

**ASX RELEASE**

4 March 2024

**CHANGE IN REPORTING CURRENCY TO AUSTRALIAN DOLLARS**

**Xamble Group Limited (ASX:XGL)** ("**Xamble**" or the "**Company**", and together with its subsidiaries, the "**Group**") a pioneering and established platform of influencer-centric digital marketing solutions, advises that it has voluntarily changed its reporting currency from Singapore Dollars ("S\$") to Australian Dollars ("A\$") in accordance with International Accounting Standards 21: The Effects of Changes in Foreign Exchange Rates ("IAS 21") which allows for an entity to present its financial statements in any currency, so long as it is translated in accordance with IAS 21.

The Company's Board of Directors considers that the change in reporting currency will give investors and other stakeholders a clearer understanding of Xamble's performance over time, given that the Company is ASX-listed on and raises its capital in A\$.

The change in presentation currency means that the financial information for the Company's half-year and full-year financial reports going forward will be presented in A\$.

For comparative purposes, restated historical financial information will be included in all future financial reports, commencing with the Interim Financial Report for the 6 months period ending 30 June 2024 and the full year financial report for the year ending 31 December 2024.

This announcement was approved for release by the Xamble Board of Directors.
