## **IOOF announces completion of unmarketable parcel share sale**

IOOF Holdings Limited (ASX: IFL, OTC: IOOFY) (IOOF) is pleased to announce that it has completed the sale of shares for holders of unmarketable parcels of IOOF shares.

This initiative was announced on 9 August 2016 and was completed for holders of parcels of IOOF shares with a market value of less than \$500 as at 5 August 2016, who did not elect to retain their shares. The facility was established in accordance with IOOF's Constitution and the ASX listing rules. There was no impact to the number of shares on issue.

A total of 5,358 shareholders with an aggregate of 113,676 shares participated in the share sale facility. These shares were sold on-market and the proceeds will be distributed to each unmarketable parcel shareholder on or before 19 October 2016.

The sale of unmarketable parcels is expected to reduce the administrative costs associated with maintaining a large number of small shareholdings.
