

ASX ANNOUNCEMENT

21 July 2025

ON MARKET SHARE BUY-BACK

Beacon Minerals Limited (**ASX:BCN**) (**Beacon** or **the Company**) is pleased to announce that it intends to undertake an on-market share buy back (**On Market Buy-Back**) for up to 9,391,920 fully paid ordinary shares in the Company (**Shares**). Beacon has made available \$12.0 million towards the purchase of Shares via the On Market Buy-Back.

The extent to which the Company buys back Shares, the timing of any buy-back, and the price at which any Shares are bought back, are each subject to a range of factors including market conditions. The Company does not expect to always be in the market during the potential buy-back period, and any buy-back will occur at the Company's discretion. There can be no certainty that the Company will buy-back the issued capital available under the On Market Buy-Back.

The On Market Buy-Back will comply with the '10/12 limit' permitted by the Corporations Act 2001 (Cth) and ASX Listing Rules and therefore does not require shareholder approval.

The purpose of the On Market Buy-Back is to improve shareholder returns, enhance capital efficiency, and maintain sufficient flexibility to pursue future growth and investment opportunities.

The Company will be permitted to buy back from 1 August 2025. The Share buy-back price will be no more than 5% above the weighted price over the 5 trading days prior to purchase.

As at 30 June 2025 the Company has a cash balance of \$20.1 million and 2,744 ounces held at Perth Mint and 1,778 ounces fine gold in transit. A buy-back of 9,391,920 Shares would cost circa \$11.3 million at the last price, being \$1.20 as at 18 July 2025.

The Company has engaged Argonaut Securities Pty Limited (**Argonaut**) to provide broking services to Beacon in respect of the On Market Buy-Back on commercial terms considered standard for an agreement of this nature.

In accordance with the ASX Listing Rules, an Appendix 3C will be lodged separately.

Authorised for release by the Board of Beacon Minerals Limited.
