

TALi receive FY2023 R&D Tax Incentive

TALi Digital Ltd (ASX: TD1, “TALi” or “the Company”) is pleased to report it has received \$666,813 from the Australian Taxation Office under the Federal Government’s Research and Development Tax Incentive (RDTI) Scheme for FY2023. The amount received is consistent with that disclosed in the Company’s annual report lodged with the ASX on 31 August 2023.

TALi will now repay in full the \$503,744 RDTI funding loan previously drawn down as part of the Victorian Government’s RDTI Cash Flow Loan Initiative in FY2022.

About TALi Digital

TALi Digital Limited (ASX: TD1) is a digital health company focused on delivering diagnostic and therapeutic solutions to enhance attention and overall cognitive function. The Company has built a patented platform technology with the first programs targeting cognitive attention skills during early childhood via an evidence-based screening tool (DETECT®) incorporated into training modules (TRAIN®, ReadyAttentionGo! and AttentionTime!).

These programs are designed to be play-based interactions and can be complementary to existing therapy, placing TALi at the forefront of improving early intervention for childhood attention and concentration performance, which supports our vision to deliver a personalised digital experience to enhance cognitive care.

With a continuous innovation focus, the Company’s existing technology opens a pathway to product developments relevant to ADHD (Attention Deficit Hyperactivity Disorder) and ASD (Autism Spectrum Disorder).
