

## PLACEMENT OF SHORTFALL

### PERTH, Australia and SAN FRANCISCO, California – 9 April 2025

PYC Therapeutics Limited (ASX:PYC) (**PYC** or the **Company**) is a precision medicine Company dedicated to changing the lives of patients with genetic diseases who have no treatment options available.

PYC is currently in the process of completing a ~\$146m Entitlement Offer<sup>1</sup>. The Company today announces that it has received ~\$133m of the total contemplated (bringing the Company's cash runway to >\$200m<sup>2</sup>) with the remaining balance of ~\$13 million expected to be received prior to the end of the month.

The underwriter of the remaining balance has advised the Company that they have a liquidity issue and have requested an extension of time through to 30 April to pay the outstanding liability. The Company is seeking payment guarantees and a bond to offset against any potential failure to complete by the underwriter. The Company has reserved its rights under the underwriting agreement with respect to the outstanding liability and will consider the underwriter's request in due course.

### About PYC Therapeutics

PYC Therapeutics (ASX: PYC) is a clinical-stage biotechnology company creating a new generation of RNA therapies to change the lives of patients with genetic diseases. The Company utilises its proprietary drug delivery platform to enhance the potency of precision medicines within the rapidly growing and commercially proven RNA therapeutic class. PYC's drug development programs target monogenic diseases – **the indications with the highest likelihood of success in clinical development**<sup>3</sup>.
