## Titomic welcomes Multistation as a reseller.

**Titomic Limited (ASX: TTT) ("Titomic" or "Company")** has further expanded into Europe by entering into a reseller agreement with Multistation, located in Paris, France.

This new partnership will allow Titomic to further expand its reach into Europe and provide its innovative technology to a wider range of customers, including Titomic's broad range of cold spray equipment.

Multistation is a highly experienced and respected reseller of industrial equipment, with a particular focus on additive manufacturing. Multistation has a strong presence in Europe, with offices in France, Germany, and Spain.

By partnering with Multistation, Titomic is able to tap into their extensive network of contacts and customers in the region. This will enable Titomic to more effectively market and sell its metal additive manufacturing solutions to a wider range of industries and applications, including aerospace, defence, automotive, and medical.

### **Herbert Koeck, Managing Director of Titomic, commented:**

"We are thrilled to be working with Multistation to expand our presence in Europe. Their expertise in additive manufacturing and deep knowledge of the European market make them an ideal partner for us. We are confident that this partnership will enable us to provide our innovative technology to even more customers across the continent."

*This announcement has been authorised for release by the Board of Titomic Limited.*

## ABOUT TITOMIC LIMITED

Titomic Limited (ASX: TTT) is an Australian public company specialising in large integrated solutions for industrial-scale metal additive manufacturing, using its patented cold spray additive manufacturing (Cold Spray AM) technology. Titomic provides Cold Spray AM solutions, OEM production and R&D services to the global Aerospace, Defence, Shipbuilding, Oil & Gas, Mining and Automotive industries. Titomic also offers global sales and support for all of its Cold Spray AM activities from its Melbourne Head Office, as well as through local presence in the USA and Europe. Titomic delivers competitive advantages in metal additive manufacturing at every stage in the product value chain. For more information, please visit [www.titomic.com](http://www.titomic.com).

## FORWARD LOOKING STATEMENTS

Certain statements made in this release are forward-looking statements and are based on Titomic's current expectations, estimates and projections. Words such as "anticipates," "expects," "intends," "plans," "believes," "seeks," "estimates," "guidance" and similar expressions are intended to identify forward-looking statements. Although Titomic believes the forward-looking statements are based on reasonable assumptions, they are subject to certain risks and uncertainties, some of which are beyond Titomic's control, including those risks or uncertainties inherent in the process of both developing and commercialising technology. As a result, actual results could materially differ from those expressed or forecasted in the forward-looking statements. The forward-looking statements made in this release relate only to events as of the date on which the statements are made. Titomic will not undertake any obligation to release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this release except as required by law or by any appropriate regulatory authority.
