ASX Company Announcements

UIL (Singapore) Pte Ltd withdraws from the winding up proceedings

The Company refers to its previous announcements made in relation to winding up proceedings initially originated by RUS Mining and later substituted by UIL (Singapore) Pte Ltd (**UIL**).

The matter between the Company and UIL is now settled and UIL has withdrawn from the winding up proceedings against the Company.

However, PCL Shipping Pte Ltd (**PCL**) a non-party supporting creditor has applied to be substituted as the plaintiff in the proceedings for an alleged debt of around US \$3.29 million and the matter is listed for directions on 21 July 2014.

The Company denies the claim and seeking necessary legal advice.
