In accordance with Regulations 7.11.37 and 7.11.38 of the *Corporations Regulations 2001* (Cth), the Board has determined that a person's entitlement to vote at the Annual General Meeting will be the entitlement of that person set out in the register of Shareholders at 2:00PM (AWST) on Monday, 25 November 2024. Accordingly, transactions registered after that time will be disregarded in determining a Shareholder's entitlement to attend and vote at the Meeting.

## REGULATORY INFORMATION

---

### **Annual Report**

The Annual Report of the Company for the financial year ended 30 June 2024, which includes the Financial Report, the Directors' Report, the Remuneration Report and the Auditor's Report, will be laid before the Annual General Meeting.

There is no requirement for Shareholders to approve the Annual Report. However, the Chair will allow a reasonable opportunity for Shareholders to ask questions or make comments about the Annual Report and the management of the Company.

A representative of the Auditor, BDO Audit, will be in attendance to respond to any questions raised of the Auditor or on the Auditor's Report in accordance with section 250T of the Corporations Act.

### **1 Resolution 1 – Remuneration Report**

The Remuneration Report for the financial year ended 30 June 2024 is set out in the 2024 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for its Directors and senior management.

Section 249L(2) of the Corporations Act requires a company to inform shareholders that a resolution on the remuneration report will be put at the annual general meeting. Section 250R(2) of the Corporations Act requires the Company to put to vote a resolution that the remuneration report be adopted. Resolution 1 seeks this approval.

In accordance with section 250R(3) of the Corporations Act, Shareholders should note that Resolution 1 is an "advisory only" Resolution which does not bind the Directors or the Company. However, the Directors take the discussion at the meeting and the outcome of the vote into account when considering the Company's remuneration practices.

Following consideration of the Remuneration Report for the financial year ended 30 June 2024, the Chair, in accordance with section 250SA of the Corporations Act, will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

If at least 25% of the votes cast on a resolution for the adoption of a Remuneration Report are voted against at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution proposing that another general meeting be held within 90 days, at which all of the Company's Directors (other than the Managing Director) would be up for re-election.

#### **1.1 Directors' recommendations**

The Directors encourage all Shareholders to vote on Resolution 1.

### **2 Resolution 2 – Re-election of Mr Dirk Robert Bulder**

Resolution 2 is an ordinary resolution which seeks to approve the re-election of Mr Dirk Robert Bulder as a Non-Executive Director of the Company.

In accordance with clause 11.1 of the Constitution, at every annual general meeting, one third of the Directors for the time being, or, if their number is not 3 nor a multiple of 3, then the number nearest one third, must retire from office by rotation and are eligible for re-election. The Directors to retire are those who have been in office for 3 years since their appointment or

last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement. These requirements for a Director to retire do not apply to a Managing Director (but if there is more than one Managing Director, only one is exempt from retirement).

In determining the number and identity of the Directors to retire by rotation, the Managing Director and any Director seeking election after appointment by the Board to fill a casual vacancy are not considered.

Mr Dirk Robert Bulder retires by rotation at this meeting and, being eligible, offers himself for re-election.

A brief biography of Mr Dirk Robert Bulder is set out below.

## **2.1 Mr Dirk Robert Bulder's Biography**

Mr Bulder qualified as a Chartered Accountant in 1987 and has over 30 years of commercial experience.

Mr Bulder has held numerous senior management and executive board positions in the manufacturing, financial services, IT, airline and gas industries, overseeing multi-billion Rand budgets. These positions included that of Group Financial Director of Paragon Business Communications Ltd, a company listed on the Johannesburg Stock Exchange, as well as the position of (acting) Executive Vice-President of South African Airways SOE and CEO of South African Airways Technical Division (Pty) Ltd, a multi-billion Rand division of SAA Ltd and that of the Vice President of Business Development for SAA Ltd.

Mr Bulder has been the Finance Director of Badimo for more than a decade.

The Board confirms that Mr Dirk Robert Bulder will be considered a non-independent Director.

## **2.2 Directors' recommendations**

The Directors (other than Mr Dirk Robert Bulder) unanimously recommend that Shareholders vote in favour of Resolution 2.

The Chair intends to exercise all available proxies in favour of Resolution 2.

## **3 Resolution 3 – Re-election of Mr Robert Anthony Scharnell**

Resolution 3 is an ordinary resolution which seeks to approve the re-election of Mr Robert Anthony Scharnell as a Non-Executive Director of the Company.

Clause 11.4(a) of the Constitution provides that the Directors may at any time appoint any person to be a Director.

Clause 11.4(b) of the Constitution states that any Director appointed under clause 11.4(a) of the Constitution must retire at the next annual general meeting and is then eligible for re-election. Similarly, Listing Rule 14.4 provides that a director appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting of the entity.

Mr Scharnell was appointed to the position of Non-Executive Director of the Company on 24 November 2023 under clause 11.4(a) of the Company's Constitution in order to fill a casual vacancy. Accordingly, Mr Scharnell, being eligible, seeks re-election as a Non-Executive Director of the Company.

A brief biography of Mr Scharnell is set out below.

### **3.1 Mr Robert Anthony Scharnell's Biography**

Mr Scharnell is an experienced international business executive with over 30 years of demonstrated achievement at Chevron Corporation in establishing and implementing business strategy. He has conducted business in over 20 countries and under complex situations, for large values including negotiating multi-lingual agreements, sales/purchase transactions, and settling claims and disputes on the scale of over \$1 billion in value.

Mr Scharnell's breadth of experience extends beyond the core energy business, with a career highlight in managing the creation and implementation of an award-winning economic development and social impact project in Africa. The project transformed Chevron's approach to improving lives within the communities in which it operates.

The Board confirms that Mr Scharnell will be considered a non-independent Director.

### **3.2 Directors' recommendations**

The Directors (other than Mr Scharnell) unanimously recommend that Shareholders vote in favour of Resolution 3.

The Chair intends to exercise all available proxies in favour of Resolution 3.

## **4 Resolutions 4(a) & (b) – Issue of Performance Rights to Mr Dirk Robert Bulder and Mr Adam Sierakowski**

Resolutions 4(a) & (b) are ordinary resolutions which seek Shareholder approval, for the purpose of Listing Rule 10.11 and for all other purposes, of the issue of up to:

- 5,000,000 Performance Rights to Mr Dirk Robert Bulder (and/or his nominee(s)); and
- 7,500,000 Performance Rights to Mr Adam Sierakowski (and/or his nominee(s)).

### **4.1 Chapter 2E of the Corporations Act**

For a public company, or an entity that the public company controls, to give a financial benefit to a Related Party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Mr Bulder and Mr Sierakowski are each a Related Party of the Company by virtue of being a Director. The issue of Performance Rights to Mr Bulder and Mr Sierakowski (and/or their respective nominee(s)) will constitute the giving of a financial benefit by the Company.

After a review of publicly available information relating to the remuneration structures of ASX listed companies, including those operating in the oil and gas industry, the Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of the Performance Rights to Mr Bulder and Mr Sierakowski (and/or their respective nominee(s)) because the grant of these Performance Rights is considered reasonable

remuneration in the circumstances. Additionally, the Company considers the terms and conditions of the Performance Rights proposed to be issued to Mr Bulder and Mr Sierakowski (and/or their respective nominee(s)) to be on an arm's length basis, as they are being issued on the same terms and conditions on which the Company will issue Performance Rights to Mr Paul Doropoulos (and/or his nominee(s)), who is not a Related Party of the Company.

Accordingly, the Directors do not consider that Shareholder approval is required pursuant to Chapter 2E of the Corporations Act in respect of the issue of Performance Rights to the Performance Rights Holders.

## **4.2 Listing Rule 10.11**

Listing Rule 10.11 provides that a listed company must not issue, or agree to issue, Equity Securities to:

- 10.11.1 a Related Party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity and who has nominated a director to the board of the company;
- 10.11.4 an Associate of any person referred to in Listing Rules 10.11.1 to 10.11.3 (inclusive); or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 (inclusive) is such that, in the opinion of ASX, the issue or agreement should be approved by the shareholders of the company,

unless the company obtains the approval, by its shareholders, of such issue or agreement or such issue or agreement falls within an exception set out in Listing Rule 10.12.

The Company will issue up to 20,000,000 Performance Rights to the Performance Rights Holders each on the terms and conditions set out in Schedule 1. Mr Bulder and Mr Sierakowski are each a Related Party of the Company by virtue of being a Director and fall within the category set out in Listing Rule 10.11.1.

The issue of 12,500,000 Performance Rights by the Company to Mr Bulder and Mr Sierakowski (and/or their respective nominee(s)) does not fall within an exception set out in Listing Rule 10.12.

Resolutions 4(a) and (b) seek the required Shareholder approval, for the purposes of Listing Rule 10.11, of the issue of up to 12,500,000 Performance Rights by the Company to Mr Bulder and Mr Sierakowski (and/or their respective nominee(s)).

## **4.3 Technical information required by Listing Rule 10.13**

Pursuant to, and in accordance with, Listing Rule 10.13 and section 219 of the Corporations Act, the Company provides the following information in relation to Resolutions 4(a) and (b):

- (a) **Names of the persons to whom the entity will issue the securities and the category in rules 10.11.1 – 10.11.5 each person falls within and why**

The Performance Rights will be issued to:

- Mr Dirk Robert Bulder (and/or his nominee(s)); and
- Mr Adam Sierakowski (and/or his nominee(s)),

who each fall within the category set out in Listing Rule 10.11.1 by virtue of being a Director.

**(b) Number and class of securities to be issued to those persons**

The maximum number of securities to be issued to:

- Mr Bulder (and/or his nominee(s)) is 5,000,000 Performance Rights; and
- Mr Sierakowski (and/or his nominee(s)) is 7,500,000 Performance Rights.

**(c) Material terms of the securities**

The terms and conditions of the Performance Rights are set out in Schedule 1.

**(d) Date by which the entity will issue the securities**

The Performance Rights to each of Mr Bulder and Mr Sierakowski (and/or their respective nominee(s)) will be issued no later than one (1) month after the date of the Meeting (or such later date that is permitted by any ASX waiver or modification of the Listing Rules).

**(e) Price or other consideration the entity will receive for the issue**

The issue price of the Performance Rights will be nil, and the Company will not receive any other consideration in respect of the issue of Performance Rights.

**(f) Purpose of the issue, including the intended use of any funds raised by the issue**

The purpose of the issue of the Performance Rights is to incentivise contribution by Mr Bulder and Mr Sierakowski to the independent certification, in accordance with the PRMS Guidelines, of 2P Reserves of at least 1 trillion cubic feet within the area comprising licences ER 270, 271, 272 and 383. No funds will be raised from the issue of the Performance Rights.

The Company has agreed to issue the Performance Rights to Mr Bulder and Mr Sierakowski, subject to Shareholder approval, for the following reasons:

- the Performance Rights are unquoted and, accordingly, the issue of the Performance Rights would have no immediate dilutionary impact on Shareholders;
- the issue of the Performance Rights to Mr Bulder and Mr Sierakowski will further align the interests of Mr Bulder and Mr Sierakowski with the interests of Shareholders;
- the issue of Performance Rights is a reasonable and appropriate method to provide cost effective remuneration to Mr Bulder and Mr Sierakowski while allowing the Company to spend a greater proportion of its cash reserves on its operations than would be possible if cash forms of remuneration were given to Mr Bulder and Mr Sierakowski;

- the potential deferred taxation benefit which is available to Mr Bulder and Mr Sierakowski in respect of the issue of Performance Rights would mean that Mr Bulder and Mr Sierakowski are not required to sell the Performance Rights immediately for the purpose of funding any tax liability (as may be the case if the Company were to issue Shares) and will continue to hold an interest in the Company; and
- the Company does not consider that there are any significant opportunity costs to the Company, or benefits foregone by the Company, as a result of issuing the Performance Rights in accordance with the proposed terms and conditions.

The number of Performance Rights to be issued to each of Mr Bulder and Mr Sierakowski has been determined with reference to:

- the current market standards and practices of other ASX-listed companies that are of a similar size and at a similar stage of development to the Company;
- the remuneration of Mr Bulder and Mr Sierakowski; and
- the attraction and retainment of Mr Bulder and Mr Sierakowski, who each possess knowledge and expertise that is relevant to the Company's affairs, as Directors while maintaining the Company's cash reserves.

**(g) The Directors' current total remuneration package**

The total remuneration package for each of Mr Bulder and Mr Sierakowski for the previous financial year, and the proposed total remuneration package for the current financial year, are set out below:

The Directors (other than Mr Sierakowski) unanimously recommend that Shareholders vote in favour of Resolution 4(b).

### **5 Resolution 5 – Issue of Performance Rights to Mr Paul Doropoulos**

Resolution 5 is an ordinary resolution which seeks Shareholder approval, for the purposes of Listing Rules 7.1, and for all other purposes, of the issue of up to 7,500,000 Performance Rights to the Company's Chief Financial Officer, Mr Paul Doropoulos (and/or his nominee(s)).

## 5.1 Listing Rule 7.1

Listing Rule 7.1 provides that, subject to certain exceptions, prior Shareholder approval is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company without approval and which were not subject to an exception during the previous twelve (12) months, exceed fifteen percent (15%) of the number of Shares on issue at the commencement of that twelve (12) month period.

The proposed issue of the Performance Rights to Mr Paul Doropoulos does not fall within any of the exceptions to Listing Rule 7.1. The Company therefore requires the approval of Shareholders under Listing Rule 7.1 for the issue of the Performance Rights to Mr Paul Doropoulos.

The effect of Resolution 5 will be to allow the Company to issue the Performance Rights to Mr Paul Doropoulos during the period of three (3) months after the Meeting or a longer period, if allowed by ASX, without using the Company's fifteen percent (15%) annual placement capacity under Listing Rule 7.1.

Resolution 5 seeks approval for the issue of the Performance Rights to Mr Paul Doropoulos for the purpose of satisfying the requirements of Listing Rule 7.1. If Resolution 5 is approved, the Performance Rights issued to Mr Paul Doropoulos will not affect the capacity of the Company to issue securities in the next twelve (12) months under Listing Rule 7.1 as those securities, once issued, will be excluded from the calculations under Listing Rule 7.1.

## 5.2 Technical information required by Listing Rule 7.3

For the purposes of Listing Rule 7.3, the following information is provided to Shareholders in relation to Resolution 5:

(a) **Names of the persons to whom the entity will issue the securities or basis upon which those persons will be identified or selected**

(f) **Purpose of the issue and intended use of the funds raised**

- except as a representative of the Company (or with the consent in writing of the Board of Directors or pursuant to authority given by a resolution of the Company in general meeting), during the continuance of employment under the CFO Employment Agreement, Mr Doropoulos shall not be engaged, concerned or interested either directly or indirectly in any other business competing in any material respect with the business for the time being of the Company (or of any of its related bodies corporate);

- the Company will ensure that satisfactory medical and travel insurance is taken out for the benefit of Mr Doropoulos for the term of his engagement; and
- Mr Doropoulos is entitled to annual leave, sick leave, personal leave and other standard entitlements primarily in accordance with the national employment standards pursuant to the *Fair Work Act 2009* (Cth).

Otherwise, the CFO Employment Agreement contains standard terms for an agreement of its nature.

(h) **If the securities are to be issued under, or to fund, a reverse takeover, information about the reverse takeover**

The Performance Rights are not being issued under, or to fund, a reverse takeover.

(i) **Voting Exclusion Statement**

Refer to the Voting Exclusion Statement beneath the applicable Resolution 5 in the

### **5.3 Listing Rule 14.1A**

Listing Rule 14.1A provides that a notice of meeting which contains a resolution seeking approval of security holders under the Listing Rules must summarise the relevant Listing Rule (see summary of Listing Rule 7.1 above) and what will happen if security holders give, or do not give, that approval.

If Resolution 5 is approved by Shareholders, then the Performance Rights proposed to be issued to Mr Doropoulos will be excluded in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue shares in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

### **5.4 Directors' Recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 5. The Chair intends to exercise all available proxies in favour of Resolution 5.

## **6 Resolution 6 – Confirmation of appointment of Auditor**

Resolution 6 is an ordinary resolution which seeks Shareholder approval for the ongoing appointment of BDO Audit as the Auditor.

On 11 April 2024, in accordance with section 327C of the Corporations Act 2001, the Company appointed BDO Audit as Auditor following ASIC's consent to the resignation of the previous Auditor, BDO Audit WA, in accordance with section 329(5) of the Corporations Act.

Following the above appointment, and in accordance with Section 327C(2) of the Corporations Act, BDO Audit holds office as Auditor until the Company's next annual general meeting, being the Meeting the subject of this Notice.

In accordance with section 327B(1)(b), the Company now seeks Shareholder approval for the ongoing appointment of BDO Audit as the Auditor.

The appointment of BDO Audit is a result of BDO WA restructuring its audit practice whereby audits will be conducted by BDO Audit, being an authorised audit company, rather than BDO WA. As part of becoming a national entity, BDO WA is being replaced by BDO Audit in respect of the provision of audit services in Western Australia by BDO. In effect, there will be no change to the Auditor.

In accordance with section 328B of the Corporations Act, notice in writing nominating BDO Audit as Auditor has been given to the Company by a Shareholder. A copy of that notice is attached to this Notice as Schedule 2.

BDO Audit has provided to the Company, and has not withdrawn, its written consent to act as Auditor in accordance with section 328A(1) of the Corporations Act.

If Resolution 6 is passed, the appointment of BDO Audit as the Auditor will take effect on, and from, the close of this Meeting. If Resolution 6 is not passed, the Company will need to appoint a new Auditor other than BDO Audit.

## 6.1 Directors' recommendations

The Board unanimously recommends that Shareholders vote in favour of Resolution 6. The Chair intends to exercise all available proxies in favour of Resolution 6.

## 7 Resolution 7 – Approval of 10% Placement Facility

Resolution 7 is a special resolution which seeks Shareholder approval for the issue of Equity Securities totaling up to 10% of the issued capital of the Company under and in accordance with Listing Rule 7.1A ("**10% Placement Facility**").

### 7.1 Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index, and which has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 7 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without shareholder approval.

If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

Approval of the 10% Placement Facility is valid from the date of the Annual General Meeting until the earlier of:

- 12 months after the Annual General Meeting;
  - the time and date of the Company's next annual general meeting; and
  - the date shareholders approve a transaction under Listing Rule 11.1.2 (significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),
- ("**10% Placement Period**").

The number of Equity Securities that the Company will have the capacity to issue under the 10% Placement Facility will be calculated in accordance with the following formula:

**(A x D) – E**

**A** has the same meaning as in Listing Rule 7.1 when calculating an entity's 15% placement capacity – i.e., the number of on issue 12 months before the date of issue or agreement:

- plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
- plus the number of fully paid Equity Securities issued in the relevant period on the conversion of Convertible Securities within Listing Rule 7.2 exception 9 where:
  - the Convertible Securities were issued or agreed to be issued before the commencement of the relevant period; or
  - the issue of, or agreement to issue, the Convertible Securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4,
- plus the number of fully paid Equity Securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
  - the agreement was entered into before the commencement of the relevant period; or
  - the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of any other Equity Securities issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4;
- plus the number of partly paid Equity Securities that became fully paid in the relevant period;
- less the number of fully paid Equity Securities cancelled in the relevant period;

**D** is 10%; and

**E** is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

## **7.2 Listing Rule 7.3A**

For the purposes of Listing Rule 7.3A, the following information is provided to Shareholders in relation to Resolution 7:

**(i) Minimum price at which the securities may be issued**

In accordance with Listing Rule 7.1A.3, any Equity Securities issued under the 10% Placement Facility will be issued for at least 75% of the VWAP of Equity Securities in

the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- the date on which the price of the Equity Securities is agreed; or
- if the Equity Securities are not issued within 10 Trading Days of the above date, the date on which the Equity Securities are issued.

Equity Securities issued under Listing Rule 7.1A.2 must be in an existing quoted class and issued for cash consideration.

(ii) **Risk of economic and voting dilution**

Any issue of Equity Securities under the 10% Placement Facility will dilute Shareholders who do not participate in the issue. The table below shows the potential economic and voting dilution of existing Shareholders as a result of the Company issuing Shares under the 10% Placement Facility, based on different issue prices and values for variable 'A' in the formula above.

Variable 'A' (Shares on issue)		Issue price		
		\$0.18 (50% decrease)	\$0.36 (Current) <sup>2</sup>	\$0.54 (50% increase)
48,283,212 (Current) <sup>1</sup>	Shares issued	4,828,321	4,828,321	4,828,321
	Funds raised	\$869,097.82	\$1,738,195.63	\$2,607,293.45
72,424,818 (50% increase)	Shares issued	7,242,482	7,242,482	7,242,482
	Funds raised	\$1,303,646.72	\$2,607,293.45	\$3,910,940.17
96,566,424 (100% increase)	Shares issued	9,656,642	9,656,642	9,656,642
	Funds raised	\$1,738,195.63	\$3,476,391.26	\$5,214,586.90

**Notes:**

1. The current variable 'A' is assumed to be the number of Shares on issue as at the date of this Notice. The number of Shares on issue could increase as a result of, for example, an issue that does not require Shareholder approval (e.g. a pro rata offer to Shareholders) or an issue with Shareholder approval under Listing Rule 7.1.
2. The current price of Shares is the closing price on the ASX on 18 October 2024.
3. The table assumes that no Options or other Convertible Securities are exercised or converted into Shares prior to an issue under the 10% Placement Facility.
4. The table assumes that the Company issues the maximum number of Shares available under the 10% Placement Facility.
5. The table assumes that issues of Equity Securities under the 10% Placement Facility consist only of Shares.
6. The table does not show examples of dilution that may be caused to a particular Shareholder by reason of issues under the 10% Placement Facility. Shareholders should consider the potential dilution caused in the context of their own circumstances.
7. The table only shows the effect of issues under Listing Rule 7.1A, and not issues under the 15% placement capacity under Listing Rule 7.1.

Shareholders should further note that:

- the market price for the Equity Securities may be significantly lower on the date of issue than on the date of the Annual General Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Equity Securities on the date of issue.

(iii) **Date by which the securities may be issued**

In accordance with Listing Rule 7.1A.1, any Equity Securities issued under the 10% Placement Facility will be issued during the 10% Placement Period. The 10% Placement Facility will cease to be valid in the event that shareholders approve a transaction under Listing Rule 11.1.2 (significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(iv) **Purposes for which the securities may be issued**

Any Equity Securities issued under the 10% Placement Facility may only be issued for the following purposes (without limitation) for cash consideration to raise funds. In such circumstances, the Company may apply the funds raised towards the exploration activities at its existing projects and/or for acquisition of new assets or investments (including expenses associated with such acquisition) and general working capital.

(v) **Allocation policy for issues of securities**

The Company's allocation policy for any Equity Securities issued under the 10% Placement Facility will depend on the prevailing market conditions at the relevant time, however, recipients will not be related parties of the Company. The identity of recipients of Equity Securities will otherwise be determined on a case by case basis having regard to the following factors (without limitation):

- the purpose of the issue;
- alternative methods for raising funds that are available to the Company including rights issues or other issues in which existing Shareholders can participate;
- the effect of the issue on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon issuing any Equity Securities.

(vi) **Previous issues of securities**

During the twelve (12) months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued any Equity Securities using capacity under Listing Rule 7.1A.2.

### **7.3 Directors' recommendations**

The Board unanimously recommends that Shareholders vote in favour of Resolution 7. The Chair intends to exercise all available proxies in favour of Resolution 7.

The Performance Rights will vest upon the independent certification, in accordance with the PRMS Guidelines, of 2P Reserves of at least one (1) trillion cubic feet within the area comprising licences ER 270, 271, 272 and 383 (“**Vesting Condition**”).

### 4. Lapse

If the Vesting Condition is not satisfied by 5.00pm (AWST) on the date that is five (5) years after the date of issue of the Performance Rights, the Performance Rights will automatically lapse.

### 5. Exercise

Subject to paragraphs 3 and 4 above, Performance Rights may only be exercised by notice in writing to the Company (“**Exercise Notice**”). Any Exercise Notice for a Performance Right received by the Company will be deemed to be a notice of the exercise of that Performance Right as at the date of receipt of that Exercise Notice by the Company. No exercise price, or Share issue price, is payable by the Holder upon providing the Company with an Exercise Notice or at any other time. The Company must issue the relevant number of Shares, update the Share register and issue, and send to the Holder, an updated holding statement within 5 business days after receiving the Exercise Notice.

Any Performance Rights that have vested before the Expiry Date but have not been exercised will be automatically exercised on the Expiry Date.

### 6. Shares issued on exercise

The Shares issued upon vesting of Performance Rights will rank equally, in all respects, with all other Shares on issue and the Company will apply to ASX for official quotation of the Shares after they are issued.

### 7. Shareholder and regulatory approvals

Despite any other provision of these terms and conditions, exercise of Performance Rights into Shares will be subject to the Company obtaining all (if any) required Shareholder and regulatory approvals for the purpose of issuing the Shares to the Holder. If exercise of the Performance Rights would result in any person being in contravention of section 606(1) of

the Corporations Act, the exercise of each Performance Right that would cause such contravention will be deferred until such time or times that the exercise would not result in a contravention of section 606(1) of the Corporations Act.

Holders must give notification to the Company in writing if they consider that the exercise of the Performance Rights may result in the contravention of section 606(1) of the Corporations Act, failing which the Company will be entitled to assume that the exercise of the Performance Rights will not result in any person being in contravention of section 606(1) of the Corporations Act.

**8. Restrictions on transfer of Shares**

If the Company is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, the Company will issue a prospectus pursuant to section 708A(11) of the Corporations Act to allow those Shares to be traded within twelve (12) months after they are issued.

**9. Participation in new issues**

There are no participation rights or entitlements inherent in the Performance Rights and Holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Performance Rights.

**10. Adjustment for bonus issues of Shares**

If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment), the number of Shares which must be issued on the exercise of a Performance Right will be increased by the number of Shares which the holder would have received if the holder had exercised the Performance Right before the record date for the bonus issue.

**11. Adjustment for rights issue**

If the Company makes a rights issue of Shares pro rata to existing Shareholders, there will be no adjustment to these terms and conditions.

**12. Adjustments for reorganisation**

If there is any reconstruction of the issued share capital of the Company, the rights of the Holders may be varied to comply with the Listing Rules which apply to the reconstruction at the time of the reconstruction.

**13. Change of control event**

On the occurrence of a change of control event, being, in general terms:

- an unconditional takeover bid under Chapter 6 of the Corporations Act;
- a Court sanctioned scheme of arrangement; or
- any other merger involving the Company occurs which results in the holders of Shares holding 50% or less of the voting shares in the Company,

subject to the Listing Rules, the Board may, in its sole discretion, determine that all or a percentage of unvested Performance Rights will vest and become exercisable.

#### **14. Ceasing to be an employee or Director**

If the Holder ceases to be an employee or Director of the Company in circumstances where the cessation or termination arises because the Holder:

- voluntarily resigns their position;
- willfully breaches the terms of the engagement of the holder or any policy of the Company's published policies regulating the behaviour of the Holder;
- is convicted of a criminal offence which, in the reasonable opinion of the Company, might tend to injure the reputation of the business of the Company; or
- is found guilty of a breach of the Corporations Act and the Company considers that such breach brings the Holder or the Company into disrepute,

then:

- unless the Company decides otherwise in its absolute discretion, may deem any Performance Rights of the Holder to have immediately lapsed and be forfeited; and
- any Performance Rights that have vested will continue in existence in accordance with their terms of issue, only if the Vesting Condition has previously been met and any Shares issued on satisfaction of the Vesting Condition, will remain the property of the Holder.

The Performance Rights will not lapse and will not be forfeited where the Holder ceases to be an employee or Director of the Company for any other reason unless determined by the Company (acting reasonably and in good faith) and, in those circumstances, the Performance Rights will continue to be subject to satisfaction of the Vesting Condition.

#### **15. Quotation**

The Company will not apply for quotation of the Performance Rights on ASX.

#### **16. Transferability**

Performance Rights are non-transferrable and consequently, will not be quoted on the ASX or any other recognised exchange.

#### **17. Compliance with laws**

If the Corporations Act, the Listing Rules or the Constitution conflicts with these terms and conditions, or these terms and conditions do not comply with the Corporations Act, the Listing Rules or the Constitution, the Holder authorises the Company to do anything necessary to rectify such conflict or non-compliance, including but not limited to unilaterally amending these terms and conditions.
