New Exploration Manager Appointed

Helix Resources Limited (ASX:HLX) is delighted to announce the appointment of Mr Gordon Barnes as Exploration Manager to lead the Company's exploration programs – focused on copper in the Cobar region of NSW.

Gordon is a highly experienced and well-respected exploration geologist based in Orange, NSW. He will commence with Helix on 10 May 2021. Gordon will be eligible to participate in any approved employee incentive plans at the Board's discretion, with incentive hurdles to be closely aligned to those of the Managing Director, focused on discovery and share price performance.

Gordon has over 30 years of practical mineral exploration experience, ranging from active field-based projects through to multi-commodity project generation initiatives in Australia and overseas. He has extensive NSW copper and gold exploration experience, including Exploration Manager roles with listed explorers Magmatic Resources Ltd and Clancy Exploration Ltd, and prior to that Geoinformatics Exploration Pty Ltd. Since October 2018 he has been a Senior Consultant with R.W. Corkery & Co Pty Limited, a geological and environmental consultancy specialising in NSW mining and development projects.

Gordon commenced his career in WA with Freeport McMoran and then the Normandy Group, gaining experience in exploration on both greenfield and near-mine programs. Thereafter he became a senior member of the DataShed / Insight Geoscience Group before going on to co-found the highly successful on-line resources data management business, Intiera Pty Ltd.

Helix's Managing Director, Mike Rosenstreich commented "we are very fortunate to have attracted someone with Gordon's talents and multi-faceted exploration skills and experience in this highly competitive exploration market. With Gordon's extensive NSW exploration experience and network, I am very much looking forward to working closely with him to execute our Cobar copper strategy."

Gordon is a Member of the Australian Institute of Geoscientists and holds a Masters in Geology (UWA), a BSC in Applied Science – Geology (RMIT) and is a Graduate of the Australian Institute of Company Directors.
