AGENDA

Financial Reports

To receive and consider the financial report of the Company for the year ended 30 June 2024, together with the Directors' Report and the Auditor's Report as set out in the Annual Report.

1 Resolution 1 – Non-Binding Resolution to adopt Remuneration Report

To consider and, if thought fit, pass the following resolution as a **non-binding resolution**:

"That the Remuneration Report for the year ended 30 June 2024 as set out in the 2024 Annual Report be adopted."

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company. Shareholders are encouraged to read the Explanatory Memorandum for further details on the consequences of voting on this Resolution.

Voting exclusion statement: The Company will disregard any votes cast on the Resolution by or on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties. However, the Company need not disregard a vote if:

- (a) it is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the proposed Resolution **or** the proxy is the Chair of the Meeting and the appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel; and
- (b) it is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

Further, a Restricted Voter who is appointed as a proxy will not vote on the Resolution unless:

- (a) the appointment specifies the way the proxy is to vote on the Resolution; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Shareholders should note that the Chair intends to vote any undirected proxies in favour of the Resolution. In exceptional circumstances, the Chair of the Meeting may change their voting intention, in which case an ASX announcement will be made.

Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If any of the persons named above purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and those persons may be liable for breaching the voting restrictions that apply to them under the Corporations Act.

2 Resolution 2 – Re-election of Mr Marcello Cardaci as a Director

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

"That, Mr Marcello Cardaci, who retires in accordance with rule 6.1(f) of the Constitution and Listing Rule 14.5 and, being eligible for re-election, be re-elected as a Director."

3 Resolution 3 – Appointment of Auditor

To consider, and if thought fit, to pass the following as a **special resolution**:

"That, for the purposes of section 327B(1) of the Corporations Act and for all other purposes, BDO Audit Pty Ltd, having been nominated by a Shareholder and consented in writing to act as auditor of the Company, be appointed as auditor of the Company, with effect from the conclusion of this Meeting."

4 Resolution 4 – Approval of Additional 10% Placement Capacity

To consider and, if thought fit, to pass the following resolution as a **special resolution**:

"That, for the purpose of Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with Listing Rule 7.1A.2 and on the terms and conditions set out in the Explanatory Memorandum."

Note: No voting exclusion statement is included for this Resolution because the Company is not proposing any issue of Equity Securities under Listing Rule 7.1A as at the date of this Notice.

5 Resolution 5 – Renewal of proportional takeover provisions

To consider and, if thought fit, to pass the following resolution as a **special resolution**:

"That, pursuant to and in accordance with section 648G of the Corporations Act 2001 (Cth), the existing proportional takeover provisions in the form set out in rule 14 of the Company's Constitution are renewed for a period of three years commencing on the date of the Meeting."

OTHER BUSINESS

Dated: 17 October 2024

How to vote

Shareholders can vote by either:

- attending the Meeting and voting in person or by attorney or, in the case of corporate Shareholders, by appointing a corporate representative to attend and vote; or
- appointing a proxy to attend and vote on their behalf using the Proxy Form accompanying this Notice and by submitting their proxy appointment and voting instructions in person, by post, electronically via the internet or by facsimile.

Voting in person (or by attorney)

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that their holding may be checked against the Company's share register and their attendance recorded. To be effective a certified copy of the Power of Attorney, or the original Power of Attorney, must be received by the Company in the same manner, and by the same time as outlined for proxy forms below. An attorney need not be a Shareholder.

Voting by a Corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which it is signed. The representative need not be a Shareholder.

Voting by proxy

- A Shareholder entitled to attend and vote is entitled to appoint a proxy or, if the Shareholder is entitled to cast two or more votes, not more than two proxies. Each proxy will have the right to vote on a poll and also to speak at the Meeting.
- The appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies (i.e. where there are two proxies, each proxy may exercise half of the votes).
- A proxy need not be a Shareholder.
- The proxy can be either an individual or a body corporate.
- If a proxy is not directed how to vote on an item of business, the proxy may generally vote, or abstain from voting, as they think fit. However, where a Restricted Voter is appointed as a proxy, the proxy may only vote on Resolution 1 in accordance with a direction on how the proxy is to vote or, if the proxy is the Chair of the Meeting and the

appointment expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

- Should any resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.
- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.
- Shareholders who return their Proxy Forms with a direction how to vote, but who do not nominate the identity of their proxy, will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned but the nominated proxy does not attend the Meeting, the Chair of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which apply to some of the proposed Resolutions. However, in exceptional circumstances, the Chair of the Meeting may change their voting intention, in which case an ASX announcement will be made. These rules are explained in this Notice.
- To be effective, proxies must be received by 10:00am (AWST) on Wednesday, 20 November 2024. Proxies received after this time will be invalid.
- Proxies may be lodged using any of the following methods:
 - in person to Automic, Level 5, 126 Phillip Street, Sydney, NSW 2000;
 - by post to Automic, GPO Box 5193, Sydney, NSW 2001;
 - by email to meetings@automicgroup.com.au;
 - by facsimile to + 61 2 8583 3040; or
 - by recording the proxy appointment and voting instructions via the internet at <https://investor.automic.com.au/#/loginsah> or scanning the QR code on the Proxy Form using your smartphone. Only

registered Shareholders may access this facility and will need their Holder Identification Number (**HIN**) or Securityholder Reference Number (**SRN**).

- The Proxy Form must be signed by the Shareholder or the Shareholder's attorney. Proxies given by corporations must be executed in accordance with the Corporations Act. Where the appointment of a proxy is signed by the appointer's attorney, a certified copy of the Power of Attorney, or the power itself, must be received by the Company at the above address, or by facsimile, and by 10:00am (AWST) on Wednesday, 20 November 2024. If facsimile transmission is used, the Power of Attorney must be certified.

Shareholders who are entitled to vote

In accordance with paragraphs 7.11.37 and 7.11.38 of the Corporations Regulations, the Board has determined that a person's entitlement to vote at the Annual General Meeting will be the entitlement of that person set out in the Register of Shareholders as at 4:00pm (AWST) on Wednesday, 20 November 2024.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting of the Company.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Memorandum.

Financial Reports

The first item of the Notice deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2024, together with the Directors' declaration and report in relation to that financial year and the Auditor's Report on the financial report. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the accounts and on the management of the Company.

The Chair will also give Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the independent audit report;
- (c) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the Auditor by the Company in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

1 Resolution 1 – Non-Binding Resolution to adopt Remuneration Report

1.1 General

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2024 Annual Report be adopted. The Remuneration Report is set out in the Company's 2024 Annual Report and is also available on the Company's website (www.altamin.com.au).

The vote on this Resolution is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second Annual General Meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second Annual General Meeting. All of the Directors

who were in office when the applicable Directors' Report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The remuneration report for the financial year ended 30 June 2023 did not receive a vote of more than 25% against its adoption at the Company's last general meeting held on Thursday, 30 November 2023. Accordingly, if at least 25% of the votes cast on this Resolution are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity based compensation.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

1.2 Voting

Note that a voting exclusion applies to this Resolution in the terms set out in the Notice.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution.

2 Resolution 2 – Re-election of Mr Marcello Cardaci as a Director

2.1 General

Pursuant to rule 6.1(f) of the Constitution and Listing Rule 14.5, Mr Marcello Cardaci, being a Director, retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

If the Resolution is passed, Mr Marcello Cardaci will be re-elected and will continue to act as a Director. If the Resolution is not passed, Mr Marcello Cardaci will not be re-elected and will cease to act as a Director.

2.2 Qualifications

Mr Marcello Cardaci was previously a partner in Gilbert & Tobin's Corporate Advisory Group. Mr Marcello Cardaci has advised on a range of corporate and commercial matters including public and private equity fund raisings and public and private mergers, acquisitions and divestment. Mr Marcello Cardaci also regularly advises on issues relating to Corporations Act and the Listing Rules. He has cross-border experience, having advised on numerous overseas transactions including capital raisings, takeovers, schemes of arrangements and the structuring of acquisitions and joint ventures in numerous countries.

Mr Marcello Cardaci has also lectured in the securities law course conducted by the Securities Institute of Australia and is a past committee member of the State Branch of the Australian Mining and Petroleum Law Association Limited.

2.3 Other material directorships

Currently, Mr Marcello Cardaci is also a director of Nordic Nickel Limited (ASX:NNL) and Manhattan Corporation Limited (ASX:MHC).

2.4 Independence

Mr Marcello Cardaci was appointed as a non-executive Director on 7 October 2014 and was last re-elected by Shareholders at the Company's 2022 annual general meeting on Monday, 28 November 2022. Mr Marcello Cardaci is the Chairman of the Remuneration Committee, Nomination Committee and Audit & Risk Committee when the full board meets in its capacity as these committees.

The Board considers that Mr Marcello Cardaci, if re-elected, will not be classified as an independent director given that Mr Marcello Cardaci has a relevant interest in 179,798 Shares held directly and an indirect interest in 19,183,471 Shares held by Malvasia Pty Ltd as trustee for The Spyder Super Fund A/c (in aggregate, representing approximately 4.41% of all Shares). With respect to the Shares held by Malvasia Pty Ltd as trustee for The Spyder Super Fund A/c, Mr Marcello Cardaci is a beneficiary of the Spyder Super Fund and has a current association with the trustee of the Spyder Super Fund, but does not control those Shares.

2.5 Directors' recommendation

The Directors, in the absence of Mr Marcello Cardaci, support the re-election of Mr Marcello Cardaci as a director of the Company.

3 Resolution 3 – Appointment of Auditor

3.1 Background

Crowe Perth notified the Company of its decision to voluntarily resign from office as auditor of the Company. Crowe Perth sought and received consent from ASIC to resign as the Company's auditor in accordance with section 329(5) of the Corporations Act on 7 October 2024.

The Company is required to appoint an auditor to fill the vacancy in the office of auditor pursuant to section 327B of the Corporations Act. Therefore, this Resolution 3 seeks Shareholder approval to appoint BDO Audit Pty Ltd (**BDO**) as the Company's auditor under section 327B of the Corporations Act.

Section 328B(1) of the Corporations Act requires that written notice of nomination of a new auditor be received from a member of the Company. The Company has received such a nomination from ASIM Holdings Pty Ltd <The ASLI A/C>, in their capacity as a member of the Company. A copy of the nomination is set out in Annexure A.

BDO has given its written consent to act as the Company's auditor.

If the Resolution is passed, BDO will be appointed as the Company's auditor with effect from the conclusion of this Meeting.

If the Resolution is not passed, the Company will need to appoint a new auditor other than BDO.

3.2 Directors' recommendation

The Directors recommend that Shareholders vote in favour of Resolution 3.

Resolution 3 is a special resolution. At least 75% of the votes cast must be in favour of the Resolution for it to pass.

The Chair intends to exercise all available proxies in favour of Resolution 3.

4 Resolution 4 – Approval of Additional 10% Placement Capacity

4.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed entity can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Listing Rule 7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes given it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$15.8 million as at the date of this Notice.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.2 The number of Equity Securities which may be issued pursuant to the Listing Rule 7.1A Mandate

Based on the number of Shares on issue at the date of this Notice, the Company will have 438,849,034 Shares on issue and therefore, subject to Shareholder approval being obtained under this Resolution, 43,884,903 Equity Securities will be permitted to be issued in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Listing Rule 7.1A Mandate is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities.

That formula is:

$$(A \times D) - E$$

- A** is the number of Shares on issue 12 months immediately preceding the date of issue or agreement (**Relevant Period**):
- (a) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
 - (b) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;

- (c) plus the number of Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the Relevant Period; or
 - (ii) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4;
- (d) plus the number of fully paid Shares issued in the Relevant Period with approval of holders of Shares under Listing Rules 7.1 and 7.4;
- (e) plus the number of partly paid Shares that become fully paid in the Relevant Period; and
- (f) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%; and

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement to issue has not been subsequently approved by Shareholders under Listing Rule 7.4.

4.3 Specific information required by Listing Rule 7.3A

- (a) If the Resolution is passed, the Listing Rule 7.1A Mandate will be valid during the period from the date of the Meeting and will expire on the earlier of:
 - (i) the date that is 12 months after the date of the Meeting;
 - (ii) the time and date of the Company's next annual general meeting; and
 - (iii) the time and date on which the Company receives approval by Shareholders for a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities to be issued will be in an existing class of quoted securities and will be issued for cash consideration at an issue price per Equity Security of not less than 75% of the volume weighted average market price for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The Shares will be issued for cash consideration to to raise funds to progress the Company's exploration projects and working capital.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the Listing Rule 7.1A Mandate, the existing Shareholders' economic and voting interests in the Company will be diluted. There is also a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date the Listing Rule 7.1A Mandate was approved; and

- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date of the Equity Securities.

The table below demonstrates the potential dilution of existing Shareholders in three differing scenarios.

Variable 'A' (refer above for calculation)		Dilution		
		\$0.018 Issue Price at half the current market price	\$0.036 Issue Price at current market price	\$0.072 Issue Price at double the current market price
Current Variable 'A' 438,849,034 Shares	Shares issued	43,884,903	43,884,903	43,884,903
	Funds raised	\$789,928	\$1,579,856	\$3,159,713
	Dilution	10%	10%	10%
50% increase in current Variable 'A' 658,273,551 Shares	Shares issued	65,827,355	65,827,355	65,827,355
	Funds raised	\$1,184,892	\$2,369,784	\$4,739,569
	Dilution	10%	10%	10%
100% increase in current Variable 'A' 877,698,068 Shares	Shares issued	87,769,806	87,769,806	87,769,806
	Funds raised	\$1,579,856	\$3,159,713	\$6,319,426
	Dilution	10%	10%	10%

Note: This table assumes:

- A market price of \$0.036 as at 16 October 2024.
- No Options are exercised before the date of the issue of the Equity Securities.
- The issue of Equity Securities under the Listing Rule 7.1A Mandate consists only of Shares. If the issue of Equity Securities includes quoted Options, for the purposes of the above table, it is assumed that those quoted Options are exercised into Shares for the purposes of calculating the voting dilution effect on existing Shareholders.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Listing Rule 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2, with approval under Listing Rule 7.1 or ratified under Listing Rule 7.4.
- This table does not set out any dilution pursuant to ratification under Listing Rule 7.4.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

- (e) The identity of the persons to whom Shares will be issued is not yet known and will be determined on a case-by-case basis having regard to market conditions at the time of the proposed issue of Equity Securities and the Company's allocation policy, which involves consideration of matters including, but not limited to:
 - (i) the purpose of the issue;
 - (ii) the ability of the Company to raise funds at the time of the proposed issue of Equity Securities and whether the raising of any funds under such placement could be carried out by means of an entitlement offer, or a placement and an entitlement offer;
 - (iii) the dilutionary effect of the proposed issue of the Equity Securities on existing Shareholders at the time of proposed issue of Equity Securities;
 - (iv) the financial situation and solvency of the Company; and
 - (v) advice from the Company's professional advisers, including corporate, financial and broking advisers (if applicable).

The persons to whom Shares will be issued under the Listing Rule 7.1A Mandate have not been determined as at the date of this Notice, but will not include related parties of the Company (or their Associates).

- (f) The Company has not previously issued or agreed to issue Equity Securities under Listing Rule 7.1A2 in the 12 months preceding the date of the Meeting.
- (g) The Company is not currently proposing to make an issue of Equity Securities under LR 7.1A as at the date of this Notice, therefore no voting exclusion statement is included in the Notice for this Resolution.

5 Resolution 5 – Renewal of proportional takeover provisions

5.1 Background

The Corporations Act permits a company to include in its constitution provisions (called **takeover approval provisions**) requiring that a proportional or partial takeover offer (ie an offer for less than 100% of the shares but for the same proportion of each shareholder's shares) be approved by a majority of shareholders, before it may proceed. In effect, the approval of Resolution 5 will enable the Company to refuse to register shares acquired under a proportional takeover bid unless than bid is approved by a majority of shareholders.

The Company's Constitution currently contains provisions dealing with proportional takeover bids.

5.2 Section 648G of the Corporations Act

The following information is provided pursuant to section 648G of the Corporations Act.

(a) Operation of the proportional takeover provisions

If the proportional takeover provisions set out in rule 14 of the Company's Constitution are renewed the registration of a transfer of Shares acquired under a proportional takeover offer will be prohibited

unless an approving resolution is passed by Shareholders in the Company in the manner provided in rule 14 of the Company's Constitution.

The proportional takeover provisions do not apply to a full takeover bid for all of the Shares of the Company.

If the Company's existing proportional takeover provisions are renewed and a proportional takeover offer is subsequently made for Shares in the Company, the Directors must seek Shareholder approval by a majority vote to register transfers under the proportional takeover bid. The Shareholder approval can be obtained at a general meeting of Shareholders.

Those Shareholders who are entitled to vote at the general meeting are the Shareholders (other than the bidder and its associates) who are recorded on the register of members at the end of the day on which the first of the takeover offers under the proportional takeover bid is made.

The resolution must be voted on at least 14 days before the last day of the offer period under the proportional takeover bid. The resolution will be passed if more than 50 percent of eligible votes are cast in favour of the approval. If no such resolution has been voted on at least 14 days before the last day of the bid period then a resolution to approve the registration of transfers under the bid is taken to have been passed.

If the resolution is not passed by a majority of the shares voted, then the offer will be deemed to be withdrawn and registration of any transfer of shares resulting from the offer will be prohibited. Acceptances will be returned and any contracts formed by acceptance will be rescinded. If the resolution is approved, transfers of shares to the bidder will be registered provided they comply with the other provisions of the Constitution.

If Resolution 5 is passed, rule 14 of the Company's Constitution will have effect for a three year period commencing on 22 November 2024. After a period of three years, rule 14 of the Constitution would cease to apply unless renewed by a further special resolution of Shareholders.

(b) Current acquisition proposals

As at the day on which this Notice and Explanatory Memorandum is prepared, none of the Directors of the Company is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

(c) Advantages of proportional takeover provisions to Shareholders

Potential advantages to Shareholders of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) The takeover approval provisions may enable Shareholders to act together and so avoid the coercion of Shareholders that might otherwise arise where they believe a partial offer is inadequate, but nevertheless accept through concern that a significant number of other Shareholders will accept.
- (ii) The takeover approval provisions may provide Shareholders with protection against being coerced into accepting a partial bid at a high premium where the bidder indicates its intention to mount a subsequent bid for the remaining shares at a much reduced price. This puts pressure on Shareholders to accept the initial bid in order to maximise their returns.
- (iii) If a partial bid is made, the takeover approval provisions may make it more probable that a bidder will set its offer price at a level that will be attractive to at least a majority of Shareholders.

- (iv) The body of Shareholders may more effectively advise and guide the Directors' response to a partial bid, and knowing the view of the majority of Shareholders may assist individual Shareholders to assess the likely outcome of the proportional bid and decide whether or not to accept an offer under the bid.
- (v) The takeover approval provisions may make it more probable that any takeover offer will be a full bid for the whole shareholding of each Shareholder, so that Shareholders may have the opportunity of disposing of all their Shares rather than only a proportion.

(d) Disadvantages of the proportional takeover provisions to Shareholders

Potential disadvantages to Shareholders of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) By placing obstacles in the way of partial offers, the proposal may tend to discourage partial offers, thus reducing the opportunity for Shareholders to sell a portion of their holding.
- (ii) It is possible that the existence of the takeover approval provisions might have an adverse effect on the market value of the Company's Shares by making a partial offer less likely thus reducing any takeover speculation element in the Share price.
- (iii) An individual Shareholder who wishes to accept a proportional offer will be unable to sell to the bidder unless a majority of Shareholders favour the proportional takeover scheme (which may be viewed as an additional restriction on the ability of individual Shareholders to deal freely in their Shares).
- (iv) If a proportional takeover offer is made, the Company will incur the cost of calling a meeting of Shareholders.

(e) Advantages and disadvantages of the proportional takeover provisions for the Directors

Potential advantages and disadvantages to the Directors of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) If the Directors consider that a proportional bid should be opposed, they will be assisted in preventing the bidder from securing control of the Company as the bidder will need a majority of votes to be cast in its favour by the independent Shareholders, before the bidder can succeed.
- (ii) On the other hand, under the takeover approval provisions, if a proportional takeover offer is received, the Directors must call a meeting to seek the Shareholders' views. They must do so even if the Directors believe that the offer should be accepted.
- (iii) At present, it is only the Directors who express any formal view on the adequacy or otherwise of a takeover bid, on behalf of the Company. Under the takeover approval provisions the most effective view on a proportional bid will become the view expressed by the vote of the Shareholders themselves, at the meeting.
- (iv) The takeover approval provisions may make it easier for the Directors to discharge their fiduciary and statutory duties as directors in the event of a proportional takeover bid.

(f) Reasons for proposing the Resolution

Having considered the advantages and disadvantages to Shareholders and the Directors, the Directors have decided to put this Resolution to Shareholders, to give Shareholders an opportunity to

take advantage of the protections which the takeover approval provisions offer, if a proportional takeover offer is made.

5.3 Directors' recommendation

The Directors recommend that Shareholders vote in favour of Resolution 5.

Resolution 5 is a special resolution. At least 75% of the votes cast must be in favour of the Resolution for it to pass.

The Chair intends to exercise all available proxies in favour of Resolution 5.
