# Targeted disciplined M&A strategy

- Direct investment into scalable and high performing firms with strong leadership into the Count network, enabling Count to further grow its footprint.
- Two direct investments in Solutions Centric and Bruce Edmunds delivering results in FY25.
- Highly accretive bolt-on transactions to existing equity partnerships with opportunities to add or cross-sell financial planning services (typically <\$3M revenues).
- 12 completed in FY24, five completed YTD in FY25.

- Mergers present a strategic opportunity to enhance leadership and significant scale within existing equity partnerships of similar size and scale.
- One merger completed in FY24.
- Acquisitions that deliver a material increase in scale, cost synergies and enhanced productivity, strengthening Count's position as a leading integrated financial services provider.
- Count Financial, Affina and Diverger acquisitions are examples demonstrating a track record of successful integration.

## Key 1H25 highlights

- Significant underlying earnings growth driven by organic growth, acquisitions and realised cost synergies.
- Realised over \$2 million of Diverger cost synergies during the period and on track to achieve more than \$4 million annualised cost synergies for the full year.
- Corporate costs increased largely due to increased scale of the business following recent acquisitions.
- Increased finance costs due to additional debt related to the acquisition of Diverger and other transactions, and higher interest rates.
- Amortisation costs increased due to acquired client intangibles from the Diverger acquisition.

<sup>1</sup> Refer to Appendix 7 for definition of Underlying revenue, Underlying EBITA, Underlying Profit Before Tax, Underlying NPATA, Underlying NPATA attributable to Count shareholders and Underlying NPAT.
