Notification of issue, conversion or payment up of equity +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are issuing a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

Schedule 2 - Summary of Employee Share Option Plan (as extracted from Alterra 2017 AGM Notice of Meeting dated 22 January 2018)

1. Eligible participants

Directors, officers, employees and contractors of the Company or an entity controlled by the Company are "Eligible Persons" under the Employee Share Option Plan.

The Directors may from time to time make offers in writing to Eligible Persons inviting them to take up Options under the Employee Share Option Plan.

Options may not be offered to a Director or his or her associates except where approval is given by the Shareholders in general meeting in accordance with the requirements of the Listing Rules.

2. Limit to number of Options Offered Under the Plan

The Directors will not offer or issue Options to any Eligible Person in accordance with the Employee Share Option Plan if the Directors have reasonable grounds to believe that the total number of Shares the subject of Options, when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous 3 year period under the Employee Share Option Plan, any other employee incentive scheme or an ASIC exempt arrangement of a similar kind to an employee incentive scheme, but disregarding any Shares issued or that may be issued as a result of:

- (a) an offer to a person situated at the time of receipt of the offer outside Australia;
- (b) an offer that did not need disclosure to investors because of section 708 of the Corporations Act. Section 708 exempts the requirement of a disclosure document for the issue of securities in certain circumstances to investors who are deemed to have sufficient investment knowledge to make informed decisions, including professional investors, sophisticated investors and senior managers of the Company; or
- (c) an offer made under a disclosure document,

would exceed five (5) per cent of the total number of issued Shares in the Company as at the time of making the offer (or such other maximum permitted under any ASIC Class Order providing relief from the disclosure regime of the Corporations Act).

3. Administration of Plan

The Directors will administer the Employee Share Option Plan awarding Options to acquire Shares in the Company to Eligible Persons. The selection of persons to whom the Shares will be offered under the Employee Share Option Plan, the number of Shares which may be offered to those persons, and any performance criteria that may apply before the Options may be exercised will be determined wholly by the Directors in their absolute discretion and in compliance with the Listing Rules.

4. Expiration of Options

A vested Option will lapse on its expiry date. An unvested Option will lapse upon the earlier of its expiry date, voluntary resignation of the employee or voluntary termination of the consultancy contract, or the holder acting fraudulently or dishonestly in relation to the Company (unless the Board resolves otherwise within 30 days of any such event occurring).

5. Death or permanent disability of participant

An Option will lapse after one year of a participant's death, permanent disability, redundancy or other reason which the Board considers fair and reasonable to warrant the participant maintaining his or her right to the Options.

6. Transfer of Options

Options may only be transferred to a participant's spouse or a company controlled by the participant.

7. Administration of the Plan

The Employee Share Option Plan will be administered by the Directors who have the power to:

- (a) determine the procedures from time to time for the administration of the Employee Share Option Plan subject to the Rules;
- (b) resolve conclusively all questions of fact or interpretation arising in connection with the interpretation or application of the Rules; and
- (c) delegate to any one or more persons for such period and on such conditions as or the Directors may determine the exercise of any of the Directors powers or discretions under the Employee Share Option Plan.

8. Amendment of the Plan

The Directors may amend the Employee Share Option Plan if the amendment is of a formal, minor or technical nature or is made to correct a manifest error. Other amendments require shareholder approval.

9. Termination of the Employee Share Option Plan

The Employee Share Option Plan may be terminated at any time by resolution of the Directors and notification thereof to the ASX.
