be generally available to Institutional Investors, provided the Company will have no responsibility for, or liability in respect of, such data and information.

- (b) The Underwriter (or its related bodies corporate or Affiliates) and any sub-underwriters may bid into the Institutional Bookbuild.
- (c) Allocation of the Entitlements to subscribe for Institutional Shortfall Securities to Institutional Investors will be determined by the Underwriter in consultation with the Company (each acting reasonably). The Underwriter expressly reserves the right to allocate a lower number of Entitlements to subscribe for Institutional Shortfall Securities than bid for by an Institutional Investor, or no Entitlements to subscribe for Institutional Shortfall Securities at all, if the Underwriter is not prepared to accept the credit risk of that bidding Institutional Investor for the amount bid.
- (d) The Institutional Bookbuild Price will be determined by agreement between the Underwriter and the Company having regard to the outcome of the Institutional Bookbuild, provided that:
  - (1) the Institutional Bookbuild Price will not be set higher than the Offer Price unless the Underwriter has received binding and bona fide offers from Institutional Investors which, in the reasonable opinion of the Underwriter, are capable of acceptance and will, if accepted, result in the formation of binding agreements for the allocation of all Entitlements to subscribe for Institutional Shortfall Securities at a price higher than the Offer Price; and
  - (2) the Institutional Bookbuild Price may not be higher than the highest price per Institutional Shortfall Security that would 'clear' the book.
- (e) Without derogating from the Underwriter's obligations under clause 7.5 and for the avoidance of doubt, the issue price payable to the Company on the exercise of an Entitlement to subscribe for an Institutional Shortfall Security will be the Offer Price, irrespective of:

- (1) whether the Institutional Bookbuild Price is set above or equal to the Offer Price; and
  - (2) the fact that all subscribers for Institutional Shortfall Securities are required to deliver an amount equal to the Institutional Bookbuild Price.
- (f) The Company must accept all Valid Applications for Institutional Shortfall Securities it receives from Institutional Investors to whom Entitlements to subscribe for Institutional Shortfall Securities are allocated under the Institutional Bookbuild and must accept all subscriptions made by Approved U.S. Security Holders and Approved U.S. Investors by way of validly completed and executed Subscription Agreements.

Following any such adjustment the number of Offer Securities allocated to, or treated as not subscribed for by, that Institutional Security Holder, including an Approved U.S. Security Holder, will be taken to be the adjusted number for the purposes of this agreement.
- (b) The Company acknowledges that the Underwriter is entitled to rely on any information provided to it by or on behalf of the Company or Security Holders in

relation to a Security Holder's holding of Company shares, in relation to any adjustments under paragraph (a) or in relation to reconciliation issues, and will not independently verify such information.

## **7.8 Adjustment Placement**

If:

- (a) appropriate adjustments are unable to be made under clause 7.7; or

The Underwriter must procure that it or an Affiliate will act as broker under the Listing Rules and manage settlement on behalf of the Company.

## **7.11 Defaulting Investors**

On the Institutional Settlement Date, the Company assigns to the Underwriter all contractual rights and recourse it may have (if any) against any Defaulting Institutional Bookbuild Investors and Defaulting Accepting Institutional Investors (including the right to require the relevant investor to pay the Offer Price for the relevant Offer Securities and the right (if any) it may have to require a Defaulting Institutional Bookbuild Investor to pay the difference between the Institutional Bookbuild Price and the Offer Price) or, alternatively, to terminate the contract to issue the relevant Offer Securities and instead issue them to the Underwriter or any person nominated by the Underwriter. If the Company is unable to assign to the Underwriter all of the contractual rights and recourse

referred to in this clause 7.11, the Company undertakes that it will assign such rights when and to the extent it is legally able to.

## 7.12 Institutional Cash Return

- (b) The parties acknowledge that the Registry, within 3 Business Days after the Institutional Settlement Date, will remit the Institutional Cash Return to:
  - (1) those Institutional Security Holders who did not accept all or part of their Entitlement (including Approved U.S. Security Holders who did not validly take up an offer made to them under the Entitlement Offer component of the U.S. Private Placement); and
  - (2) the Excluded Institutional Security Holders,  
whose Entitlements were sold in the Institutional Bookbuild, pro-rata to:
    - (3) those Entitlements to subscribe for Institutional Entitlement Securities not subscribed for by the Institutional Security Holders set out in paragraph (1); and
    - (4) the Entitlements to subscribe for Offer Securities which would have been offered to the Excluded Institutional Security Holders had they been entitled to participate in the Institutional Entitlement Offer.

### 8.5 Retail Bookbuild

- (a) If the Company has delivered a Retail Shortfall Notice and Certificate under clause 8.4(a), the Underwriter must, beginning after close of trading on ASX on the Retail Bookbuild Opening Date and ending before open of trading on ASX on the Retail Bookbuild Closing Date (or, if the Underwriter so requires (acting reasonably), at a later time, with ordinary shares having been placed in trading halt on the Retail Bookbuild Closing Date), invite Institutional Investors outside the United States (which may include Institutional Security Holders whether or not they have taken up their full Entitlement and whether or not they participated in the Institutional Bookbuild) to bid to acquire and to exercise Entitlements to subscribe for Retail Shortfall Securities via the Retail Bookbuild and the Company will conduct the Retail Bookbuild component of the U.S. Private Placement in accordance with clause 7.13.

  - (1) the Retail Bookbuild Price will not be set higher than the Offer Price unless the Underwriter has received binding and bona fide offers from Institutional Investors which, in the reasonable opinion of the Underwriter, are capable of acceptance and will, if accepted, result in the formation of binding agreements for the allocation of all of the Entitlements to subscribe for Retail Shortfall Securities at a price higher than the Offer Price; and
  - (2) the Retail Bookbuild Price may not be higher than the highest price per Retail Shortfall Security that would 'clear' the book.
- (e) Without derogating from the Underwriter's obligations under clause 8.6 and for the avoidance of doubt, the issue price payable to the Company per Retail Shortfall Security allocated under the Retail Bookbuild will be the Offer Price, irrespective of:
  - (1) whether the Retail Bookbuild Price is set above or equal to the Offer Price; and
  - (2) the fact that all subscribers for Retail Shortfall Securities are required to deliver an amount equal to the Retail Bookbuild Price.
- (f) The Company must accept all Valid Applications for Retail Shortfall Securities which it receives from Institutional Investors to whom Entitlements to subscribe for Retail Shortfall Securities are allocated under the Retail Bookbuild and must accept all subscriptions made for Retail Shortfall Securities made by Approved U.S. Security Holders and Approved U.S. Investors by way of validly completed and executed Subscription Agreements.

- (b) The parties acknowledge that the Registry within 3 Business Days after the Retail Settlement Date will remit the Retail Cash Return to:
  - (1) those Retail Security Holders and Eligible Assignees who did not accept all or part of their Entitlement; and
  - (2) the Excluded Retail Security Holders,

### 11.12 Right to assume control of proceedings

An Indemnified Party has a right at any time to reassume any legal or other proceedings defended or instituted by the Company in the name of that Indemnified Party (**Reassumed Claim**). If an Indemnified Party does this:

- (a) it will have the right to conduct the same under its sole management and control and will have absolute discretion with regards to the conduct of those proceedings including any decision to settle, compromise or consent to the entry of any judgment in relation to any Reassumed Claim the subject of those proceedings but in doing so, will act reasonably and consult with and take account of the views of the Company so far as is reasonably possible;
- (b) the indemnity given by the Company under clause 11.1 will not apply in respect of any additional Losses which result from the reassumption by the Indemnified Party of the defence of that Claim or proceedings; and
- (c) the Company must:
  - (1) render all reasonable assistance and cooperation to the Indemnified Party in the conduct of any Reassumed Claim; and
  - (2) do anything reasonably necessary or desirable to ensure that the Indemnified Party is subrogated to and enjoys the benefits of the rights of the Company in relation to any cross claims,

except where the taking of that action would, in the reasonable opinion of the Company, lead to a risk of damage to the Company's reputation or standing. Without in any way limiting clause 11.1, if the Company initiates, defends or takes any proceedings as described in clause 11.7, it must indemnify the Indemnified Parties who are parties to, or the subject of, the proceedings, in respect of all Losses incurred by those Indemnified Parties in relation to the claim the subject of the proceedings or to any Losses resulting from those proceedings.

### 11.13 Contractual Contribution

If for any reason the indemnities contained in this clause 11 are unavailable or insufficient to fully indemnify any Indemnified Party against any Indemnified Claim (other than as a result of the operation of clause 11.2) then the Company and the Indemnified Party agree to contribute to the relevant Indemnified Claim in accordance with clauses 11.14 to 11.18 in all cases to the maximum extent allowed by law.

### 11.14 Proportional Contribution

The respective proportional contribution of the Company (on the one hand) and the Indemnified Parties (on the other hand) in relation to an Indemnified Claim will be as agreed by the Company and the Indemnified Parties (and failing agreement as determined by a court of competent jurisdiction) having regard to the participation in, instigation of, or other involvement of the Company on the one hand (in relation to the proportional contribution of the Company) and the Indemnified Parties on the other hand (in relation to the proportional contribution of the Indemnified Parties) in the act complained of. Without limiting the generality of this clause 11.14, regard must be had to the Indemnified Parties' and the Company's relative intent, knowledge, access to information and opportunity to correct any untrue statement or omission.

### 11.15 No Excess Contribution

The Company agrees with the Indemnified Parties that in no event will the Indemnified Parties be required to contribute under clause 11.13 to any Indemnified Claim an aggregate amount that exceeds the commission and fees paid to the Underwriter.

### 11.16 Limit on Contribution

- (a) The Underwriter acknowledges that the Company may enter into arrangements which limit the extent to which the Company may claim against any third party or third parties in connection with the Offer (a "**Relevant Limitation**"). If any damage or loss is suffered by the Company for which the Underwriter would otherwise be liable to the Company with any third party or third parties, the extent to which such loss will be recoverable by the Company from the Underwriter will:
  - (1) be limited so as to be in proportion to the Underwriter's contribution to the overall fault for such damage or loss, as agreed between the parties or, in the absence of agreement, as finally determined by a court of competent jurisdiction; and
  - (2) be no more than it would have been had any Relevant Limitation not been agreed to by the Company.
- (b) The degree to which the Underwriter may rely on the work of any such third party will be unaffected by any Relevant Limitation. The Company acknowledges that in the event that it suffers any damage or loss for which the Underwriter may become liable due to a Relevant Limitation, it will notify the Underwriter of those circumstances promptly at that time.

### 11.17 Right to Reimbursement by the Company

If an Indemnified Party pays an amount in relation to an Indemnified Claim where it is entitled to contribution from the Company under this clause 11, the Company agrees to promptly reimburse the Indemnified Party for that amount.

### 11.18 Right to Reimbursement by the Indemnified Party

If the Company pays an amount in relation to an Indemnified Claim where it is entitled to contribution from an Indemnified Party under this clause 11, the Underwriter agrees to promptly reimburse the Company for that amount.

### 11.19 No Claims against Indemnified Parties

- (a) The Company agrees that no Claims may be made by it or any of its related bodies corporate against the Indemnified Parties, and the Company (on behalf of itself and each of its related bodies corporate) unconditionally and irrevocably releases and discharges each Indemnified Party from any Claim that may be made by it to recover from any Indemnified Party any Losses incurred or sustained by each of the Company or any of its related bodies corporate arising directly or indirectly as a result of:
  - (1) the participation of that Indemnified Party in any transaction or proposal contemplated by this agreement;
  - (2) the engagement of the Underwriter pursuant to this agreement; or

- (3) the performance by the Indemnified Party of the services contemplated by this agreement,  
except in relation to matters where those Losses have resulted primarily from any fraud, wilful misconduct or gross negligence of that Indemnified Person.
- (b) In any event, no proceedings may be taken against any director, officer employee, agent or adviser of the Underwriter or its Affiliates arising out of or in connection with the Offer Information Document of the Offer.

## 11.20 Qualification on Limitation

Notwithstanding the limitations on the indemnity and limitation of liability set out in clause 11.2 and the limitations on the release set out in clause 11.19, such limitations will not apply in respect of any Claims under U.S. Law, to the extent that Losses resulting from such Claims arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Offer Information Documents or any supplement or amendment thereto, or in any Company Information or arise out of or are based upon the omission or alleged omission of a material fact necessary in order to make the statements therein, taken together with ASX and all other public disclosures of the Company, in the light of the circumstances under which they were made, not misleading.

- (a) make all enquiries that are reasonable in the circumstances; and

  - (d) no statement in an Offer Information Documents is, or becomes, false, misleading or deceptive;
