ASX Release**ASX Code: AGI****Ainsworth Game Technology Limited (AGT) - Correction; lower net debt expected**

AGT wishes to correct an error in the Trading Update released to ASX this morning.

The Trading Update stated, "Net debt at June 30th 2019 is expected to be around \$54m."

To restate, net debt is correctly estimated to be around \$7m at June 30th 2019.

The original incorrect \$54m figure related to gross debt and does not include expected cash balances.

Net debt at 31 December 2018 by comparison was \$13m.
