MARKET RELEASE

Auckland Council grants variation to resource consent for NZICC

Auckland Council today approved a variation under section 127 of the Resource Management Act 1991 to the resource consent for the New Zealand International Convention Centre ("NZICC") project.

This followed the original resource consent approval for the NZICC granted by Auckland Council in September 2015.

The effect of this variation is that the approved resource consent now reflects the preliminary design for the NZICC agreed with the New Zealand Government in May 2015.
