

ASX ANNOUNCEMENT

24 March 2025

ASX:WSR

Board Changes

Westar Resources Limited (ASX: **WSR**) (**Westar** or the **Company**) wishes to announce that Mr Jason Boladeras has stepped down from his role as Executive Director, with effect from 24 March 2025 to pursue an alternative business interest.

Subsequent to that effect, Jason will step down from his role as CEO and the Company will commence the search for a replacement.

As part of the restructure, the Board has agreed to appoint Mr Chris Newman as Non-Executive Director.

The appointment of Mr Newman brings additional geological expertise to the Company as a Fellow of the Australasian Institute of Mining & Metallurgy and as a Member of the Australian Institute of Geoscientists, currently consulting to the Mining Industry through Newman Geological Services.

Mr Newman has previously worked as Executive Vice President-Exploration at Alacer Gold Corp with formal Geology Manager roles at Avoca Resources Ltd, Atherton Resources Ltd, Carbine Resources Ltd and Dacian Gold Ltd and as a Geologist with BHP Group Ltd and Western Mining Corporation.

The Board looks forward to the expertise that Chris can bring to the Company as it continues to review several opportunities.

While the Company searches for a new CEO, Chairman Simon Eley will perform the executive role on his existing terms.

Westar Chairman Simon Eley commented *“On behalf of my fellow directors and shareholders I’d like to thank Jason for his contribution to the Company during his time as CEO and wish him well in his future endeavours. We also welcome Chris to the Board and look forward to utilising his geological experience to assist with identifying and assessing projects suitable for the Company to acquire.”*

About Westar Resources Ltd

Westar Resources is a Perth-based Resource company focused on creating value for shareholders and the communities we live and work in, through the discovery, acquisition and development of high-quality gold and copper focused projects in supportive jurisdictions. Westar's projects are strategically located in the highly prospective Murchison and Yilgarn regions of WA; near Cue, Southern Cross and Sandstone.

For the purpose of Listing Rule 15.5, this announcement has been authorised by the board of Westar Resources Ltd.
