WRKR Appoints Con Lambropoulos as Chief Operating Officer and Head of Delivery

Wrkr Ltd (Wrkr) (ASX: WRK) is thrilled to announce the appointment of Con Lambropoulos as Chief Operating Officer and Head of Delivery. Con joins the executive leadership team alongside CEO Trent Lund, CFO Karen Gilmour, and CTO Joe Brasacchio. With a distinguished career across major organisations such as PwC, Telstra, and Westpac, Con brings a wealth of experience in technology leadership and business transformation to Wrkr.

Con's expertise in operational excellence, agile delivery and client engagement aligns with Wrkr's mission to drive innovation and expand digital employer and superannuation services. His appointment marks a pivotal step in Wrkr's journey to enhance user experience, scalability, and market impact.

Con said, "I am excited to join Wrkr and look forward to contributing to its growth and success. Wrkr's commitment to innovation and client-centred delivery presents incredible opportunities, and I'm eager to help lead the team to new achievements. I am particularly inspired by Wrkr's mission to make compliance simple, streamlining processes from hire to retire, and I am committed to advancing this vision."
