## **FY16 RESULTS PRESENTATION - CORRECTION**

On 5 September 2016, the Company (ASX:DIG) issued its FY16 Results Presentation. That version of the presentation inadvertently included a metric on Slide 22 that related to the HY performance, but this has now been updated to reflect the FY metric consistent with the balance of the disclosures contained in the document.

A corrected FY16 Results Presentation is attached.

We apologise for any confusion caused by this inadvertent error.
