial Statements have been prepared in accordance with the requirements of the Constitution of the Fund, the *Corporations Act 2001* and AASB 134 *Interim Financial Reporting* issued by the Australian Accounting Standards Board.

These interim Financial Statements do not include notes of the type normally included in an annual financial report. Accordingly, these interim Financial Statements should be read in conjunction with the annual Financial Statements for the year ended 30 June 2021.

The accounting policies and methods of computation adopted in the preparation of the interim Financial Statements are consistent with those adopted and disclosed in the Fund's annual Financial Statements for the financial year ended 30 June 2021. Those accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards. Where required, comparative information has been restated for consistency with the current period's presentation.

The interim Financial Statements are presented in Australian dollars, with all values rounded to the nearest thousand dollars in accordance with *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*, unless otherwise stated.

The interim Financial Statements have been prepared on a going concern basis using historical cost conventions, except for investments in listed equities which are recorded at fair value within *Financial assets at fair value through profit or loss* in the Statement of Financial Position.

The interim Financial Statements were authorised for issue by the Directors on 23 February 2022.

Going concern

The Directors of the Responsible Entity of the Fund remain of the opinion that the Fund can continue as a going concern considering its underlying investments are fully liquid, diversified and will be able to meet redemption requests as per the Fund's Product Disclosure Statement ("PDS").

The interim Financial Statements have therefore been prepared on a going concern basis.

Critical accounting estimates

The preparation of the interim Financial Statements requires the use of certain critical accounting estimates and management to exercise its judgement in the process of applying the Fund's accounting policies.

The economic impacts resulting from the Government imposed restrictions in a response to the COVID-19 pandemic, have the potential to impact various financial statement line items including financial assets at fair value through profit or loss and expenses.

In the process of applying the Fund's accounting policies, management has made a number of judgements and applied estimates in relation to COVID-19 related uncertainties. Other than these and the estimates and assumptions used for the measurement of items held at fair value such as certain financial instruments, no key assumptions concerning the future or other estimation of uncertainty at the end of each reporting period could have a significant risk of causing material adjustments to the interim Financial Statements. Whilst the COVID-19 pandemic may have impacted listed equity prices, it does not create any greater degree of judgement or estimate in financial reporting as prices of the Fund's investments are quoted in active markets.

Notes to the Financial Statements (continued)

Basis of preparation (continued)

The Notes to the interim Financial Statements are organised into the following sections:

Fund performance	Capital structure and risk management	Other disclosures
1. Operating segments	3. Fair value measurement	6. Related party transactions
2. Distributions paid and payable	4. Commitments and contingencies	7. Subsequent events
	5. Contributed equity	

Fund performance

In this section

This section explains the results and performance of the Fund.

It provides additional information about those individual line items in the interim Financial Statements that the Directors of the Responsible Entity consider most relevant in the context of the operations of the Fund, including operating segments and distributions paid and payable.

Note 1 Operating segments

The Fund derives its income in the form of distributions from listed property securities and is deemed to have only one operating segment which is consistent with the reporting reviewed by the chief operating decision makers.

Note 2 Distributions paid and payable

	31 Dec 2021		31 Dec 2020	
	Cents per unit	\$'000	Cents per unit	\$'000
Distributions paid during the period	4.1665	1,366	4.1665	1,227
Distributions payable	0.8333	275	0.8333	247
Total distributions paid and payable	4.9998	1,641	4.9998	1,474

Capital structure and risk management

In this section

The Directors of the Responsible Entity determines the appropriate capital structure of the Fund, and how much is raised from unitholders (equity) in order to finance the Fund's activities both now and in the future. This capital structure is detailed in the following notes:

- Assets and liabilities: *Fair value measurement* in note 3 and *Commitments and contingencies* in note 4;
- Equity: *Contributed equity* in note 5.

Note 3 Fair value measurement

The Fund uses the following methods in the determination and disclosure of the fair value of financial instruments:

Level 1: the fair value is calculated using quoted prices in active markets.

Level 2: the fair value is determined using inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: the fair value is estimated using inputs for the asset or liability that are not based on observable data.

All listed equities included within *Financial assets recognised at fair value through profit or loss* were measured at Level 1 for the periods presented in this report.

During the half year, there were no transfers between Level 1, 2 and 3 fair value measurements.

Note 4 Commitments and contingencies

The Directors of the Responsible Entity are not aware of any commitments or contingent liabilities in relation to the Fund (30 June 2021: nil), other than those disclosed in the interim Financial Statements, which should be brought to the attention of unitholders as at the date of completion of this report.

Other disclosures

In this section

This section includes other information that must be disclosed to comply with the Accounting Standards, the *Corporations Act 2001* or the Corporations Regulations.

Note 6 Related party transactions

Transactions with key management personnel

The Fund does not employ personnel in its own right. However, it is required to have a Responsible Entity to manage the activities of the Fund. As such there are no staff costs (including fees paid to Directors of the Responsible Entity) included in the Statement of Comprehensive Income.

Transactions with the Responsible Entity and related body corporates

The Responsible Entity and Manager of APN Asian REIT Fund is DXAM. On 13 August 2021, Dexus PG Limited (ACN 109 846 068), the ultimate and immediate parent entity of DXAM was acquired by Dexus Nominee Pty Limited (an entity controlled by Dexus). Effective from that date, APN and its controlled entities are wholly owned subsidiaries of Dexus. DXAM's immediate parent entity is Dexus PG Limited (previously APN Property Group Limited).

Accordingly, transactions with entities related to Dexus PG Limited are disclosed below:

	31 December 2021		31 December 2020

¹ Management fees, registry fees and accounting fees disclosed above excludes expense recoveries – Management Expense Ratio (“MER”) rebates.

² Net expense recoveries and MER rebates are presented net of the expenses that the Responsible Entity is entitled to recover as and when they are incurred in the Statement of Comprehensive Income.

Other disclosures (continued)

Note 6 Related party transactions (continued)

Unitholdings and associated transactions with related parties

The Responsible Entity, its key management personnel and their related parties hold units in the Fund, either directly, indirectly or beneficially as outlined below. Eligible DXPG Limited employees are able to acquire units in the Fund at a reduced Management Expense Ratio (MER) compared with other unitholders in the Fund.

Total	792,282	39,718	1,808,884	80,254

¹ Mr Aylward and Mr Appleton resigned as a Director of Dexus PG Limited on 13 August 2021.

Related party investments held by the Fund

The Fund may acquire investments in entities that are also managed by Dexus PG Limited or its related body corporates (Related Parties), in accordance with its Product Disclosure Statement. The Fund did not hold any interests in related parties as at the half year end or throughout the period.

Note 7 Subsequent events

There remains significant uncertainty regarding how the COVID-19 pandemic will evolve, including the duration of the pandemic, the severity of the downturn and the speed of economic recovery. In accordance with AASB 110 *Events after the Reporting Date*, the Fund considered whether events after the reporting period confirmed conditions that existed before the reporting date, e.g., bankruptcy of customers. Consideration was given to the macro-economic impact of COVID-19 including any government imposed restrictions or border closures since 31 December 2021, and the Fund concluded that the amounts recognised in the interim Financial Statements and the disclosures therein are appropriate. The economic environment is subject to rapid change and updated facts and circumstances continue to be closely monitored by the Fund.

Since the end of the period, other than the matters disclosed above, the Directors are not aware of any matter or circumstance not otherwise dealt with in their Directors' Report or the interim Financial Statements that has significantly or may significantly affect the operations of the Fund, the results of those operations, or state of the Fund's affairs in future financial periods.

Directors' Declaration

In the Directors' opinion:

- a) The interim Financial Statements and Notes set out on pages 6 to 15 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Australian Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Fund's financial position as at 31 December 2021 and of its performance for the half year ended on that date.
- b) There are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

Independent auditor's review report to the unitholders of APN Asian REIT Fund

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of APN Asian REIT Fund (the Fund) which comprises the statement of financial position as at 31 December 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, significant accounting policies and explanatory notes and the Directors' declaration of Dexus Asset Management Limited (the Responsible Entity).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Fund does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Fund's financial position as at 31 December 2021 and of its performance for the half-year ended on that date
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* (ASRE 2410). Our responsibilities are further described in the *Auditor's responsibilities for the review of the half-year financial report* section of our report.

We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibilities of the Directors of the Responsible Entity for the half-year financial report

The Directors of the Responsible Entity (the Directors) are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Fund's financial position as at 31 December 2021 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
