ASX ANNOUNCEMENT

ACTIVITIES REPORT AND APPENDIX 4C – QUARTERLY CASH FLOW REPORT JUNE 2020

Adelaide, Australia, Thursday 23 July 2020: Axiom Properties Limited (ASX:AXI) lodges the attached Appendix 4C Quarterly report for entities admitted on the basis of commitments for the quarter ended 30 June 2020.

The Company's cash reserves for the March quarter decreased by \$2.884 million and the Company held cash reserves of \$7.218 million as at 30 June 2020.

Details of the Company's business activities for the quarter are as follows:

- o The Company continued to strategically deploy a net \$3.061m of capital into its direct property development projects, the majority being for its Worldpark Emergency Services Headquarters at Keswick in Adelaide. Subsequent to quarter end, the Company has received credit approved terms to enter into a construction facility with a major Australian bank to fund the Worldpark development.
- o The balance of net operating cash outflows for the March quarter were \$0.055m which included employee, office overhead and interest costs as disclosed in item 1 in the below 4C and are representative of regular quarterly operating costs.
- o Net investing cash inflows for the March quarter were \$0.285m. The Company spent net \$0.015m of capital into its joint venture property developments, classified as equity investments.

During the quarter the Company received \$0.065m in distributions from its investment in Churchill North Centre Investment Trust 1 and sold 235,000 units of its units in the Churchill North Centre Investment Trust 1 at \$1 per unit. As at quarter end, the Company held a total balance of 1,930,000 units in the Trust. The Directors continue to believe the time is appropriate for the Company to deploy its passive capital into other pipeline development assets and is therefore continuing to sell down its units in this investment.

- o Net financing cash outflows for the March quarter were \$0.053m, being the reduction in Right of Use Lease Liability as required under AASB 16 Leases disclosure. This figure is made up of Adelaide and Sydney office lease payments and Adelaide motor vehicle payments.
- o Aggregate amount of payments to related parties and their associates are for director fees and salaries and wages, as well as for costs incurred on behalf of the Company in the ordinary course of business, which were reimbursed at cost.

In respect to the current environment, the Board and its executives continue to assess the viability of each of its projects and equity investments in collaboration with their counterparties. It is consistently monitoring project timelines and associated cashflows to ensure relevance in line with market conditions.

The Board and its executives continue to monitor operating and overhead costs to ensure the Company remains in a strong financial position. There were no substantive changes to business activities during the quarter.

Authorised for release by the Board.

About Axiom Properties Ltd

Axiom Properties Ltd is a property development and investment business focused on developing and delivering quality property solutions. Axiom's principal objective is to create long term value for shareholders through creating a well-respected property development and investment company that consistently delivers above industry returns on capital. Axiom's current portfolio of development opportunities include a major mixed-use residential, retail and carparking complex in Sydney's Double Bay, a mixed-use hotel and office development in Adelaide's CBD and a 600-lot residential subdivision in Mt Barker in the Adelaide Hills. The end value of the current pipeline exceeds \$800m.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
