PARKD Limited - Request for Trading Halt

In accordance with Listing Rule 17.1, PARKD Limited ("PKD" or "the Company") requests that a trading halt be placed on its securities pending an announcement to the market regarding a material consulting contract for technical services.

The Company anticipates that the trading halt will be lifted on or before market open on Thursday, 12 August 2021 by provision of an announcement to the ASX.

The Company is not aware of any reason why the trading halt should not be granted, nor of any other information relevant to this request.

This announcement was authorised for release by the Board of PARKD Limited.

Yours faithfully

ABOUT PARKD LTD

PARKD has intellectual property rights to aspects of an innovative lightweight concrete "modular" car parking system. The modular aspect of the system and the minimising of structural weight provides the ability to relocate the car park or adapt it to parking demands by adding or subtracting to the structural levels of the car park. The PARKD Car Park System is currently designed for single or multi rise arrangements of up to 6 levels including ground level. The PARKD Car Park System is prefabricated offsite with the potential to reduce construction time, cost and site disruption when compared to traditional construction methods.
