DIVIDENDS

We appreciate that providing sustainable and growing tax-effective dividend income is very important to our shareholders and Argo is proud to have paid dividends every year since it was established in 1946.

A significant advantage of our LIC structure is the ability to smooth dividend payments over time. In recent years, this flexibility has helped us maintain steadily growing dividends as the chart below highlights.

Argo has franked every dividend payment since the introduction of Australia's imputation system in 1987.
