ASX ANNOUNCEMENT

SRG / WBHO JV AWARDED \$22.8M CONTRACT FOR MARGARET RIVER PERIMETER ROAD PROJECT IN WA

Highlights

- **MRPR Joint Venture (WBHO Infrastructure and SRG Civil Pty Ltd) awarded a \$22.8 million contract by Main Roads WA for the Margaret River Perimeter Road Stage 2 Project**
- **SRG to construct two bridges – one traffic bridge and one pedestrian bridge**

SRG Limited (ASX: SRG) ("SRG"), a leading complex services company, is pleased to announce that it has been selected to deliver part of the Margaret River Perimeter Road Stage 2 project for Main Roads Western Australia with JV partner, WBHO Infrastructure.

SRG will be responsible for the construction of two bridge structures over the Margaret River – the first will be a 100 metre long road-bridge and the second will be a pedestrian bridge forming part of the Darch trail.

SRG Managing Director, David Macgeorge commented "We are delighted to be working alongside WBHO Infrastructure as a 50/50 JV partner on this important project to provide an alternative route for heavy vehicles around the Town of Margaret River."

"The work we are doing will see heavy vehicles removed from the iconic Margaret River town centre with the purpose of reducing congestion. It is expected to enhance safety for pedestrians and local traffic in the commercial and tourist precinct."

The perimeter road is 7km long and extends from the Airport Access Road north of Margaret River, linking back to the Bussell Highway south of Margaret River. The project will commence in September 2017 and is scheduled for completion mid 2018.

**MAKING
THE
COMPLEX
SIMPLE**

Issued by SRG Limited ABN 57 006 413 574

SRG Limited are an Australian complex services company. Our vision is to make the complex simple for our customers and our mission is to be a leading provider of complex services to the construction and mining industry worldwide.

Founded in Victoria in 1961, the Company commenced trading as BBR Australia Pty Ltd with the first project undertaken to supply and install rock anchors for the Snowy Mountains scheme. Listed in 1987 on the ASX as Structural Systems Limited, the organisation has grown from a small privately owned specialist post-tensioning company to a diverse international contractor in building, civil, mining, products and services. SRG has offices throughout Australia as well as in the Middle East and Hong Kong. In November 2014, Structural Systems Limited became SRG Limited.
