8.8 If Item 8.7 is less than 2 quarters, please provide answers to the following questions:

1. Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Answer: No. The quarterly cashflows reflect a spike in cash requirements resulting from completion of the Company's recent drilling program to establish a second JORC Mineral Resource Estimate.

2. Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: The Company is in ongoing dialogue with a number of funding sources and is confident that it will be able to meet its ongoing funding requirements.

3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: The Company expects to continue its operations and meet its business objectives based on its historical performance in doing so and the expressed interest by a number of parties in supporting the Company's ongoing development
