Revised Result of General Meeting

On 11 July 2024, Litchfield Minerals Limited (“Litchfield”) lodged the results of the General Meeting, held on 11 July 2024. On subsequent review of the results, Litchfield has identified an error in the voting results. The KMPs involved in the meeting were not correctly flagged as KMPs in all resolutions and as a result, votes were incorrectly counted in favour of the resolutions rather than abstaining.

Litchfield has engaged with the registry to confirm all KMPs and related entities have been correctly identified to ensure this error does not occur again. In addition, Litchfield will engage with the registry prior to any future meeting to ensure that the KMP register is correct for the meeting.

The revised results of Litchfield Minerals Limited’s General Meeting, held on 11 July 2024, are set out in the attached document.

All resolutions were passed successfully.

This announcement has been approved by the Board of Directors.
