Request for trading Halt

26/10/2015

Wavenet International Limited would like to request a 2 day trading halt for Tuesday 27/10/2015 and Wednesday 28/10/2015.

The trading halt is being requested pending announcements with respect to the future of current tenements in Indonesia and the acquisition of new tenements in Australia.

The final details regarding the acquisitions within Australia are being finalised and when they are finalised the company will be in a position to announce these details to the market.

This announcement is expected to be made within the next 2 days.

There is no reason why this trading halt should not be granted.
