Disclaimer

The material in this presentation is a summary of the results of nib holdings limited (nib) for the 12 months ended 30 June 2022 and an update on nib's activities for the 4 months ended 31 October 2022. This presentation is current at the date of preparation, being 18 November 2022. Further details are provided in nib's 2022 annual report. Figures provided for the 4 months to 31 October 2022 have not been subject to audit.

Not a recommendation, offer or invitation

This presentation is not financial product or investment advice or a recommendation, offer or invitation by any person or to any person to sell or purchase securities in nib in any jurisdiction. This presentation contains general information only and does not take into account the investment objectives, financial situation and particular needs of individual investors. Investors should make their own independent assessment of the information in this presentation and obtain their own independent advice from a qualified financial adviser having regard to their objectives, financial situation and needs before taking any action.

Distribution may be restricted

The distribution of this presentation including in jurisdictions outside Australia, may be restricted by law. Any person who receives this presentation must seek advice on and observe any such restrictions. Nothing in this presentation constitutes an offer or invitation to issue or sell, or a recommendation to subscribe for or acquire securities in any jurisdiction where it is unlawful to do so. An investment in nib securities is subject to investment and other known and unknown risks, some of which are beyond the control of nib. nib does not guarantee any particular rate of return or the performance of nib securities. Shareholders should note that past performance of nib, including the historical trading price of the shares, cannot be relied upon as an indicator of (and provides no guidance as to) future performance, including the future trading price of shares.

No representation or warranty

No representation or warranty, express or implied, is made as to the fairness, accuracy, reliability, completeness or correctness of information contained in this presentation, including the accuracy, likelihood of achievement or reasonableness, fairness, accuracy, reliability, completeness or correctness of any forecasts, prospects, returns or statements in relation to future matters contained in the presentation ("forward-looking statements"). Whilst the forward-looking statements are based on current views, expectations and beliefs as at the date they are expressed, such forward-looking statements are by their nature subject to significant uncertainties and contingencies and are based on a number of estimates and assumptions that are subject to change (and in many cases are outside the control of nib and its Directors) which may cause the actual results or performance of nib to be materially different from any future results or performance expressed or implied by such forward-looking statements. Accordingly, there can be no assurance or guarantee that these forward-looking statements will be realised.

No advice

This presentation provides information in summary form only and is not intended to be complete. It is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor.

Basis of preparation

The financial information disclosed has been prepared on a statutory basis. Due care and consideration should be undertaken when considering and analysing nib's financial performance. All references to dollars are to Australian Dollars unless otherwise stated.

No liability

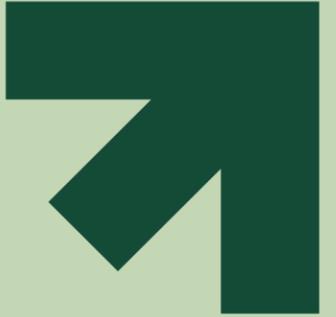

To the maximum extent permitted by law, neither nib nor its related corporations, Directors, officers, employees or agents, nor any other person, accepts any liability (direct, indirect or consequential) including, without limitation, any liability arising from fault or negligence, for any loss whatsoever arising from the use of this presentation or its contents or otherwise arising in connection with it (whether foreseeable or not).

This presentation should be read in conjunction with other publicly available material. Further information including historical results and a description of the activities of nib is available on our website: nib.com.au/shareholders.

Group and nz figures are inclusive of nib nz insurance limited (previously Kiwi Insurance Limited) unless otherwise stated. Kiwi Insurance Limited was acquired on 29 April 2022.

As referenced in this presentation, if there is a percentage increase or (decrease) between comparative periods, the change shown is the difference between those two percentages. Any discrepancies between totals and sums of components in this publication are due to rounding.

July to October FY23 business update

Group Financial Result (\$m)	4 mths to 31/10/22	4 mths to 31/10/21	Vs PCP
Premium revenue	940.4	898.5	▲ 4.7%
Underlying operating profit	109.5	94.1	▲ 16.3%
Net profit after tax	84.1	64.1	▲ 31.2%

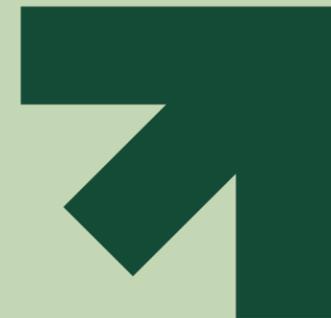

Segment Growth	As at 31/10/22	As at 31/10/21	Vs PCP
arhi policyholders	677,907	651,583	▲ 4.0%
iihi policyholders	170,051	170,526	▼ 0.3%
nz ¹ policyholders	128,469	122,239	▲ 5.1%
travel - GWP (\$m)	70.8	9.2	▲ 669.0%
travel - sales (#)	257,320	53,425	▲ 381.6%

- nib continues to perform strongly, with all businesses contributing.
- arhi has maintained its strong performance
- The growth in UOP mainly driven by the recovery in the travel and iihi businesses, as well as an improved performance in NZ.
- Investment income has been volatile, but October was strong and YTD is now \$21.7m (PCP \$2.1m) assisting NPAT growth.
- Ongoing uncertainty about claims catch up and inflation.

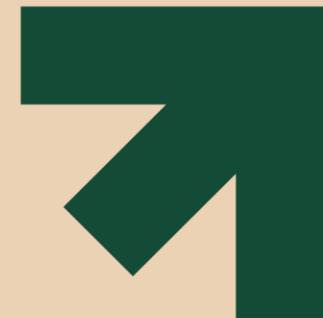

1. NZ PHI resident and student policyholders only, excludes life and living products.

Outlook and key issues

- Continued growth in Australian resident's health insurance and New Zealand. Managing eventual reversion to “normal” claims experience and underwriting margins. Possible further member compensation.
- Demand for migrant workers adds impetus to international workers business. Margins remain at current levels.
- International students and travel businesses ongoing recovery from pandemic impact albeit with some uncertainty about pace. Student margins improve.
- Further investment and expansion of Honeysuckle Health. Additional clientele and revenue growth anticipated.
- Further acquisitions and investment in NDIS plan management. Consolidation and technology build.
- Conservative investment mandate profile (80% defensive; 20% growth).

Thank you

Net profit after tax (NPAT)	84.1	64.1	▲ 31.2%

- Premium revenue growth of 7.0% when adjusting for impact of member givebacks in current period and PCP, driven by strong policyholder growth in arhi and nz, and recovery of the iihi business
- Reported claims has been impacted by changes in the COVID provision (decrease in current period and increase in PCP)
- We are also highlighting the impact of Midnight Health on UOP which will now be consolidated in FY23 as nib moved to majority ownership (with the adjustment for the minority interest occurring below the NPAT line)
- DCL balance of \$98.7m as at 31 October 2022 (\$98.7m 30 Sep, \$110.2m 30 Jun).
