EQR APPOINTS FORMER AMBASSADOR, ANDREW GOLEDZINOWSKI AM, AS SENIOR ADVISOR GOVERNMENT RELATIONS

EQ Resources Ltd is a global tungsten producer with mining activities in Australia and Spain.

EQ Resources Limited ("EQR" or "the Company") is pleased to announce the appointment of Mr Andrew Goledzinowski as Senior Advisor Government Relations, effective from 1 July 2025.

Mr Goledzinowski AM had an outstanding career as an Australian senior diplomat stretching over 40 years and across various positions and jurisdictions. He will be advising the Company's leadership team in its ongoing strategic discussions with Government agencies within Australia, across Europe, in Vietnam and the US.

Mr Goledzinowski's career appointments include:

- Senior Fellow, Australia Vietnam Policy Institute (March 2025 – Present)
- Senior Partner, CMC Global Company Ltd (April 2025 – Present)
- Ambassador to Vietnam (September 2022 – March 2025)
- High Commissioner to Malaysia (January 2018 – July 2021)
- Ambassador for People Smuggling and Human Trafficking (January 2015 – January 2018)
- Ambassador and Deputy Permanent Representative to the UN (July 2008 – August 2011)
- Senior Adviser to the Australian Minister for Foreign Affairs (March 2006 – December 2007)
- Senior World Bank Representative in Iraq (2004)

Further details on Mr Andrew Goledzinowski can be found on his LinkedIn profile ([link](#)).

Commenting on the appointment, EQR Chairman Oliver Kleinhempel, said: "We have known Andrew for quite a while, I am therefore very pleased that we can welcome him to the team. Andrew has been a great supporter in his previous role as the Australian Ambassador to Vietnam, assisting EQR in building strong relationships within Vietnam, to customers such as Masan High-Tech Materials, or in relation to our due diligence work for the TMG smelter acquisition. Andrew is a fantastic addition, who understands Government requirements and capabilities on the one side, and business dynamics in a vastly changing environment on the other side. Everybody who knows him will confirm that critical minerals are a great passion of Andrew."
