### **Termination of American Depositary Receipt ("ADR") Programme**

Range announces the decision to close its ADR programme effective 17:00 (Eastern Time) on August 7, 2017. Trading volumes of ADR's have been insufficient to justify the burden of maintaining the listing with no increase in liquidity being provided to the Company.

Under the terms of the Deposit Agreement, owners and holders of ADRs will have until at least August 10, 2018 to decide if they would like to attempt to surrender their Range ADRs for delivery of the underlying shares.

Subsequent to August 10, 2018, under the terms of the Deposit Agreement, the Bank of New York Mellon ("the Depositary") may attempt to sell the underlying shares. ADR holders will then receive the net cash proceeds from the sale of the shares held on deposit.

Holders of the Company's ordinary shares remain unaffected by this development. Following completion of the reverse takeover process, the ordinary shares of Range will continue to trade on the AIM and on the ASX.

Further information for ADR holders can be found on the Bank of New York Mellon website at <https://www.adrbnymellon.com/directory/dr-directory>.
