

Our virtual Shareholder Presentation, available from 21 May 2020.

In place of our face-to-face meetings, we invite you to access a series of in-depth conversations with Chief Investment Officer Geoff Wilson AO, Chief Executive Officer Kate Thorley, and Lead Portfolio Managers Catriona Burns, Matthew Haupt and Oscar Oberg. We discuss the implications of the coronavirus for behaviours, economies and markets, the investment opportunities and challenges, and our own personal experiences of these unprecedented times.
