

## ASX Announcement

### Director appointment – Mr Zhigang Zhang

6 December 2019

The Board of Envirosuite Limited (ASX:EVS) ('the Company') is very pleased to advise that, further to the announcement released 6 September 2019, and following the completion of the second tranche of the placement to ZZL Pty Ltd and its nominees, Mr Zhigang Zhang has been offered and has accepted the role of non-executive Director of the Company.

Mr Zhang has worked in the water remediation and the environmental protection industry in China and overseas for over 30 years and is internationally renowned as an executive, entrepreneur and thought leader in the Environmental sector.

Since 2014, Mr Zhang has held the role of General Manager of Beijing BHZQ Environmental Engineering Technologies Co., Ltd. Previously he held senior management positions at a number of environmental protection companies including:

- Standard Water Co. Ltd - Executive Director and CEO;
- China Water Holdings Limited (Singapore) - Chairman and General Manager;
- Beijing Herocan Environmental Engineering Technology Co., Ltd - Chairman and General Manager
- Beijing Bi-Leaf Environmental Engineering Co., Ltd. - Chief Engineer and General Manager

Mr Zhang has served as a non-executive Director Phoslock Environmental Technologies Limited (ASX:PET) since June 2017 and was appointed Deputy Chairman in December 2018.

#### About Envirosuite

Envirosuite Limited is an environmental management technology company that has developed a leading Solution-as-a-Service offering which translates data into action in real-time.

Using proprietary algorithms built on more than 30 years of environmental consulting experience, the Envirosuite platform provides a range of environmental monitoring, management and investigative capabilities.

The Envirosuite platform is used worldwide by a range of clients in the mining, water and waste management, heavy industry, ports and agricultural industry sectors and as well by governments looking to regulate industry in accordance with community well-being.
