ASX Announcement

11 June 2014

Deferral of Change of Share Registry

We refer to the announcement of 29 May 2014 confirming the change of share registry to Automic Registry Services, effective Monday 16 June 2014. Due to a technical issue which requires completion of the Company's consolidation of capital, as approved by shareholders earlier today, before the change is made, the change of share registry has now been deferred by approximately 2 weeks. A further announcement, confirming the date of the change, will be made in due course.
