- (a) Where FQM's rights under clause 5.2 and 7 are terminated under clause 8 but FQM still holds at least the Information Rights Voting Power, upon written request from FQM, Prospect will arrange quarterly meetings between Representatives of FQM and the Managing Director and Chief Financial Officer of Prospect to discuss the Project, with such meetings to be held in person at least once per year.

FQM acknowledges that from time to time information disclosed to FQM and its representatives (including through the exercise of rights under this clause 5) may be "inside information" within the meaning of Part 7.10, Division 3 of the Corporations Act in relation to Shares or other Equity Securities of Prospect. Without limiting anything else in this agreement, FQM must not do, and must ensure that none of its representatives does, anything which results or could result in FQM or its Representatives being in breach of any provision of Part 7.10, Division 3 of the Corporations Act, including by dealing or causing any person to deal in Shares or other Equity Securities of Prospect whilst in possession of "inside information", or of any analogous provisions of securities laws in other jurisdictions.

6 Participation Right

6.1 Grant of Participation Right

Subject to clauses 6.2, 6.3 and 8, and to the requirements of the ASX Listing Rules:

- (a) Prospect agrees that it will not make or complete a Prescribed Equity Offer unless FQM is first given a reasonable opportunity to participate in the Prescribed Equity Offer on terms no less favourable than to other subscribers and otherwise on terms as would enable FQM (through FQM's Participating Entity) to participate in the Prescribed Equity Offer on a pro rata basis to its then existing holding of Shares in Prospect (**Participation Right**);

- (b) if Prospect proposes to make any Prescribed Equity Offer, Prospect must notify FQM in writing, on a confidential basis, of any proposed Prescribed Equity Offer outlining the indicative material terms of the Prescribed Equity Offer (including the structure, quantum, and use of proceeds, the indicative subscription price or, if necessary given the nature of the Prescribed Equity Offer, the indicative discount to trading prices (or volume weighted trading prices) known to Prospect at the time (**Offer Notice**);
- (c) FQM will have a period of not less than 3 Business Days after receiving the Offer Notice (or such longer period that Prospect considers reasonable having regard to the nature of the proposed Prescribed Equity Offer) to provide a written commitment to participate (wholly or partly) in the Prescribed Equity Offer so notified (**Commitment Notice**); and
- (d) FQM's participation in a Prescribed Equity Offer (through FQM's Participating Entity) is limited to the extent that it would result in FQM's Voting Power not exceeding the greater of:
 - (i) 15%; and
 - (ii) FQM's Voting Power immediately prior to the Prescribed Equity Offer.

6.2 Prospect's and FQM's obligations

- (a) Where FQM gives a Commitment Notice in respect of a Prescribed Equity Offer in accordance with clause 6.1, Prospect will use all reasonable endeavours to facilitate FQM's Participating Entity's participation in the Prescribed Equity Offer (including seeking, and using all reasonable endeavours to obtain, all necessary approvals of Prospect's shareholders).
- (b) If FQM exercises its Participation Right in relation to a Prescribed Equity Offer, FQM shall co-operate (and procure that FQM's Participating Entity co-operates) with Prospect, and act reasonably, in relation to the processes by which Prospect seeks to obtain all necessary shareholder approvals in relation to the issue of Equity Securities (including having regard to the timing and cost of obtaining such approvals to minimise as far as practicable the requirement for Prospect to call and hold multiple shareholder meetings in short order).
- (c) If FQM's Participating Entity's participation in the Prescribed Equity Offer may only occur with an approval pursuant to the FATA (**FIRB Approval**), FQM may specify in its Commitment Notice that its Commitment Notice is subject to and conditional upon obtaining FIRB Approval. Without limiting clause 6.1, where FQM gives such a Commitment Notice in respect of a Prescribed Equity Offer in accordance with clause 6.1, Prospect will use all reasonable endeavours to facilitate FQM's Participating Entity's participation in the Prescribed Equity Offer provided that FIRB Approval is obtained within 60 days after the date of the applicable Commitment Notice.
- (d) Unless FQM and Prospect agree otherwise, if the Prescribed Equity Offer is in relation to an issue of Shares as a result of:
 - (i) the exercise or vesting of performance rights or zero exercise price options, that were granted or issued pursuant to an Incentive Scheme, the relevant subscription price for the Participating Entity is the 5-day VWAP of the Shares as at the

date prior to the date of issue of the Shares under the Prescribed Equity Offer;

- (ii) the exercise of options granted pursuant to an Incentive Scheme, the relevant subscription price for the Participating Entity is the applicable exercise price (even if such options are exercised through a cashless exercise mechanism); or
- (iii) subject to (i) and (ii) above, a transaction pursuant to which the consideration for the issue is something other than the payment of cash, the relevant subscription price for the Participating Entity is:
 - (A) the issue price per Share applicable that is apparent from the terms or public statements of Prospect in relation to the Prescribed Equity Offer; or
 - (B) if clause 6.2(d)(iii)(A) does not apply, the 5-day VWAP of the Shares as at the date prior to the date of issue of the Shares under the Prescribed Equity Offer.
- (e) If the operation of this clause is, or becomes, contrary to the ASX Listing Rules, then Prospect must engage in good faith negotiations with FQM to agree such amendments with FQM as are required to ensure that this clause 6 complies with the ASX Listing Rules while preserving the commercial intent of the parties.

6.3 Lapse of Participation Right

If FQM does not:

- (a) provide the Commitment Notice within the time period specified in the Offer Notice (or such longer period as agreed by Prospect); or
- (b) obtain any necessary approvals required under clause 6.2 within any time period specified in the Commitment Notice (or such longer period as agreed by Prospect),

in respect of any Prescribed Equity Offer, the Participation Right, including all of FQM's rights under this clause 6, in respect of the applicable Prescribed Equity Offer will lapse. For the avoidance of doubt, the lapsing of rights pursuant to this clause 6.3 apply only in relation to the applicable Prescribed Equity Offer (and no other Prescribed Equity Offer).

6.4 Breach by Prospect

Without prejudice to any other rights or remedies of FQM, if Prospect breaches this clause 6, then clauses 6.1(d) and 8 of this agreement will cease to apply or have any force and effect unless and until FQM's Voting Power is equal to its Voting Power immediately prior to the applicable breach by Prospect.

6.5 Holds benefit on trust

FQM holds the benefit of the Participation Right on trust for the Participating Entity.

7 Board representation

7.1 Initial FQM Director

The parties acknowledge and agree that the Initial FQM Director shall be appointed as the initial FQM Director with effect from Completion, otherwise FQM will be able to exercise its right to nominate a FQM Director under clause 7.2.

7.2 Right to nominate FQM Director

Following Completion, and subject to clauses 7.4 and 8, FQM will have the right but not the obligation to nominate one representative (but not in addition to the Initial FQM Director, if appointed) to the Board (**FQM Director**), and Prospect must procure:

- (a) the appointment of the FQM Director as a director of Prospect as a casual vacancy as soon as practicable after receiving written notice from FQM;
- (b) that the FQM Director is proposed for election as a director of Prospect at the next annual general meeting after the FQM Director has been appointed, and at all subsequent general meetings of Prospect at which the FQM Director is due for re-election; and

7.3 Alternate Director

Subject to compliance with Prospect's Constitution, the FQM Director may appoint an alternate director, provided that such alternate director satisfies the requirements in clause 7.4 (as if a reference to the FQM Director is a reference to the alternate director).

7.4 FQM Director requirements

FQM's right to nominate a particular FQM Director (and any replacement), and Prospect's obligations in respect of the nomination, are subject to:

- (a) Prospect receiving a signed consent to act from the proposed FQM Director and confirmation that they hold (or have applied for) a director identification number;
- (b) Prospect receiving all information reasonably requested by Prospect (including information of the type contemplated in the ASX Policy) regarding the proposed FQM Director;

7.5 Right to appoint replacement FQM Director

If an FQM Director retires or is removed from the Board, or if shareholders at a general meeting of Prospect do not approve the appointment of an FQM Director, FQM will have the right, but not the obligation, to nominate a replacement FQM Director, and Prospect must procure the appointment of such replacement FQM Director as a director of Prospect as soon as practicable after receiving notice from FQM, subject to Prospect receiving a signed consent to act from the replacement FQM Director.

8 Minimum Voting Power

- (a) Subject to clauses 8(b), 8(c) and 8(d), if at any time after Completion, FQM and its Related Bodies Corporate hold (in aggregate) less than the Minimum Voting Power for more than 5 consecutive days on which the ASX is open for trading (**Minimum Voting Power Period**), FQM's rights in clauses 5.1 and 5.2, the Participation Rights in clause 6, the rights under clause 12 and the right to nominate an FQM Director under clause 7 will automatically terminate and FQM will procure that the FQM Director tenders his or her resignation to the Board without delay.
- (b) If FQM and its Related Bodies Corporate hold (in aggregate) less than the Minimum Voting Power as a result of a Prescribed Equity Offer and FQM has delivered a Commitment Notice to Prospect, which if the relevant transaction was completed would result in FQM and its Related Bodies Corporate holding (in aggregate) at least the Minimum Voting Power as at the date of that Commitment Notice, the Minimum Voting Power Period will be extended until the date that is 5 ASX trading days after FQM's Participation Right in relation to the Prescribed Equity Offer have lapsed.

- (d) In no circumstances will the Minimum Voting Power Period be extended pursuant to either or both of clauses 8(b) and 8(c) to a date that is more than 6 months after the date that FQM and its Related Bodies Corporate hold (in aggregate) less than the Minimum Voting Power.

9 Voting alignment

- (a) During the Voting Alignment Period, subject to clause 9(b) and except where Prospect has given its prior written consent otherwise, FQM covenants and agrees with Prospect that it will (and will procure that FQM's Participating Entity) vote its Shares at annual or extraordinary general meetings of shareholders of Prospect on a basis consistent with the voting recommendations of the Board as set out in the applicable notice of meeting or otherwise communicated to shareholders of Prospect by the Board.
- (b) In respect of:

10.2 Escrow restrictions and Holding Lock

 - (ii) the transfer or cancellation of the Subscription Shares as part of a Scheme, provided that the Scheme has received all necessary approvals, including all such necessary court and shareholder approvals;

- (c) **(applicable laws)** the Dealing arises pursuant to or is required by any applicable laws (including an order of a court of competent jurisdiction);

- (e) **(Intra-group transfers)** the Dealing is a transfer of assignment of all of the Subscription Shares to FQM or another Related Body Corporate of FQM, provided that the transfer is made off-market, the transfer does not result in a change in the indirect beneficial ownership of the Subscription Shares by FQM, and the transferee of the Subscription Shares has given an undertaking in favour of Prospect to be bound by a deed containing restrictions and provisions consistent with those contemplated in this agreement in respect of the Subscription Shares (including an undertaking that if the foregoing ceases to apply in relation to the transferee during the Escrow Period for any reason, then at Prospect's request it will promptly transfer such Subscription Shares back to the original holder or another Related Body Corporate of FQM that satisfies the foregoing nominated by the original holder).

10.4 Other Equity Securities

Nothing in this clause 10:

- (a) restricts FQM or its Related Bodies Corporate from exercising any rights in relation to the Subscription Shares (including voting rights, receiving or being entitled to any dividend, return of capital or other distribution

 - (ii) the number of Shares acquired results in FQM, its Related Bodies Corporate and their Associates obtaining a proportional interest in Shares (as a percentage of the total Shares on issue) of no greater than the applicable proportional interest they held (in aggregate) immediately prior to the issue of Shares referred to in clause 11.3(b)(i);
- (c) to any acquisition of Equity Securities:
 - (i) contemplated by this agreement, including under clause 6; or

however, Prospect is not required to comply with this clause 12.1 where the Prospect Board (acting reasonably and after receiving written legal advice from Prospect's external legal advisers that complying with such obligations would be reasonably likely to constitute a breach the Prospect Board's fiduciary duties or statutory obligations) considers that such action would constitute (or be reasonably likely to) a breach of the Prospect Board's fiduciary or statutory obligations.

12.2 Acknowledgement and limitations

The parties acknowledge and agree that:

- (a) FQM has indicated its desire to have the opportunity to be included in any proposal for a Material Transaction and to potentially increase its level of investment and/or engagement with Prospect, which desire is understood by Prospect;
- (b) any dealings with FQM under clause 12.1 must be on an arm's length basis; and

14 Prospect Warranties

14.1 Accuracy

Prospect represents and warrants to FQM that each Prospect Warranty is accurate and not misleading at the time that the Prospect Warranty is given.

14.2 When Prospect Warranties given

Each of the Prospect Warranties is given as at the date of this agreement and immediately before Completion unless the relevant Prospect Warranty is expressed to be given only at a particular time in which case it is given as at that time only.

14.3 Separate Prospect Warranties

Each Prospect Warranty is to be treated as a separate warranty. The interpretation of any statement made may not be restricted by reference to or inference from any other statement.

14.4 Reduction in Subscription Price

If payment is made for a breach of any Prospect Warranty, the payment is to be treated as an equal reduction in the price of each Subscription Share (and not a return of, or reduction of, capital).

14.5 Limit of liability and notice of claim

Prospect will not be liable to FQM for any Prospect Warranty:

- (a) unless details of the claim have been notified to Prospect within 12 months of the Completion Date;

- (c) unless and until the aggregate of all claims under clause 14.5(b) exceeds an aggregate claim threshold of A\$1,000,000,

in which case, subject to clause 14.6 and except to the extent that Prospect's liability for the loss is extinguished, exempted, limited or qualified under this agreement, the Seller will be liable for the whole of the loss suffered by FQM and not just the excess above the threshold of A\$1,000,000.

14.6 Maximum liability

The maximum aggregate liability of Prospect for all claims for a breach of Prospect Warranties under this agreement will not exceed in aggregate 50% of the Subscription Amount.

15 Warranties

15.1 No extinguishment

Subject to clause 15.2, the Prospect Warranties are not extinguished or affected by any investigation made by or on behalf of FQM into the affairs of Prospect or

by any other event or matter unless FQM has given a specific written waiver or release.

15.2 Disclosure

Other than in relation to Prospect Warranty at paragraph 6.2(a), FQM acknowledges and agrees that Prospect has disclosed or is deemed to have disclosed against the Prospect Warranties and FQM is aware of and will be treated as having actual knowledge of, all facts, matter and circumstances that:
