RE: XRF Scientific Limited ('XRF'): Appendix 3Y – Change of Director's Interest Notice Query

See below for responses to questions relating to the late lodgement of an Appendix 3Y Change of Director's Interest Notice for David Kiggins by XRF Scientific Limited ("XRF" or "the Company") on 22 October 2024:

1. Please explain why the Appendix 3Y was lodged late.

The Appendix 3Y was lodged late due to an administrative oversight, following the recent participation of the Director in the Company's Dividend Reinvestment Plan. As soon as the oversight was identified the document was lodged with the ASX.

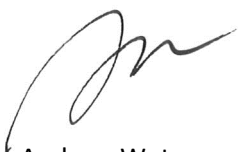

2. What arrangements does XRF have in place under Listing Rule 3.19B with its directors to ensure that it is able to meet its disclosure obligations under Listing Rule 3.19A?

The Company and its Directors are aware of their obligations under ASX Listing Rules 3.19A and 3.19B to provide the necessary information to the Company to meet its disclosure requirements. The Company has a securities trading policy in place which outlines our Directors' requirements to notify the Company of any changes in interests.

3. If the current arrangements are inadequate or not being enforced, what additional steps does XRF intend to take to ensure compliance with Listing Rule 3.19B?

The Company considers that the late lodgement is an isolated incident and believes that its current processes are adequate to ensure compliance with the ASX Listing Rules. However, a review will be performed to enhance compliance procedures where possible.

Yours sincerely,

Andrew Watson
Company Secretary

Dear Mr Stazzonelli and Mr Watson

XRF Scientific Limited ('XRF'): Appendix 3Y – Change of Director's Interest Notice Query

ASX refers to the following:

1. Listing Rule 3.19A which requires an entity to tell ASX the following:

3.19A.1 *'The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the following times.*

- *On the date that the entity is admitted to the official list.*
- *On the date that a director is appointed.*

The entity must complete Appendix 3X and give it to ASX no more than 5 business days after the entity's admission or a director's appointment.

3.19A.2 *A change to a notifiable interest of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) including whether the change occurred during a closed period where prior written clearance was required and, if so, whether prior written clearance was provided. The entity must complete Appendix 3Y and give it to ASX no more than 5 business days after the change occurs.*

3.19A.3 *The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the date that the director ceases to be a director. The entity must complete Appendix 3Z and give it to ASX no more than 5 business days after the director ceases to be a director.'*

2. Listing rule 3.19B which states that:

'An entity must make such arrangements as are necessary with a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) to ensure that the director discloses to the entity all the information required by the entity to give ASX completed Appendices 3X, 3Y and 3Z within the time period allowed by listing rule 3.19.A. The entity must enforce the arrangements with the director.'

The Notice indicates that a change in Mr Kiggins's notifiable interest occurred on 27 September 2024. It appears that the Notice should have been lodged with ASX by 4 October 2024. Consequently, XRF may have breached Listing Rules 3.19A and/or 3.19B. It also appears that Mr Kiggins may have breached section 205G of the *Corporations Act 2001* (Cth).
