REVISED ALLUDO TRANSACTION

Nitro Software Limited (ASX:NTO) (Nitro or the Company) is pleased to advise that the Company and Cascade Parent Limited, trading as Alludo (**Alludo**) have agreed to amend the Implementation Deed dated 15 November 2022, increasing the price by A\$0.15 (7.5%) to A\$2.15 cash per Nitro share (**Revised Alludo Transaction**).

Under the Revised Alludo Transaction, Alludo undertakes to:

- Acquire 100% of Nitro by way of a scheme of arrangement at a price of A\$2.15 cash per Nitro share (**Alludo Scheme**); and
- Make a simultaneous off-market takeover offer at A\$2.15 cash per Nitro share, conditional on (among other things) the Alludo Scheme not proceeding and a 50.1% minimum acceptance condition (**Alludo Takeover Offer**).

On 8 December 2022, Potentia Capital announced a revised takeover offer at A\$2.00 cash per Nitro share, with a potential scrip alternative (**Revised Potentia Takeover Offer**).

The Revised Alludo Transaction was conditional on Nitro confirming that the Nitro Board will not provide due diligence access to Potentia Capital in respect of the Revised Potentia Takeover Offer. Nitro provided that confirmation subject to the fiduciary out in the Implementation Deed, which allows the Nitro Board to consider, and grant, due diligence access in respect of any further improved competing proposals that are or may reasonably be expected to lead to a Superior Proposal.

Superior Proposal

The Nitro Board has determined the Revised Alludo Transaction is superior to the Revised Potentia Takeover Offer, given it represents a consideration premium of A\$0.15 (7.5%) per Nitro Share.

The Revised Alludo Transaction also represents a significant premium of:

- 90% to Nitro's undisturbed share price of A\$1.13 per Nitro Share on 29 August 2022¹;
- 82% to Nitro's 1-month VWAP to 29 August 2022 of A\$1.18 per Nitro Share; and
- 69% to Nitro's 3-month VWAP to 29 August 2022 of A\$1.27 per Nitro Share.

Board Recommendation

The Nitro Board unanimously recommends that Nitro Shareholders:

- **VOTE IN FAVOUR** of the **Alludo Scheme** in the absence of a Superior Proposal and subject to an Independent Expert concluding, and continuing to conclude, that the scheme is in the best interests of Nitro Shareholders; and
- **ACCEPT** the **Alludo Takeover Offer** in the absence of a Superior Proposal and subject to an Independent Expert concluding, and continuing to conclude, that the Takeover Offer is fair and reasonable.

The Nitro Board has determined that the Revised Alludo Transaction is superior to the Revised Potentia Takeover Offer and therefore **unanimously recommends that you REJECT the Revised Potentia Takeover Offer**. To do this, simply **DO NOTHING** in respect of the Revised Potentia Takeover Offer.

An Amending Deed (in respect of the Implementation Deed) dated 12 December 2022 has been executed by the parties to give effect to the Revised Alludo Transaction and is attached to this announcement. Nitro remains subject to the same customary exclusivity obligations agreed to in the Implementation Deed, including “no shop, no talk” (subject to customary fiduciary out exceptions), notification obligations, “no due diligence” and a matching right regime in respect of a Superior Proposal being received by Nitro.

¹ The closing share price on 29 August 2022, being the day prior to disclosure of the initial Potentia Consortium proposal of A\$1.58 cash per share.
