The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors of the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

However, if the Remuneration Report receives a 'no' vote of 25% or more ("**Strike**") at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board (except a managing director). Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than a managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

A voting exclusion statement for Resolution 1 is included in the Voting Exclusions.

5. **RESOLUTION 2 – ELECTION OF PHILIP COPELAND AS DIRECTOR**

Resolution 2 seeks approval for the election of Philip Copeland as a Director with effect from the end of the Meeting.

The Company's Constitution provides that any director who is appointed during the year must retire at the next AGM after their appointment. Philip Copeland was originally appointed on 23 January 2023 and accordingly retires from office in accordance with the above requirements and submits himself for re-election.

Founded in Australia, Avoka rapidly expanded to the global markets with a core focus on the US. Avoka was acquired by Temenos in 2018 for \$US245M. Phil currently resides in Colorado, USA and will be assisting XRG to break into the US Government markets and guiding the company as it executes its international growth strategy through Enterprise Software.

The Chairman intends to exercise all available proxies in favour of this resolution.

Resolution 4 seeks approval for the election of Kim Hopwood as a Director with effect from the end of the Meeting.

The Company's Constitution provides that one-third of the Directors, excluding the Managing Director, must retire from office at the close of each annual general meeting of the Company. The retiring director is determined as that director that has been longest in office since their last election. A retiring Director is eligible for re-election.

Kim Hopwood was last elected on 30 November 2021 and accordingly retires from office in accordance with the above requirements and submits himself for re-election.

Kim has an extensive background of digital marketing, proven business acumen and a digital/IT skillset. He has over 20 years of experience across technology, media, management and operations.

Kim was the co-founder and CEO of digital agency Pusher from 2004, which sold to global communications group Publicis in 2014. Kim remained as Managing Director of Digital until late 2017.

Directors' recommendation

The Board (with Kim Hopwood abstaining) unanimously supports the re-election of Kim Hopwood and recommends that Shareholders vote in favour of this resolution.

The Chairman intends to exercise all available proxies in favour of this resolution.

7. RESOLUTION 4 – ELECTION OF JOHN DIDDAMS AS DIRECTOR

Resolution 4 seeks approval for the election of John Diddams as a Director with effect from the end of the Meeting.

The Company's Constitution provides that one-third of the Directors excluding the Managing Director must retire from office at the close of each annual general meeting of the Company. The retiring director is determined as that director that has been longest in office since their last election. A retiring Director is eligible for re-election.

John Diddams was last elected on 10 November 2022 and accordingly retires from office in accordance with the above requirements and submits himself for re-election.

years of financial and management experience in Australia and overseas.

Directors' recommendation

The Board (with John Diddams abstaining) unanimously supports the re-election of John Diddams and recommends that Shareholders vote in favour of this resolution.

The Chairman intends to exercise all available proxies in favour of this resolution.

8. RESOLUTION 5 - APPROVAL OF 10% PLACEMENT CAPACITY

Background

Listing Rule 7.1A enables eligible entities, subject to shareholder approval by special resolution, to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting ("**10% Placement Capacity**"). The 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Capacity. The number of Equity Securities to be issued under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

This resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) on the resolution.

The purpose of this resolution is to provide the Company with flexibility to meet future business and financial needs. The Board believes that it is advantageous to have the ability to act promptly with respect to potential opportunities and that approval of the 10% Placement Capacity is desirable in order to have the securities available, as needed, for possible future financing transactions, strategic transactions, or other general corporate purposes that are determined to be in the Company's best interests.

Approval of this resolution would enable the Company to issue Shares without the expense and delay of holding a general meeting, except as may be required by applicable law or regulations. The cost, prior notice requirements, and delay involved in obtaining shareholder approval at the time a corporate action may become necessary could eliminate the opportunity to effect the action or could reduce the expected benefits.

If approved, subject to the limitations described below with respect to the 10% Placement Capacity, the Company will generally be permitted to issue up to 25% of its issued capital without any further shareholder approval, unless such shareholder approval is required by applicable law or the ASX Listing Rules. Currently, the Company has no definitive plans, understandings, agreements, or arrangements to issue securities for any purpose, other than equity awards

under the Company's long term incentive plan which was adopted by the Company following the approval of Shareholders given at the 2020 Annual General Meeting. The Directors believe that the approval of this resolution will enable the Company to promptly and appropriately respond to business opportunities or to raise additional equity capital.

If this resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities under Listing Rule 7.1.

Listing Rule 7.1A

The effect of this resolution will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

In accordance with Listing Rule 7.3A, specific information is provided as follows:

(a) Equity Securities to be issued

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the company i.e., currently only ordinary shares of the Company may be issued using this facility.

(b) Formula for calculating 10% Placement Capacity

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of fully paid ordinary shares on issue at the commencement of the relevant period:

plus the number of Shares issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;

plus the number of fully paid Shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:

- The convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
- The issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;

plus the number of Shares issued in the relevant period under an agreement to issue within rule 7.2 exception 16 where:

- the agreement was entered into before the commencement of the relevant period; or
- the agreement or issue was approved, or taken to be approved under the Listing Rules, under Listing Rule 7.1 or 7.4; ;

plus the number of Shares issued in the 12 months with Shareholder approval under Listing Rule 7.1 or 7.4;

plus the number of partly paid Shares that become fully paid in the relevant period;

less the number of fully paid Shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement to issue that are not approved by Shareholders under Listing Rule 7.4.

(c) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. At the date of the Notice, the Company has on issue 450,011,224 Shares and currently has the capacity to issue 37,636,600 Equity Securities under Listing Rule 7.1.

Subject to shareholder approval being granted, as sought under this resolution, the Company would have the additional capacity to issue 42,348,968 Equity /securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

(d) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A2 must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 10 Trading Days of the date in the paragraph above, the date on which the Equity Securities are issued.

(e) 10% Placement Period

Shareholder approval of the 10% Placement Capacity under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- the date that is 12 months after the date of the annual general meeting at which the approval is obtained, being 21 November 2024;
- the time and date of the Company's next annual general meeting; or
- the date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the "10% Placement Period").

(f) Dilution Risk

If this resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' economic and voting power in the Company will be diluted as shown in the below table. There is a risk that:

- the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date this resolution is approved; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.0225 50% decrease in Issue Price	\$0.0450 Issue Price	\$0.0675 50% increase in Issue Price
Current Variable A (450,011,224 Shares)	10% Voting Dilution	45,001,122 Shares	45,001,122 Shares	45,001,122 Shares
	Funds raised	\$1,012,525.25	\$2,025,050.51	\$3,037,575.76
50% increase in current Variable A (675,016,836 Shares)	10% Voting Dilution	67,501,684 Shares	67,501,684 Shares	67,501,684 Shares
	Funds raised	\$1,518,787.88	\$3,037,575.76	\$4,556,363.65
100% increase in current Variable A (900,022,449 Shares)	10% Voting Dilution	90,002,245 Shares	90,002,245 Shares	90,002,245 Shares
	Funds raised	\$2,025,050.51	\$4,050,101.02	\$6,075,151.53

The table also shows:

- two examples where variable 'A' has increased by 50% and 100%. Variable 'A' is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or exercise of options or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting); and
- two examples of where the issue price of Shares has decreased by 50% and increased by 50% as against the current market price.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity.
- (ii) No Options (including any Options issued under the 10% Placement Capacity) are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Capacity consists only of Shares.
- (vii) The issue price is \$0.045, being the closing price of the Shares on ASX on 20 September 2023.

(g) Purpose

The Company may seek to issue the Equity Securities for cash consideration for the following purposes:

- to fund the acquisition of new assets and investments where permitted under the Listing Rules; or
- to use the funds raised towards general corporate purposes, including investment in growth and diversification initiatives, reduction of interest bearing debt and funding enhanced marketing efforts to drive revenue.

The Company will comply with the disclosure obligations under the Listing Rules upon issue of any Equity Securities.

As of the date of this Notice, the Company has not formed an intention as to the parties which it may approach to participate in an issue of securities under ASX Listing Rule 7.1A including whether such an issue would be made to existing Shareholders or to new investors.

(h) Allocation Policy

The Company's allocation policy will be dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of the subscribers of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;

- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The subscribers under the 10% Placement Capacity have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.

(i) Cash Consideration only

The Company will only issue Equity Securities under the 10% Placement for cash consideration.

Listing Rule 7.3A.6

The Company has previously obtained Shareholder approval under Listing Rule 7.1A with the last approval being at its 2022 Annual General Meeting held on 10 November 2022.

In the twelve months preceding the date of this Meeting, the Company has not issued any Shares or Options under the approval obtained at its 2022 Annual General Meeting in respect of Listing Rule 7.1A, nor any other security which is convertible into Shares.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of additional Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of this resolution. The Chairman intends to exercise all available proxies in favour of this resolution.

A voting exclusion statement for this Resolution is included in the Voting Exclusions.

9. RESOLUTION 6 – ISSUE OF SERVICE RIGHTS AND OPTIONS TO NON-EXECUTIVE DIRECTOR

General

On 18 January 2023 the Company agreed, subject to obtaining Shareholder approval, to issue a total of 1,000,000 Service Rights to Philip Copeland or his nominee on the terms set out in Schedule 2. Approval is being sought pursuant to section 208 of the Corporations Act and Listing Rule 10.14.

In addition, the Company agreed on the same date, subject to obtaining Shareholder approval, to issue a total of 2,000,000 Options to Philip Copeland or his nominee on the terms set out in Schedule 3. Approval is being sought pursuant to section 208 of the Corporations Act and Listing Rule 10.14.

The terms of the issue of Service Rights are outlined in Schedule 2 and the terms of issue of the Options are outlined in Schedule 3.

Background

The Service Rights and Options contemplated by Resolution 6 will be issued to Philip Copeland or his nominee to align his long-term goals with that of shareholders and to establish an incentive for ongoing dedicated services to the Company.

Under the Company's current circumstances, the Directors (Philip Copeland abstaining) consider that the incentive noted above, represented by the issue of Service Rights and Options, is a cost effective and efficient reward and incentive to provide as opposed to alternative forms of incentive such as the payment of cash compensation only.

Section 208 of the Corporations Act

Section 208 of the Corporations Act states that a public company cannot give a "financial benefit" (including an issue of shares and options) to a "related party" of the Company unless one of the exceptions set out in section 210 to 216 of the Corporations Act apply, or the holders of ordinary securities have approved the giving of the financial benefit to the related party in a general meeting. The Service Rights and Options are considered to be reasonable remuneration in line with section 211 of the Corporations Act.

Philip Copeland is a related party of the Company within the meaning specified under section 228 of the Corporations Act. Further, the provision of the Service Rights and Options constitutes a financial benefit within the meaning of section 229 of the Corporations Act. Accordingly, Shareholder approval is sought under section 208 of the Corporations Act to permit the issue of the Service Rights and Options on the terms set out in Resolution 6 to Philip Copeland (or his nominee) as related parties of the Company.

Requirements under section 219 of the Corporations Act

As required by section 219 of the Corporations Act and Listing Rule 10.15, the following information is provided in relation to Resolution 6:

- (a) the related party is Philip Copeland, who is a related party by virtue of being a Director of the Company;
- (b) the maximum number of Service Rights (being the nature of the financial benefit being provided) to be granted to Philip Copeland is 1,000,000 Service Rights;
- (c) the maximum number of Options (being the nature of the financial benefit being provided) to be granted to Philip Copeland is 2,000,000 Options;
- (d) The financial benefit of the Service Rights has been valued at a 5-day VWAP to the appointment dates.
- (e) The financial benefit of the Options has been valued at a 5-day VWAP to the appointment dates, less the exercise price.
- (f) Philip Copeland is not being paid any other consideration.
- (g) Any Shares issued from the exercise of these Service Rights are subject to a two-year restriction from the date of issue of the Service Rights
- (h) If all of the Service Rights and Options under Resolution 6 were exercised, and no other shares were issued by the Company, the shareholding of existing shareholders would, based on the current issued capital of the Company and prior to the exercise of any other Options issued under the Plan, be diluted by approximately 0.7%.
- (i) The Directors do not consider that there are any opportunity costs to the Company or benefits foregone by the Company in granting the Services Rights or the Options.
- (j) No funds will be raised from the issue of the Service Rights or the Options.
- (k) Philip Copeland, as recipient of the Service Rights and Options, has a material personal interest in the outcome of the Resolution. No other Director has a material personal interest in the outcome of Resolution 6.

Listing Rule 10.14

Listing Rule 10.14 provides that the Company must not permit any of the following persons to acquire equity securities under an employee share scheme:

- (a) a Director of the Company (Listing Rule 10.14.1);
- (b) an associate of the Director of the Company (Listing Rule 10.14.2); and
- (c) A person whose relationship with the Company or person referred to above is such that, in ASX's opinion, the acquisition should be approved by Shareholders (Listing Rule 10.14.3),

unless the Company obtains approval from Shareholders.

As the Service Rights are proposed to be issued to a Director of the Company, it falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

This resolution seeks the required approval from Shareholders under Listing Rule 10.14.

If this resolution is passed, the Company will be able to proceed with the issue of the Service Rights and Options and Philip Copeland will receive the Service Rights and Options as opposed to alternative forms of incentive such as the payment of cash compensation.

If this resolution is not passed, the Company will not proceed with the issue of the Service Rights and Options and will be required to pay Philip Copeland with an alternative form of incentive which will be a payment of cash compensation.

 - (ii) is a fair and reasonable remuneration in lieu of cash payment;

- (iii) recognises the contribution Philip Copeland has and will continue to make to the Company; and
- (iv) is in line with the remuneration benefits paid to other non-executive directors of other companies operating in the Company's industry and business environment.
- (j) The Service Rights and Options are valued at the 5-day VWAP as at the date of Philip Copeland's appointment, which calculates as:
 - (i) \$0.0596 per Service Right, being \$59,600.
 - (ii) \$0.00 per Option, being \$0.
- (k) The Service Rights will be issued for nil consideration and therefore no loans will be created for the issue of the Service Rights.

Any additional persons covered under Listing Rule 10.14 who become entitled to participate in an issue of Service Rights after the resolution is approved and who were not named in this notice of meeting will not participate until approval is obtained under Listing Rule 10.14.

Directors' Recommendations

The primary purpose of the grant of the Service Rights and Options is to provide a motivation aligning the performance of Philip Copeland in his role as director of the Company with the interests of Shareholders.

Philip Copeland expresses no opinion and makes no recommendation in respect of the issue of the Service Rights and Options to him (and/or his nominee) as he has a material personal interest in the outcome of Resolution 7.

Each of the other Directors recommend that shareholders vote in favour of the issue of the Service Rights and Options to Philip Copeland (and/or his nominees) for the reasons set out in this Explanatory Statement, and intend to vote in favour of the resolution.

10. RESOLUTION 7 – APPROVAL OF EMPLOYEE INCENTIVE OPTION PLAN

General

Resolution 7 seeks Shareholder approval for the xReality Group Limited Employee Incentive Option Plan ('**the Plan**') for a further 3 years for the purpose of Listing Rule 7.2 Exception 13. The Plan was last approved by shareholder at the Company's 2020 Annual General Meeting held on 27 November 2020.

The key terms of the issue of the Plan are summarised in Schedule 4.

ASX Listing Rules

Listing Rule 7.1 provides that a listed entity must not, without the prior approval of its shareholders, issue or agree to issue equity securities if the number of equity securities issued

or agreed to be issued, when aggregated with the number of equity securities issued by the company during the 12 months immediately preceding the date of issue or agreement, exceeds 15% of the number of shares on issue at the start of that 12 month period, subject to a number of exceptions under the Listing Rules. Under Listing Rule 7.1A, an eligible entity can seek approval from its Shareholders, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. When it applies, Listing Rule 7.1A provides a similar restriction on the issue or agreement to issue securities. Listing Rule 7.2, exception 13 provides an exception to Listing Rules 7.1 and 7.1A such that an issue of equity securities under an employee incentive scheme is excluded from the calculation of the company's limits under Listing Rule 7.1 and 7.1A if, within three years before the issue date one of the following occurred:

- (a) In the case of a scheme established before the entity was listed, a summary of the terms of the scheme and the maximum number of equity securities proposed to be issued under the scheme were set out in the prospectus, PDS or information memorandum lodged with ASX under Listing Rule 1.1 condition 3 (Listing Rule 7.2 Exception 13(a)); or
- (b) Ordinary shareholders have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1 and Listing Rule 7.1A (Listing Rule 7.2 Exception 13(b)).

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If shareholders do not approve Resolution 7, issues of incentives under the Plan can still proceed, however the issue of securities under the Plan will be included in calculating the Company's capacity under Listing Rule 7.1 or Listing Rule 7.1A, effectively decreasing the number of equity securities the Company can issue without shareholder approval over the 12 month period following the issue of the securities.

If this Resolution 7 is passed, the Company will be able to issue securities under the plan to eligible participants over a period of 3 years from the date of the Meeting. The issue of any securities to eligible participants under the plan (up to the maximum number of securities stated below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

An approval under this Resolution is only available to the extent that:

- (a) any issue of equity securities under the Plan does not exceed the maximum number of securities proposed to be issued as set out in this Notice; and
- (b) there is no material change to the terms of the Plan.

Specific Information required by Listing Rule 7.2

In accordance with the requirements of Listing Rule 7.2 exception 13, paragraph (b), the following information is provided:

- (c) a summary of the material terms of the Plan are set out in Schedule 4 and forms part of this notice;
- (d) the number of the securities that have been issued under the Plan since the date of last approval under ASX Listing Rule 7.2, Exception 13 is 4,000,000, and 1,250,000 have been exercised;
- (e) the maximum number of securities available to be issued under the Plan following Shareholder approval is 19,585,005 securities; and

- (f) a voting exclusion statement in respect of Resolution 7 has been included in the Notice.

Directors' Recommendations

The Directors unanimously recommend that Shareholders vote in favour of Resolution 7.

The Chairman intends to exercise all available proxies in favour of Resolution 7.

On the 18 October 2023, The Company announced a Capital Raise comprising of an Institutional Placement (**Placement**) followed by an entitlement offer to Shareholders of the Company (**Rights Issue**).

Philip Copeland is a related party of the Company within the meaning specified under section 228 of the Corporations Act. Further, the provision of the Service Rights and Options constitutes a financial benefit within the meaning of section 229 of the Corporations Act. However, it is the Company's view that the issue of the Securities will be at arm's length. In particular, Mr Philip Copeland will pay cash for the Copeland Securities and in no more favourable terms to Shareholders under the Rights Issue.

Listing Rule 10.11

Unless one of the exceptions in Listing Rule 10.12 applies, Listing Rule 10.11 provides that the Company must not permit any of the following persons to acquire equity securities without Shareholder approval:

- (c) a person who is, or was at any time in the 6 months before the issue of securities or the agreement, a substantial (+10%) holder in the entity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them the right or expectation to do so (Listing Rule 10.11.3);
- (d) an associate of any person referred to in (a) to (c) above (Listing Rule 10.11.4); and
- (e) a person whose relationship with the entity or person referred to above is such that, in ASX's opinion, the issue or agreement should be approved by Shareholders (Listing Rule 10.11.5).

As the Securities are proposed to be issued to a Director, a related party of the Company, the approval of Shareholders is required under Listing Rule 10.11. Resolution 8 seeks approval from Shareholders under Listing Rule 10.11.

If this Resolution is passed, the Company may issue the Copeland Securities to Mr Copeland.

If this Resolution is not passed, the Company will not issue of the Securities.

Pursuant to Listing Rule 10.13, the Company provides the following further information:

- (c) the maximum number of additional Securities to be issued to Mr Copeland is 2,095,828 Shares and 1,047,914 Options;

- (e) the Company will also receive \$0.05 for each Options issued as part of the Copeland Securities when they are exercised.

 - (i) contribute to the Capital Raise that was announced on the 18th October 2023
