9 Default

9.1 Enforcement of Transaction Documents

Despite any other provision of this Deed but subject to clause 9.2 and to the Corporations Act, the Trustee, despite knowledge of any breach (whether anticipatory or actual) or default under

a Transaction Document (and whether of or in relation to any covenant, obligation, condition or other provision of a Transaction Document) or the occurrence of an Event of Default, may in its absolute discretion:

- (a) waive or excuse on any terms or conditions, or without imposing any terms and conditions, that breach or default (if the Trustee is reasonably satisfied that the default, including any Event of Default, will not materially prejudice the Holders' interests);
- (b) decide whether or not to take action to enforce the Transaction Documents as it sees fit in its absolute discretion including without limitation:
 - (i) if the Issuer breaches any of its obligations under this Deed or the Terms, the Trustee may, at its discretion and without further notice, bring such legal proceedings as it may think fit to enforce such obligations, including demand and require immediate payment of any Moneys Owning that remain unpaid and to commence legal proceedings against the Issuer to recover the same;
 - (ii) exercise any powers, rights or privileges conferred by law or equity under any Transaction Document or any other collateral deed or security;
 - (iii) exercise any of its powers under the Corporations Act;
 - (iv) issue a default notice to the Issuer requiring that the default be remedied to the satisfaction of the Trustee; and
 - (v) take such other action as the Holders deem appropriate to recover the Moneys Owning;
- (c) not inform Holders of any breach or default (including any Event of Default if the Trustee is reasonably satisfied that the Event of Default will not materially prejudice the Holders' interests);
- (d) despite the knowledge of the Trustee of any breach or default, not take any action or proceeding against the Issuer to enforce the observance or performance of any such covenant, obligation, condition or provision (including enforcement of the payment of the Notes and recovery of any other Moneys Owning under this Deed), unless in any such case:
 - (i) the Trustee is directed to take action by a Holder's Resolution (or, if required by, a Special Resolution) (ignoring any Notes held by or on behalf of the Issuer and not cancelled); and
 - (ii) the Trustee is indemnified and/or secured to its satisfaction against all losses, liabilities, proceedings, actions, claims and demands to which the Trustee may become liable as a result of such direction and all costs, charges and expenses (including rights of remuneration under this Deed) which may be incurred by the Trustee in connection with such direction, action or proceedings;
- (e) not take any action in relation to any breach or default by the Issuer (including the issuing of any notice under this Deed) unless it has actual knowledge of the breach or default or is advised by another person of the breach or default, and until such a time the Trustee can assume that no such breach or default by the Issuer has occurred (and will incur no liability of any kind as the result of such assumption); and
- (f) may do such things as are necessary or appropriate to convene a meeting of Holders in accordance with clause 18.

9.2 Enforcement at the direction of Holders

Provided the Trustee is first placed in funds to cover the costs associated with taking the action required, the Trustee must take action to enforce the Transaction Documents where all of the following conditions are satisfied:

- (a) it is directed as to the manner in which to take action by a Special Resolution of the Holders of the Notes or by Holders representing greater than 75% of the aggregate Face Value of all Notes then outstanding;
- (b) its liability is limited in a manner consistent with clauses 13.2, 14.1 and section 283DC of the Corporations Act; and
- (c) it is indemnified and/or secured to its satisfaction against all actions, proceedings, claims and demands to which the Trustee may render itself liable by taking such action and any and all costs, charges, fees, expenses and liabilities which the Trustee may incur in accordance with clauses 13.2 and 14.1;
- (d) such action is permitted under this Deed and the Terms; and
- (e) the Trustee is not restricted or prohibited from taking such action by any order of any competent court or any applicable law.

If the Trustee forms the view that such action is or could be inconsistent with this Deed, the Terms, the Corporations Act, the ASX Listing Rules or any other applicable law, it may take steps to seek (and, if the court so determines, to obtain), as soon as reasonably practicable, a court direction or order to set aside or vary the direction given by Holder Resolution (or, if required, by Special Resolution), and, while those steps are underway, the Trustee is not obliged to take any action or proceedings it has been directed to take by such Holder Resolution or Special Resolution (as applicable).

9.3 Enforcement by Holders

- (a) All of the rights, powers and remedies against the Issuer in connection with the Notes are held by the Trustee on trust for the benefit of the Holders. Accordingly, subject to clause 9.3(b):
 - (i) no Holder is entitled to directly enforce any rights, powers or remedies under this Deed or the Terms directly against the Issuer; and
 - (ii) the rights, powers or remedies of the Trustee under and in respect of this Deed and the Terms are exercisable and enforceable by the Trustee only. No Holder may exercise any of them (whether in its own name or the Trustee's name).
- (b) A Holder, or Holders, may only take action or proceedings against the Issuer or to enforce any provision of a Transaction Document following the making of a request in accordance with clause 9.2(a) if:
 - (i) the Trustee, having become bound to proceed in accordance with this Deed and the Terms, fails to do so within 20 Business Days of being obliged to do so and such failure is continuing; or
 - (ii) 30 Business Days have lapsed since the date on which the Holder, or Holders, gave notice to the Trustee that it, or they, intended to commence such action or proceedings (with such notice to specify the details of its claim and the basis of its claim) and the Trustee has not commenced such action or proceedings as a result of the request of the Holder, or Holders, made in accordance with clause 9.2(a),

in which case any such Holder may itself institute such actions or proceedings against the Issuer to the same extent (but not further or otherwise) that the Trustee would have been entitled to do so. Any such proceedings must be brought in the name of the Holders and not the Trustee. The Holder, or Holders, must provide to the Issuer a copy of the notice referred to in clause 9.3(a) as soon as reasonably practicable.

9.4 Application of money received by the Trustee

- (a) All money received by the Trustee in respect of amounts payable under this Deed must, unless and to the extent attributable, in the opinion of the Trustee, to a particular Series of Notes, be apportioned equally and rateably between Holders of each Series of the Notes. All money received by the Trustee under this Deed must, to the extent attributable in the opinion of the Trustee to a particular Series of Notes or which are apportioned to such Series as aforesaid, be held by the Trustee upon trust to apply in the following order:
- (i) first – in payment of all fees, costs, charges, expenses and liabilities incurred by, or other amounts owing to, the Trustee in carrying out its functions and/or exercising its powers, rights or remedies under and in accordance with this Deed, the Terms and the Notes (including rights of remuneration under this deed), but remaining unpaid under or in connection with this Deed (including all remuneration payable to the Trustee); and
 - (ii) secondly - in payment of all fees, costs, charges, expenses and liabilities incurred by, or other amounts owing to, a Liquidator in carrying out its duties, discretions or functions under or in connection with the Notes, the Terms and this Deed, but remaining unpaid;

 - (iv) fourthly - in or towards payment equally and rateably of all amounts due but remaining unpaid in respect of the Notes of each other Series; and
 - (v) the balance (if any) to the Issuer.
- (b) In making any payments in accordance with clause 9.4(a)(iii) or 9.4(a)(iv), the Trustee shall have discretion to first pay either the Face Value or Interest owing on the Notes of the relevant Series in such order as the Trustee sees fit.

 - (i) not less than 10 Business Days before an Interest Payment Date, the notice will be effective (and Redemption will occur) on the immediately following Interest Payment Date; and
 - (ii) less than 10 Business Days before an Interest Payment Date, the notice will not be effective for that Interest Payment Date and Redemption will not occur until the following Interest Payment Date.

4.4 Effect of Holder Redemption Notice

- (a) Once given by a Holder, a Holder Redemption Notice cannot be withdrawn without the written consent of the Issuer.
- (b) An Holder Redemption Notice must be accompanied by evidence of title for the Notes the subject of the Notice as may reasonably be required by the Issuer and the Registrar.
- (c) A Holder must not deal with, transfer, dispose of or encumber any Notes the subject of a Holder Redemption Notice once that Notice has been given.

4.5 Effect of notice

Any notice given under this clause 4 is irrevocable once given. The accidental or inadvertent failure to give notice to an individual Holder will not invalidate a Holder Redemption Notice or an Early Redemption Notice.

4.6 Failure to give notice

The accidental or inadvertent failure to give notice to an individual Holder will not invalidate a Holder Redemption Notice or an Early Redemption Notice.

4.7 Failure to Redeem

If the Issuer fails to Redeem the Notes when due, Interest will continue to accrue on the Notes at the rate applicable to them on their Redemption Date and must be paid to the relevant Holders upon Redemption of the Notes.

4.8 Cancellation

Notes that have been Redeemed will be cancelled by the Issuer and may not be resold.

4.9 Purchase

Subject to compliance with any applicable law or requirement of ASX (and any stock exchange or other relevant authority on which the Notes are quoted):

- (c) Notes purchased under this clause 4.9 may be held, resold or cancelled at the discretion of the purchaser (and, if the Notes are to be cancelled, the Issuer).

5 Status and ranking

5.1 Status

The Notes at all times constitute direct, redeemable, non-convertible, unsubordinated and unsecured obligations of the Issuer.

5.2 Ranking of Notes

- (a) The Notes rank equally without any preference or priority among themselves and at least equally with all other present and future unsubordinated and (subject to clause 6.1) unsecured debt obligations of the Issuer (subject to the laws and principles of equity affecting creditors' rights or obligations preferred by mandatory provisions of applicable law).
- (b) The ranking of Notes is not affected by the date of registration of any Holder in the Register.

6 Financial covenants and Undertaking

6.1 Negative pledge

For so long as any of the Notes remain outstanding, the Issuer must not without the approval of a Special Resolution:

- (a) **(new debt)**: incur any Financial Indebtedness for moneys borrowed or raised pursuant to any financial accommodation or agree to do so, except:
 - (i) pursuant to the Existing Debt Obligations; or
 - (ii) any indebtedness incurred or guaranteed after the Issue Date for the purpose of replacing, refinancing or extending the maturity of the Existing Debt Obligations; or
 - (iii) Permitted New Debt; or
- (b) **(security interest)**: create or permit to subsist, and will ensure that none of its Subsidiaries will create or permit to subsist, Security Interest upon the whole or any part of its present or future property or assets (including any uncalled capital) to secure any Financial Indebtedness or to secure any Guarantee of or indemnity in respect of any Financial Indebtedness, other than a Permitted Security Interest, unless in any such case, before or at the same time as the creation of the Security Interest, any and all action necessary shall have been taken to ensure that:
 - (i) all amounts payable by the Issuer under the Notes and the Trust Deed are secured equally and rateably with the Financial Indebtedness or Guarantee or indemnity, as the case may be; or
 - (ii) such other Security Interest or Guarantee or indemnity or other arrangement (whether or not including the giving of a Security Interest) is provided in respect of all amounts payable by the Issuer under the Notes and the Trust Deed as the Trustee shall in its absolute discretion deem not materially less beneficial to the interests of the Holders.

7 Events of Default

7.1 Events of Default

An Event of Default occurs in relation to the Notes if:

- (a) **(non-payment)** the Issuer fails to pay any amount payable by it under the Terms within 10 Business Days after the date on which it is due, or 20 Business Days where the payment is required to be made by cheque, and, where the sole reason for the default is a technical or administrative difficulty within the banking system being used to effect payment, such default is not remedied within five Business Days;
- (b) **(breach of other obligations)** the Issuer fails to comply with any of its other obligations under the Terms or the Trust Deed and such failure remains unremedied for a period of 20 Business Days after the Issuer has received written notice from the Trustee in respect of the failure;
- (c) **(insolvency)** an Insolvency Event occurs in respect of the Issuer;
- (d) **(cessation of business)** the Issuer ceases or suspends the conduct of all of its business;
- (e) **(unlawfulness)** at any time, it is unlawful for the Issuer to perform any of its payment obligations under the Notes.
- (f) **(cross default)** any debt of the Issuer greater than \$1,000,000.00 (or its equivalent in any other currencies) becomes due and payable before its stated maturity due to the occurrence of a default event under the terms of that debt;
- (g) **(vitiation)** all or any rights or obligations of the Issuer, Holders or the Trustee under the Trust Deed or the Terms are terminated or are or become void, illegal, invalid, unenforceable or of limited force and effect.

7.2 Notification

If an Event of Default occurs, the Issuer must, promptly after becoming aware of it, notify the Trustee of the occurrence of the Event of Default (specifying details of it) and use its reasonable endeavours to promptly notify the Holders and ASX (and any other stock exchange or other relevant authority on which the Notes are quoted) of the occurrence of the Event of Default.

7.3 Consequences of an Event of Default

- (a) If any Event of Default occurs and is continuing in relation to the Notes, the Trustee may declare by notice to the Issuer (with a copy to the Holders and the Registrar) that all the Notes are to be Redeemed at their Face Value (together with any accrued Interest) immediately (but not earlier than five Business Days after the date the Trustee gives notice under this clause) or on such other date specified in that notice.
- (b) The Trustee shall not be bound to take any of the actions referred to in paragraph (a) above to enforce the obligations of the Issuer in respect of the Notes or any other proceedings or action pursuant to or in connection with the Trust Deed, the Terms or the Notes unless:
 - (i) it shall have been so directed by a Special Resolution of the Holders of the relevant Notes or so requested in writing by the Holders representing greater than 75% of the aggregate Face Value of all Notes outstanding;
 - (ii) it is indemnified, to its satisfaction, against all costs, charges, liabilities and expenses which may be incurred by it (including legal costs on a solicitor and own client basis) in connection with that action;
 - (iii) its liability for taking such action is limited in a manner consistent with section 283DC of the Corporations Act;
 - (iv) such action is permitted under the Trust Deed and these Terms;
 - (v) it is first placed in funds by the Issuer sufficient to cover the costs that it may incur as a result of doing so; and

- (vi) it is not restricted or prohibited from taking such action by any order of any competent court or any applicable law.
- (c) If the Trustee forms the view that such action is or could be inconsistent with these Terms or the Corporations Act or any applicable law, it must take steps to seek (and, if the court so determines, to obtain) as soon as reasonably practicable a court direction or order to set aside or vary the direction given by Special Resolution, and, while those steps are underway, the Trustee is not obliged to take any action or proceedings it has been directed to take by Special Resolution.

8 Title and transfer of Notes

8.1 Title

Title to a Note passes when details of the transfer are entered in the Register.

8.2 Effect of entries in Register

- (a) Each entry in the Register in respect of a Note constitutes:
 - (i) an unconditional and irrevocable undertaking by the Issuer to the Holder to pay principal, interest and any other amount in accordance with these Terms; and
 - (ii) an entitlement to the other benefits given to Holders under these Terms and the Trust Deed in respect of the Note.
- (b) For the avoidance of doubt, an entry in the Register does not make the Holder a member of the Issuer or confer rights on a Holder to become a member of the Issuer or to attend or vote at meetings of members of the Issuer.

8.3 Register conclusive as to ownership

Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of the Note subject to correction for fraud or manifest error.

8.4 Non-recognition of interests

Except as required by law, the Issuer, the Trustee and the Registrar must treat the person whose name is entered in the Register as the holder of a Note as the absolute owner of that Note. This clause 8.4 applies whether or not a Note is overdue and despite any notice of ownership, trust or interest in the Note.

8.5 Joint holders

- (a) Where two or more persons are entered in the Register as the joint holders of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound:
 - (i) subject to the ASX Settlement Operating Rules, to register more than four persons as joint Holders of any Note; or
 - (ii) to issue more than one certificate (if applicable) or Statement of Holding in respect of a Note jointly held, and only the joint Holder in respect of a Note whose name first appears on the register is entitled to be issued a certificate (if applicable) or Statement of Holding in respect of a Note jointly held.
- (b) If a Holder who owns a Note jointly dies, the Issuer will recognise only the survivor or survivors as being entitled to the Holder's interest in the Note.
- (c) Interest or other money payable in respect of a Note that is held jointly may be paid to the Holder whose name appears first on the Register, and the payment. to any one

joint Holder of a Note of any amount from time to time payable or repayable in respect of the Note, discharges the obligation of the Issuer to pay that amount under the Note to each joint Holder of the Note and the Trustee.

- (d) The delivery to a joint Holder of a Note whose name first appears in the Register in respect of that Note of a notice or other communication will discharge the obligation of the Issuer or the Trustee to deliver that notice or communication to each of the joint Holders of that Note, and in that case the notice or communication will be deemed to be given to all joint Holders of that Note.
- (e) If a Note is held jointly, and more than one Holder votes in respect of that Note, only the vote of the Holder whose name appears first on the Register counts.
- (f) The joint Holders of a Note are counted as a single holder for the purposes of calculating the number of Holders or persons who have requisitioned a meeting of Holders.
- (g) If a Note is held jointly, each of the joint Holders is jointly and severally liable for all payments including payment of any Tax, which is to be made in respect of the Note.

8.6 Transfers in whole

The Notes may be transferred in whole but not in part.

8.7 Transfer

- (a) A Holder may, subject to this clause 8.7, transfer any Notes:
 - (i) by a proper ASTC transfer according to the ASX Settlement Operating Rules;
 - (ii) by a proper transfer under any other computerised or electronic system recognised by the Corporations Act;
 - (iii) under any other method of transfer which operates in relation to the trading of securities on any securities exchange outside Australia on which the Notes are quoted; or
 - (iv) by any proper or sufficient instrument of transfer of marketable securities under applicable law.
- (b) The Issuer must not charge any fee on the transfer of a Note.

8.8 Market obligations

The Issuer must comply with all Applicable Regulations and any other relevant obligations imposed on it in relation to the transfer of a Note.

8.9 Issuer may request holding lock or refuse to register transfer

If the Notes are quoted on ASX, and if permitted to do so by the ASX Listing Rules and the Corporations Act, the Issuer may:

- (a) request the CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Notes approved by and registered on the CS Facility's electronic sub-register or Notes registered on an issuer-sponsored sub-register, as the case may be; or
- (b) refuse to register a transfer of Notes.

8.10 Issuer must request holding lock or refuse to register transfer

- (a) The Issuer must request the CS Facility Operator or the Registrar, as the case may be, to apply a holding lock to prevent a transfer of Notes approved by and registered on the CS Facility's electronic sub-register or Notes registered on an issuer-sponsored

sub- register, as the case may be, if the Corporations Act, the ASX Listing Rules or the terms of a Restriction Agreement require the Issuer to do so.

- (b) The Issuer must refuse to register any transfer of Notes if the Corporations Act, the ASX Listing Rules or the terms of a Restriction Agreement require the Issuer to do so.

If, in the exercise of its rights under clauses 8.9 and 8.10, the Issuer requests the application of a holding lock to prevent a transfer of Notes or refuses to register a transfer of Notes, it must, within five Business Days after the date the holding lock is requested or the refusal to register a transfer, give written notice of the request or refusal to the Holder, to the transferee and the broker lodging the transfer, if any. Failure to give such notice does not, however, invalidate the decision of the Issuer.

8.12 Delivery of instrument

If an instrument is used to transfer the Notes according to clause 8.7, it must be delivered to the Registrar, together with such evidence (if any) as the Issuer and/or the Registrar reasonably requires to prove the title of the transferor to, or right of the transferor to transfer, the Notes.

8.13 Refusal to register

- (a) The Issuer may only refuse to register a transfer of any Notes if such registration would contravene or is forbidden by Applicable Regulation or the Terms.
- (b) If the Issuer refuses to register a transfer, the Issuer must give the lodging party notice of the refusal and the reasons for it within five Business Days after the date on which the transfer was delivered to the Registrar.

8.14 Transferor to remain Holder until registration

A transferor of a Note remains the Holder in respect of that Note until the transfer is registered and the name of the transferee is entered in the Register.

8.15 Effect of transfer

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under the Trust Deed and the Terms in respect of the transferred Notes and the transferee becomes so entitled in accordance with clause 8.2.

8.16 Estates

A person becoming entitled to a Note as a consequence of the death, legal disability or bankruptcy of a Holder or of a vesting order or a person administering the estate of a Holder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

8.17 Transfer of unidentified Notes

Where the transferor executes a transfer of less than all the Notes registered in its name, and the specific Notes to be transferred are not identified, the Registrar may register the transfer in respect of such of the Notes registered in the name of the transferor as the Registrar thinks fit, provided the aggregate of the Face Value of all the Notes registered as having been transferred equals the aggregate of the Face Value of all the Notes expressed to be transferred in the transfer.

9 Payments

9.1 Summary of payment provisions

Payments in respect of the Notes will be made in accordance with this clause 9.

- (a) is due on a Note on a day which is not a Business Day then the due date for payment will be postponed to the first following day that is a Business Day; or
- (b) is to be made to an account on a Business Day on which banks are not open for general banking business in the place in which the account is located, then the due date for payment will be the first following day on which banks are open for general banking business in that place,

and, in either case, the Holder is not entitled to any additional payment in respect of that delay.

9.5 Payments to accounts

Moneys payable by the Issuer to a Holder may be paid in any manner the Issuer decides, including by direct credit into a nominated account of the Holder at an Australian branch of a financial institution.

9.6 Payments by cheque

- (a) The Issuer may decide that payments in respect of the Notes will be made by cheque sent by prepaid post on the payment date to the Holder (or to the first named joint holder of the Notes) at its address appearing in the Register.
- (b) Cheques sent to the nominated address of a Holder will be at the risk of the registered Holder and will be taken to have been received by the Holder on the payment date and, no further amount will be payable by the Issuer in respect of the Notes as a result of the Holder not receiving payment on the due date.

9.7 Unsuccessful attempts to pay

Subject to applicable law and the ASX Listing Rules, where the Issuer is required to pay any amount to a Holder in respect of a Note, and:

- (b) decides that the amount is to be paid to the Holder by a method of direct credit and the Holder has not given a direction as to where amounts are to be paid by that method;
- (c) attempts to pay the amount to the Holder by direct credit, electronic transfer of funds or any other means and the transfer is unsuccessful;

9.8 Payment to joint Holders

A payment to any one of the joint Holders of a Note will discharge the Issuer's liability in respect of the payment.

9.9 Fractions

For the purposes of making any payment to a Holder in respect of its aggregate holding of Notes, any fraction of a cent will be disregarded.

10 Deductions

10.1 No set-off, counterclaim or deductions

All payments in respect of the Notes must be made in full without set-off or counterclaim, and without any withholding or deduction for or in respect of Taxes, unless such withholding or deduction is required by law.

10.2 Withholding and other taxes

- (a) The Issuer may withhold or deduct from any amount payable to a Holder in respect of the Notes an amount in respect of any Tax which a qualified legal or taxation advisor advises that it is required by law to withhold or deduct from that payment.
- (b) The Issuer must pay the full amount required to be withheld or deducted to the relevant revenue authority within the time allowed for such payment (without incurring penalty under the applicable law) and must, if required by a Holder, deliver to that Holder a copy of the relevant receipt issued by the relevant revenue authority without unreasonable delay after it is received by the Issuer.
- (c) If an amount is deducted or withheld under clause 10.2(a) from a payment to a Holder in respect of any Tax, the Issuer will have no obligation to pay any Additional Amount to the Holder such that the Holder, at the time the payment is due, receives the same amount it would have received if no deductions or withholdings had been required to be made.

11 Amendment of the Terms

11.1 Amendment without the approval of the Holders

At any time, but subject to compliance with the Corporations Act and all other applicable laws, the Issuer may, with the approval of the Trustee, but without the consent of the Holders, amend the Terms in respect of any Series if the Issuer is of the opinion that such amendment:

- (c) In determining how many Holders are present, each individual attending as a proxy is to be counted, except that:
- (i) where a Holder has appointed more than one proxy, only one of those proxies is to be counted;
 - (ii) where an individual is attending both as a Holder and as a proxy on behalf of another Holder, that individual is to be counted once in respect of each such capacity; and
 - (iii) where an individual is attending as a Holder and has also appointed a proxy in respect of the Notes it holds, those individuals are to be counted only once.

3.2 No quorum

- (a) First meeting - If a quorum is not present within 30 minutes from the time appointed for the meeting, then the meeting shall:

- (i) if convened on the requisition of Holders, be dissolved; and
 - (ii) in any other case stand adjourned to such day and time (not being less than 14 days thereafter) and to such place as may be appointed by the Chairperson.
- (b) Second meeting - If, at the adjourned meeting, a quorum is not present within 30 minutes after the time appointed for any adjourned meeting, the Chairperson may:
 - (i) dissolve the meeting or
 - (ii) if the meeting is not dissolved in accordance with this provision, the Chairperson may, with the consent of the meeting, and must, if directed by the meeting, adjourn the meeting once more to a new date (being not less than 14 days after the adjourned meeting), time or place. The only business which might validly (but for the lack of required quorum) have been transacted at the original meeting may be transacted at the adjourned meeting.

3.3 Chairperson

- (a) The person who calls a meeting must nominate in writing a Chairperson to chair the meeting. The Chairperson of a meeting need not be a Holder and may be an officer or employee of the Issuer or the Trustee. The Chairperson of an adjourned meeting need not be the same person as was the chairman of the meeting from which the adjournment took place.
- (b) If a meeting is held, and
 - (i) a Chairperson has not been nominated for that Meeting; or
 - (ii) the person nominated is not present within 15 minutes after the time appointed for the holding of such meeting or is unable or unwilling to chair the meeting,

the Issuer may appoint a Chairperson unless the meeting was convened by the Trustee, in which case the Holders or proxies present may appoint a Chairperson.

3.4 Adjournment

- (a) The Chairperson may, with the consent of a Holders' Resolution of any meeting at which a quorum is present (such consent being obtained if the Chairperson so requires on a poll), and shall (if directed by a Holders' Resolution on a poll), adjourn the meeting either to a later time at the same meeting or to an adjourned meeting from time to time and from place to place.
- (b) No business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place.
- (c) It is not necessary to give notice of an adjournment unless the meeting is adjourned because of a lack of a quorum. In that case, unless otherwise agreed in writing by each Holder, the person calling the meeting must give five days' notice of the adjourned meeting to each person entitled to receive notice of a meeting under these provisions. The notice must state the quorum required at the adjourned meeting but need not contain any further information.

3.5 Minutes

- (a) Minutes of all resolutions and proceedings at every meeting of Holders or of Holders of a Series must be made and duly entered in books to be provided from time to time for that purpose by the Issuer.

- (b) Minutes of a meeting signed by the Chairperson constitute conclusive evidence of the proceedings of the meeting, and until the contrary is proved, every such meeting in respect of the proceedings of which minutes have been made will be deemed to have been duly held and convened and all resolutions passed or proceedings taken to have been duly passed or taken.

4 Voting

4.1 Show of hands

At any meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairperson, the Trustee, at least five Holders (or at least five Holders of the relevant Series) present in person or by proxy or attorney or by one or more Holders (or Holders of the relevant Series) present in person or by proxy or attorney and holding or representing 5% of the Face Value of all Notes (or of all Notes in the relevant Series) on issue at the time of the meeting in respect of which the meeting has been called. Unless a poll is so demanded, a declaration by the Chairperson that a resolution has been carried or carried unanimously or by a particular majority or lost shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

4.2 Poll

If a poll is duly demanded it shall be taken in such manner as the Chairperson may direct and the result of such poll shall be the resolution of the meeting at which the poll was demanded.

4.3 Conduct of poll

A poll demanded on the election of a Chairperson or on a question of adjournment shall be taken at the meeting without adjournment. A poll demanded on any other question shall be taken either immediately or at such time (not being more than five days from the date of the meeting) and place as the Chairperson may direct. No notice need be given of a poll not taken immediately. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.

4.4 Number of votes

On a show of hands every Holder (or Holder of the relevant Series) who:

- (a) being an individual is present in person or by proxy or attorney; or
- (b) being a corporation is present by proxy or attorney or by its authorised representative,

shall have one vote and on a poll every Holder (or Holder of the relevant Series) who is present in person or by attorney or by proxy shall have one vote for every Note with respect to which it is the registered holder. A Holder (or Holder of the relevant Series) entitled to more than one vote need not use all its votes or cast all the votes it uses in the same way.

4.5 Joint Holders

In the case of joint Holders, the joint Holder first named in the Register (or if that person does not vote, the next named joint Holder, or if that person does not vote, the next named and so forth) may exercise the voting rights of jointly held Notes.

4.6 Casting vote

If the votes are equal (whether on a show of hands or a poll), the Chairperson has a casting vote in addition to the vote or votes (if any) to which the Chairperson is otherwise entitled.

5 Passing resolutions in writing

- (a) The Holders may without a meeting being held pass a resolution in writing without a meeting being held.
- (b) A resolution in writing is passed, without a meeting being held:
 - (i) if it is a Holder Resolution, where within one month from the Notification Date, Holders representing more than 50% of the aggregate Face Value of all Notes outstanding as at the Notification Date have signed a document stating that they are in favour of the resolution set out in that document; or
 - (ii) if it is a Special Resolution, where within one month from the Notification Date, Holders representing at least 75% of the aggregate Face Value of all Notes outstanding as at the Notification Date have signed a document stating that they are in favour of the resolution set out in that document,

and any such resolution is deemed to have been passed on the date on which the last Holder whose signature on the resolution caused it to be so passed signed it (as evidenced on its face).
- (c) The accidental omission to give a copy of the resolution to, or the non-receipt of such a copy by, any Holder does not invalidate a resolution in writing made pursuant to paragraph (a).
- (d) A resolution in writing signed by Holders may be contained in one document or in several documents in like form each signed by one or more Holders.
- (e) A resolution in writing signed by Holders must be signed by a director or secretary of the Issuer.

6 Proxies

6.1 Appointment of proxy

A Holder entitled to attend and vote at a meeting may appoint a proxy to attend and act on that Holder's behalf in connection with any meeting.

6.2 Validity of forms of proxy

Forms of Proxy are valid for so long as the Notes to which they relate are registered in the name of the appointor but not otherwise.

6.3 Instrument appointing proxy

An instrument appointing a proxy shall be in writing under the hand of:

- (a) the appointor;
- (b) the appointor's attorney duly authorised in writing; or
- (c) if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised.

6.4 Rights of proxy

A proxy appointed to attend and vote for a Holder has the same rights as the Holder to speak at the meeting and to vote (but only to the extent allowed by the appointment).

6.5 Proxy need not be Holder

A person appointed to act as a proxy need not be a Holder, and may be an attorney, officer, employee, contractor, agent, representative of, or otherwise connected with, the Issuer or the Trustee (as the case may be).

6.6 Deposit of proxy

The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a duly certified copy of such power or authority shall be deposited at such place as the Trustee or the Issuer (with the approval of the Trustee) may in the notice convening the meeting direct (or if no such place is appointed, then at the office of the Trustee) at least 48 hours before the time appointed for holding the meeting or adjourned meeting (or in the case of a poll before the time appointed for taking of the poll) at which the person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid.

6.7 Form of proxy

An instrument of proxy may be in the usual common form or in such other form as the Issuer and the Trustee shall approve. The proxy shall be deemed to include the right to demand or join in demanding a poll. Unless the contrary is stated on a proxy, a proxy shall be as valid for any adjournment of the meeting as for the meeting to which it relates and need not be witnessed.

6.8 Validity of vote

A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal or revocation or amendment of the proxy or of the authority under which the proxy was executed or the transfer of the Notes in respect of which the proxy is given provided that no notice in writing of such death, insanity, revocation, amendment or transfer shall have been received by the Issuer at its registered office 48 hours before the commencement of the meeting or adjourned meeting at which the proxy is used. The Issuer will promptly provide to the Trustee a copy of any such written notice that it receives.

7 Special Resolutions

The Holders have, in respect of the Notes and subject to the provisions contained in the Terms, in addition to the powers set out above, but without affecting any powers conferred on other persons, the following powers exercisable only by Special Resolution subject to the provisions relating to quorum in paragraph 3 of this schedule:

- (a) the power to approve any proposal to modify a provision of the Trust Deed or the Terms, except for:
 - (i) any amendment which may be made without the consent of Holders under clause 19.2 of the Trust Deed or clause 11.1 of the Terms; or
 - (ii) any amendment which may be made with the consent of Holders by way of a Holders Resolution, including under clause 19.2 of the Trust Deed or clause 11.2 of the Terms, and does not require a Special Resolution;
- (b) the exchange or substitution of the Notes for, or the conversion of the Notes into notes or other obligations or securities of the Issuer or any other body corporate which is not expressly permitted under the Terms;
- (c) the exercise of any right, power or discretion under the Trust Deed or the Terms that expressly requires a Special Resolution;

- (d) the power to authorise the Trustee to take or to refrain from taking any action which may be taken by the Trustee if such action is required by the Terms or the Trust Deed to be taken only by Special Resolution;
- (e) the power to sanction the release by the Trustee of the Issuer from any obligation under the Terms or the Trust Deed either unconditionally or upon such conditions as the Trustee may arrange with the Issuer (as the case may be);
- (f) subject to paragraph (a) above and any provisions in the Terms or the Trust Deed, the power to sanction agreement by the Trustee to any modification or compromise of any of the rights of all the Noteholders against the Issuer, including any amendment of the Terms or the Trust Deed;
- (g) subject to any provisions in the Terms or the Trust Deed, the power to give any release or waiver in respect of anything done or omitted by the Issuer or any breach or default by the Issuer or an authorisation of any proposed breach or non-performance;
- (h) the power to authorise the Trustee to sanction on behalf of all the Holders any scheme for reconstruction of the Issuer or for the amalgamation of the Issuer with any other corporation;
- (i) the power to sanction any proposal to modify the dates of maturity or redemption of any Notes or any date on which a payment of principal or interest is due on any Notes;
- (j) the power to sanction a reduction or cancellation of an amount payable, or a change to the method of calculating an amount payable or a date of payment in respect of the Notes (other than where the reduction, cancellation or change is expressly provided for in the Note Terms or where the modification increases the amount payable);
- (k) the power to sanction any proposal to modify the Face Value in respect of the Notes;
- (l) the power to sanction any proposal to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Special Resolution.
- (m) the power to approve the release of the Trustee from liability for something done or omitted to be done by the Trustee or any other person before the release is given;
- (n) the power to authorise any person to do all such acts and things as may be necessary to carry out and give effect to a Special Resolution;
- (o) the power to authorise any person to do anything necessary to give effect to a Special Resolution;
- (p) the power to authorise any to appoint any persons (whether Holders or not) as a committee or committees to represent the interests of the Holders and to confer upon such committee or committees any powers or discretions which the Holders could themselves exercise by Special Resolution; and
- (q) the power to discharge or exonerate the Registrar from any liability in respect of any act or omissions for which the Registrar may have become responsible under these presents or under the Notes.

8 Holder Resolution

The Holders have the power exercisable by Holder Resolution to do anything for which a Special Resolution is not required.

9 Effect and notice of resolutions

- (a) A Holders' Resolution or a Special Resolution passed at a meeting of the Holders or the Holders in the relevant Series duly called and held (including by way of postal ballot) in accordance with this Schedule 2 will be binding upon all the Holders and the Holders in the relevant Series (whether or not present at the meeting) and each of the Holders shall be bound to give effect thereto accordingly.
- (b) The Issuer must give notice to the Holders of the result of the voting on a resolution within 10 Business Days of such result being known but failure to do so will not invalidate the resolution. Such notice to Holders must be given in the manner provided in the Terms.

10 Minutes to be kept

- (a) The Issuer must ensure that:
 - (i) minutes of all resolutions and proceedings at every meeting (or resolutions otherwise passed in accordance with this schedule) are made and duly entered in books to be, from time to time, provided for that purpose by the Issuer;
 - (ii) minutes of each meeting are signed by the chairman of the meeting or by the chairman of the next meeting; and
 - (iii) written resolutions are signed by a director or secretary of the Issuer.
- (b) Any such minutes, if purporting to be signed by the chairman of the meeting at which such resolutions were passed or proceedings transacted or by the chairman of the next succeeding meeting of Holders (or, where the resolution is passed otherwise than at a meeting, if purporting to be signed by a director or secretary of the Issuer), are, unless the contrary is proved, conclusive evidence of the matters contained in them.
- (c) Until the contrary is proved, every such minute in respect of the proceedings of which minutes have been made and signed in that manner is deemed to have been duly convened and held, and all resolutions passed or proceedings transacted at that meeting are deemed to have been duly passed and transacted (or, where the resolution is passed otherwise than at a meeting, such resolution is deemed to have been duly passed).

11 Notes of more than one Series

11.1 Application

This paragraph applies whenever there are outstanding Notes which do not form a single Series.

11.2 Resolutions affecting one Series

A resolution which affects one Series of Notes only is taken to have been duly passed if passed at a meeting, or by a written resolution, of the Holders of that Series.

11.3 Resolutions affecting more than one Series

- (a) A resolution which affects more than one Series of Notes but does not give rise to a conflict of interest between the Holders of any of the Series so affected is taken to have been duly passed if passed at a single meeting, or by a written resolution, of the Holders of all Series so affected (and, for the purposes of determining the requisite quorum and required proportions of holdings for determining if a resolution has been

passed at such a meeting, all Series shall be aggregated as if they formed a single Series).

- (b) A resolution which affects more than one Series and gives or may give rise to a conflict of interest between the Holders of any of the Series so affected is taken to have been duly passed if passed at separate meetings, or by separate written resolutions, of the Holders of each Series so affected.

11.4 Legal opinions

The Issuer and the Trustee may rely on, and the Holders are bound by, a legal opinion from independent legal advisers of recognised standing in Australia to the effect that a resolution:

- (a) affects one Series only; or
- (b) if it affects more than one Series of Notes, does not give rise to a conflict of interest, for the purposes of determining the meeting or meetings which need to be held for the purposes of this paragraph.

12 Further procedures

The Issuer and the Trustee may prescribe further regulations for the holding of, attendance and voting at meetings as are necessary or desirable and are not materially prejudicial to the interests of the Holders as a whole.

13 Interpretation

- 13.1 Words and expressions defined in the Deed have the same meaning in this Schedule 2, unless the context otherwise requires.
- 13.2 Where a meeting of Holders in a Series only is to be held, the references in this Schedule 2 to 'Holder' or 'Holders' is to a Holder or Holders in that Series only.
- 13.3 Unless the Terms otherwise provide, if there is any inconsistency between the provisions of the Terms and the Trust Deed, then, to the maximum extent permitted by law, the provisions of the Trust Deed (and this Schedule 2) will prevail.
