About Scout Security Limited

Scout Security Limited (ASX: SCT) sells the Scout Alarm, a self-installed, wireless home security system that is making security more modern, open and affordable. Scout was named “Best App-Based Security System” in 2019 by US News and World Report.

Scout’s design-centric offering gives users complete flexibility around connected home security, allowing the system to integrate with other best-in-class IoT devices and offering flexible monitoring options. Scout is an official partner of Amazon Alexa, Google's Assistant and Samsung SmartThings. Scout is also an Amazon Alexa Fund portfolio company.
