

ASX ANNOUNCEMENT | 19 June 2023

ASKARI METALS LIMITED CLEANSING STATEMENT

On 19 June 2023, Askari Metals Limited (**ASX: AS2**) (**Askari** or the **Company**) issued an “Appendix 2A” for the issue and quotation of shares (**Shares**) in connection with the conversion of unlisted options. The total number of Shares issued was 150,000 fully paid ordinary shares at a deemed issue price of 25 cents per share.

The issue date of the Shares was 19 June 2023.

The Shares were issued as part of a class of securities quoted on ASX.

Askari gives notice pursuant to Section 708A(5)(e) of the Corporations Act.

The Shares were issued without disclosure to the recipients under Part 6D.2 in reliance on Section 708A(5) of the Corporations Act.

The Company, as at the date of this notice, has complied with:

- a) The provisions of Chapter 2M of the Corporations Act; and
- b) Section 674 of the Corporations Act.

There is no excluded information for the purposes of Section 708A(7) and (8) of the Corporations Act.

This announcement is authorised for release by the executive board of the Company.

CAUTION REGARDING FORWARD-LOOKING INFORMATION

This document contains forward-looking statements concerning Askari Metals Limited. Forward-looking statements are not statements of historical fact and actual events and results may differ materially from those described in the forward-looking statements as a result of a variety of risks, uncertainties and other factors. Forward-looking statements are inherently subject to business, economic, competitive, political and social uncertainties and contingencies. Many factors could cause the Company's actual results to differ materially from those expressed or implied in any forward-looking information provided by the Company, or on behalf of, the Company. Such factors include, among other things, risks relating to additional funding requirements, metal prices, exploration, development and operating risks, competition, production risks, regulatory restrictions, including environmental regulation and liability and potential title disputes.

Forward looking statements in this document are based on the Company's beliefs, opinions and estimates of Askari Metals Limited as of the dates the forward-looking statements are made, and no obligation is assumed to update forward looking statements if these beliefs, opinions and estimates should change or to reflect other future developments.

COMPETENT PERSONS STATEMENT

The information in this report that relates to Exploration Targets, Exploration Results or Mineral Resources is based on information compiled by Johan Lambrechts, a Competent Person who is a Member of the Australian Institute of Geoscientists. Mr. Lambrechts is a full-time employee of Askari Metals Limited, who has sufficient experience that is relevant to the style of mineralisation and type of deposit under consideration and to the activity being undertaken to qualify as a Competent Person as defined in the 2012 edition of the Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves. Mr. Lambrechts consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.
