About Surefire Resources:

Surefire Resources is an Australian mineral exploration company based in Perth, Western Australia (WA). The company holds mineral exploration licences over Vanadium, Magnetite and Gold projects located in WA. Its focus is on adding value to shareholders by advancing its Victory Bore vanadium critical and battery minerals project, located close to existing infrastructure and currently in Pre-Feasibility stage. In addition, its large magnetite project with up high-grade Iron and its Gold project have potential to add considerable value to the company.
