About Amcor

Amcor is a global leader in developing and producing responsible packaging for food, beverage, pharmaceutical, medical, home- and personal-care, and other products. Amcor works with leading companies around the world to protect their products and the people who rely on them, differentiate brands, and improve value chains through a range of flexible and rigid packaging, specialty cartons, closures, and services. The company is focused on making packaging that is increasingly light-weighted, recyclable and reusable, and made using a rising amount of recycled content. Around 48,000 Amcor people generate US\$13 billion in sales from operations that span about 250 locations in 40-plus countries. NYSE: AMCR; ASX: ASC
