### About Emerald Clinics Limited

Emerald Clinics Limited (ACN 625 085 734) is an Australian incorporated company focussed on generating Real-World Evidence using its network of specialist medical clinics and purpose-built, remote patient monitoring software and technology. The Emerald model provides care while also co-creating high quality and ethically sourced clinical data from informed and consenting patients. Emerald's evidence is used to accelerate the development of new treatments and models of care. Emerald customers pay for deidentified data, clinical trials and consulting services or monitor their workforce.
