UPDATE ON DIDI GOLD PROJECT

Traka Resources Limited (ASX: TKL) (or “the Company”) advises that it has received a notice from its project partner, Alamako Resources SARL (“Alamako”), purporting to terminate the partnership agreement entered into on 18 April 2025 relating to the exploration and development of certain mineral tenements in Guinea.

The Company does not accept that Alamako has any legal or contractual basis to terminate the agreement and is currently reviewing its rights and options in light of the correspondence received. The Company notes that it has made a financial contribution of USD \$200,000 under the terms of the agreement and has at all times acted in good faith.

The Company will continue to assess the situation and will provide further updates as appropriate.

The announcement is approved for release by the Board.
